By The Associated Press  
 TEXARKANA, Tex. — Former Gov. Allan Shivers, Democrats-for-Nixon Chairman in Texas, received a five-minute standing ovation Tuesday when he brought the Republican campaign to this border city.

Shivers drew an estimated 1,000 persons to a luncheon rally—which J. Q. Mahaffey, editor of the Texarkana Gazette and News, called the largest luncheon crowd in Texarkana's history.

Mahaffey and C. M. Kennedy, an attorney who introduced the former governor, said Shivers drew a better crowd than former President Harry S. Truman, who campaigned in the same Texarkana

The three women, who are library staff members, constructed the display in co-operation with the Brazos County Civil Defense. It is timed with model home fallout shelter activities now under way in the county. Mrs. Donald G. Capelle, senior reference librarian, is chairman of the exhibits committee.

# Cox Elected Contractor Group Prexy

By The Associated Press  
 UNITED NATIONS, N.Y.—The U.N. General Assembly's main Political Committee agreed Tuesday to give disarmament top billing on its list of hot East-West issues for debate.

Both the United States and the Soviet Union agreed to that course—but actual prospects remained dim for any immediate break in the long-standing deadlock on actual disarmament negotiations. After long procedural wrangling the committee gave second spot to President Eisenhower's African aid program and third to the question of independence for Algeria.

Agreement to put disarmament ahead of everything else in the 99-nation committee came after a surprise proposal from newly independent Nigeria that the Eisen-

hower program be given the No. 1 spot.

Satisfied

But after the United States, the Soviet Union and a number of other nations stressed the desire to see disarmament taken up first, the Nigerian delegate, Jaja Wachuku, said he would be satisfied to have issues related to Africa dropped to second place.

U.S. Ambassador James J. Wadsworth expressed hope that

Eisenhower's proposal be placed as high as possible on the committee's work schedule. But he said the United States had already made clear in assembly debate it gave disarmament top priority.

Eisenhower proposed in his assembly speech Sept. 22 that the United Nations consider a broad program for the independence and development of the newly independent African nations.

Wadsworth said the United States would present a preliminary outline of ideas that might be included in such a program. He indicated other members of the committee, especially the African representatives, would have to be consulted before definite plans could be presented.

# 17-Day GE Strike Halted

By The Associated Press  
 NEW YORK—Leaders of the 17-day strike against the General Electric Co. Tuesday called for an end of the walkout this week. They told their negotiators to accept whatever terms they see fit.

The top echelon of the International Union of Electrical Workers added in its directive to the negotiators: "If the negotiating committee is unable to conclude a settlement by Oct. 23, another conference board meeting will be held Oct. 26."

The conference board is composed of leaders of all IUE locals in General Electric. It is the governing body of the union in a strike situation.

In waiving its prerogative of deciding on settlement terms, the board made it possible for the negotiators to accept GE terms which already have split the union.

# JOHN WAYNE AT RODEO Star's Appearance Highly Anticipated

Special To The Battalion  
 HUNTSVILLE — Prison rodeo officials and inmates alike are looking forward to giving the "Red Carpet" treatment to actor-producer John Wayne, who will make a personal appearance at the third performance of the 29th Annual Texas Prison Rodeo Sunday.

Wayne will bring highlights of his famous Texas movie epic, "The Alamo" into the rodeo arena one day prior to the film's premier in San Antonio. The film will be shown in Houston beginning Oct. 26.

Sharing the spotlight with Wayne will be singer-actor Frankie Avalon, teen-age singing sensation, who also is cast in "The Alamo" as a singer and actor.

While rodeo officials are expecting record-breaking crowds Sunday, they remind fans there are 30,000 seats in the prison stadium and no one will be turned away.

The Oct. 16 show proved to be a real crowd pleaser when 25,000 persons heard Molly Bee and Bo Diddley sing their favorite tunes. The crowds also applauded the rough inmate contests, termed the "roughest yet."

Also appearing Sunday will be several inmate entertainment groups, along with the Goree Girls from the women's prison. The Goree Girls feature Candy Barr, a former Dallas night club entertainer.

Another outside specialty will be a Girls' Barrel Race which has proved to be extremely popular

with inmate and "free world" spectators.

Reserved seat tickets for the rodeo, which is held each Sunday in October, may be obtained by writing the Rodeo Ticket Office in Huntsville. Tickets are \$2.40, \$3.75, and \$4.40, tax included. Net proceeds from ticket sales are earmarked for inmate rehabilitative services not furnished by legislative appropriation.
