

Consolidated Downed, 31-0 In Battle With Huntsville

By RUSSELL BROWN
Battalion Sports Staff

The A&M Consolidated Tigers held the high-scoring Huntsville Hornets to two touchdowns in the first three periods of play, before the Green and White solved the Bengal defense and muddy Tiger Field to take a convincing 31-0 decision from the Maroon and White Friday night.

The Bengals, minus seven troops, held the Mustangs in check with a fumble deep in their own territory and a short punt the only mistakes during the first three periods. But the sophomore-laden second team finally weakened in the last period as Coach Louis Davis' eleven rolled to three tallies for the whitewashing.

The Bengals got only one break in the contest as Jim McAfee's punt rolled dead on the Huntsville three. Britt Bell punted back for the Hornets and quarterback Russell Welch brought it back to the Hornet 27. A fifteen-yard holding penalty gave the Tigers life on the 12 but Welch fumbled on the second play to kill the first quarter threat. The Bengals could only reach the 30 and the 43 later in the contest as the touted Green and White defense halted the Bengals.

Two bright spots for the Tigers came to the forefront in the contest, blocked extra points and intercepted passes. The Bengals blocked three of the five extra points, giving them a total of five in their last two tilts, and swiped three enemy aeriels.

The Hornets tallied their first marker with eight minutes to play before the half as quarterback Bill Davis plunged one yard after a 22-yard drive set up by a Tiger fumble. Nat Davis' kick was blocked for a 6-0 halftime lead.

Nat Davis capped a 35-yard, five-play drive in the third period with a three-yard slant. A Davis to Davis pass for 21 yards set up the TD score. Bell's kick was wide.

Eight minutes elapsed in the final quarter before the Green and White unleashed its offensive fury as Nat Davis rambled 47 yards for the third touchdown. Bell's kick was blocked, leaving the count at 18-0. A pass interception after the kickoff set the Hornets on the Tiger 35. Three penalties later the Hornets had a second and 42 situation on their own 43. Quarterback Bob Murray hit Bell for a 29 yarder and found Pat Kernerly wide open on the goal line for the remaining distance. Bell's kick split the uprights.

With two minutes remaining the Hornets struck again as Bill Davis eluded Tiger rushers for a 33-yard TD scamper. Bell's kick was blocked for the final 31-0 margin.

The Tigers meet the Caldwell Hornets in Caldwell Friday night in both clubs' District 19-AA opener. Both teams have compiled identical 1-5 records and rest in the 19-AA cellar.

A&M Cross Country Team Opens With Loss to Cougars

The Aggie cross country team opened the season Saturday with a 22-34 loss to the University of Houston in a dual meet at Houston's MacGregor Park.

The Cougar freshmen also won over A&M, 21½ to 33½.

Veteran John Maey of Houston was the individual winner with a 9:30.3 clocking for the two-mile distance. He was followed by teammates Pat Clohessy and Barrie Almond.

Clohessy's time was 9:35 and Almond was clocked in 9:40.

Houston also took first and second place honors in the freshman division. Geoff Walger was the winner in 9:49. Greg Robinson was next in 10:17.

Varsity results: 1) John Maey, Houston, 9:30.2; 2) Pat Clohessy, Houston, 9:35; 3) Barrie Almond, Houston, 9:40; 4) E. L. Ener, A&M, 10:17; 5) George Rankin, Houston, 10:19; 6) Malcolm Hardee, A&M, 10:27; 7) Thad Crooks, A&M, 10:29; 8) Thomas Johnston, A&M, 10:36; 9) Mike Kerley, A&M, 11:02; 10) George Pickles, A&M, 11:13; 11) Stan Garrett, Houston, 11:18; 12) Ed Korenek, A&M, 11:30; 13) Leo Weiss, 11:50; 14) John Reed, Houston, 11:56.

Myers 'Perturbed' When Reviewing Films of Ags 17-0 Loss to Houston

Coach Jim Myers was perturbed as he reviewed the films of the Houston-A&M tilt played in Houston Saturday night as the Cadets fell 17-0 before the Cougars.

"We just missed too many tackles" said Myers after reviewing the pictures.

Tackling wasn't the only place that the Aggies had trouble in the Houston game. They threw 16 passes and only completed four for 59 yards besides getting two intercepted.

Passing Only Solution
However, after seeing scouting reports on Houston the week before, it was a consensus of coaching opinion that passing would be the best way to beat the Cougars, but it appeared that Houston got wind of this, and were ready with a staunch aerial defense.

The picture wasn't completely black for the Cadets as they got off to a rip-roaring start in Saturday's ball game. On the third play of the game Powell Berry picked off Don Sessions' pass that put the Cadets in the Houston side of the field on the 45. From there the Aggies reeled off 42 yards to Houston's three-yard line before being collared. Highlights of the drive were a 24-yard scamper by Randy Sims and a 23-yard pass from Daryle Keeling to Babe Craig after the Ags drew a 15-yard penalty.

It was Houston's time now and they tore loose with a red-hot offense spurred by Ken Bolin, Eddie Mitchamore and Charlie Rieves. Bolin was the big man with his 28-yard scamper to the A&M 16. A few plays later Rieves rammed away at the Aggie line twice in a row for a TD. Mitchamore's kick put Houston ahead 7-0.

Ag Defensive Shines
On the next series of downs the Aggie defense shined as they held the Cougars on the seven yard line. Craig punted out of the hole on first down to the Houston 41.

Don Sessions opened the Houston passing game and after hitting five straight, got his team to the one yard line. With fourth down coming, the Cougars called on Mitchamore for a field goal and the kick counted to make the score 10-0.

Houston Scores Again
With 7:46 remaining, Errol Linden got his number called and scored after the Cougars had advanced the ball to the Aggie two. This drive was the result of a short kick that sliced off the foot of Craig and went out of bounds on the Cadet 35-yard line.

The Aggies had another drive going late in the game, but before they could get across the double stripe, the game ended 17-0 in favor of Houston.

Freshmen Meet Baylor Thursday

Coach Shorty Hughes' freshman grid team plays its second game of the season this week with a trip to Waco and a test with the Baylor Cubs. Game time is 7:30 p.m. Thursday.

The Fish team opened its season at Ft. Worth last week and lost to the TCU Wogs, 0-12, although matching the winners in first downs and yardage.

Fullback Jerry Rogers of Corpus Christi Ray was A&M's top rusher with 49 yards on five carries and his running mate HB Travis Reagan of Wichita Falls was third with 35 yards in five tries.

Quarterback Jim Linnstaedter of Brenham, making his first start as a T quarterback, hit three of seven passes for 56 yards.

Hughes singled out Rogers, Center Ray Kubala of West, Hargett, Linnstaedter and Guard Terry McLeod of Jasper as playing a fine game.

Hughes announced a starting lineup of the same boys who started the TCU Wog game. This includes a backfield composed of Linnstaedter at quarterback, Reagan at halfback, Phil Peter of Houston at right half and Rogers at fullback.

RCA, builder of Tiros Satellite, needs young engineers today for spectacular achievements tomorrow

Tiros has broadened man's scope of the heavens and earth. From an orbiting observation post high in the sky, it transmits a new wealth of meteorological information to earth-bound stations below.

Tiros is only one of many RCA successes in the wide, wide world of electronics. And as the horizons of electronics steadily expand, the need for more and more competent and creative engineers increases in direct ratio. That's why RCA, now in the forefront of electronic progress, offers such tremendous opportunities for Electrical Engineers, Mechanical Engineers, and Physicists.

If you already know what you want to do in engineering... and are qualified, RCA can offer you direct assignments in your chosen field, and back you up with training and guidance by experienced engineers.

If you're not quite sure which direction you want to go... RCA's Design and Development Specialized Training will help to point the way. You'll receive full engineering salary while you progress through engineering assignments that give you a clear picture of various fields you might choose.

Or, if you'd like to continue your graduate study... RCA will pay full cost—tuition, fees and approved text—while you go to school or study two days a week, and work at RCA three days.

These are only a few of the many reasons for getting all the facts about a career with RCA. See your placement officer now about getting together with an RCA representative, for an interview on:
