**Dad!** give your boy an "oil well"  
mechanical toy—only \$2.00

This is one of the most remarkable new mechanical toys of the year—so strong and easy to work that a three-year old can play with it... so interesting to operate that it appeals to boys in their early teens.

Secure an "oil well" coupon from your neighbor under the Humble sign. Mail it with \$2.00 to the address indicated. Within a week or two, your boy will have his "oil well" and you'll have a happy little "oil man" in your home.
