

Seminar Series To Begin Dec. 2

The first of a series of seminars to be conducted by the Department of Nuclear Engineering, who will be held Dec. 2. The speaker will be Henry R. Slagle, graduate student in nuclear engineering, who will discuss "Criticality Calculations for a Reactor Coupled to a Subcritical Assembly."

Donald E. Feltz, also a graduate

student in nuclear engineering will be the second speaker, Dec. 9. His topic will be "The Effects of Internal Heat Generation on Heat Transfer in Thin Fins."

Dr. George M. Krise of the Department of Biology will talk on "Biological Implications of the Use of Nuclear Power in Space," at the Dec. 16 seminar.

On Jan. 16, Dr. Roy A. Axford of the Nuclear Engineering staff, will discuss "Multiple Scattering Viewpoint in Neutron Transport Theory."

Dr. Paul B. Crawford of the Petroleum Research Committee will talk on "Elements in Sizing of Nuclear Bombs for Engineering Works," at the Jan. 13 seminar.

Dr. Robert G. Cochran, Head of the Department of Nuclear Engineering will discuss "Cerenkov Radiation," at the Jan 30 seminar.

The weekly seminars will be held at 4 p.m. each Friday in Room 211 of the W. T. Doherty Petroleum Engineering building. Persons who have an active interest in the utilization of nuclear energy in science and engineering are invited to attend the meetings.

An undergraduate student may order the A. & M. ring if he has 35 hours credit including what he is passing at mid-semester. Any student who may be interested in ordering his A. & M. ring on the basis of his mid-semester grades for the fall semester 1960 should leave his name with the Ring Clerk in the Registrar's Office. The record will be checked and eligibility determined by November 28. Orders for the ring will be taken November 28-January 2, 1961 inclusive. The Ring Clerk is on duty Monday through Friday from 8:00 a. m. to 12:00 noon. Rings will be ready for delivery on February 10, 1961.

H. L. Heaton, Director of Admissions and Registrar 3316

Graduation invitations for the January commencement must be ordered by November 22, 1960. They may be ordered at the Cashier's Window in the Memorial Student Center. 3117

Danny and Tess took part in the Thanksgiving tableau at school last week, and they did a good job. As I looked at them, I thought of the real Pilgrim children and that first Thanksgiving.

Our forefathers weren't inoculated against childhood illnesses. They didn't have miracle drugs and warm clothes. They certainly didn't have more than they could eat. They faced incredible hardships, with no bright toys for special rewards, no candy bars. But they knelt down in the cold with their parents and gave thanks to God just for being alive.

Can we do less today? Can we possibly do less, this Thanksgiving, than go to Church and humbly give thanks to our Creator for His wonderful gift of life?

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
