Ags Open Home Cage Season With Cougars

The Aggie Cougars get their first chance of the year on home "ground" tonight as they meet

Be well groomed for success

That "like new" look we give your clothes is sure to make the right impressions whether you're on the job or on the town.

CAMPUS CLEANERS

The Houston Cougars at 8 in G. Rollie White. Over the weekend, the Cadets took a long trip to Manhattan, Kan., where they fell 64-69 to Kansas State. Kansas established an opening-minute lead that caused A&M to play catch-up the whole game. However, they caught the Wildcats twice and with only 51 seconds left, the Ags were only one behind. Jerry Roy of Kansas edged farthur ahead with his layup and a couple of free tosses by Al Piethman iced the game for Kansas.

Again Carroll Broussard was the high point man for the Aggies with 17 points. Broussard was followed by Wayne Annett with 15 and Pat Stanley with 11.

Both teams had bad nights with their shooting eyes as A&M only

hit 24.6 per cent of their shots and Kansas hit 29.9 per cent.

Fouls were plentiful as A&M lost Jerry Windham and Don Stanley in the last half and Annett and Pat Stanley were held down with four fouls each.

When the Cougars come to town tonight they will have only one game under their belt this season and it was a 73-53 win over North Texas.

Houston packs a powerful punch with Gary Phillips and Ted Luckenbill. Phillips is a 6-3 All-American and Luckenbill stands 6-6.

The Cougars hold an 11-7 series edge over the Aggies, but haven't been able to take a win in G. Rollie White since the 1955-56 season. Also Houston has the distinction of being the first team to play A&M in White Coliseum.

A&M	Lineup	Houston
Wayne Annett	Guard	Jack Thompson
Don Stanley	Guard	Gary Phillips
Jerry Windham	Center	Lyle Harger
Carroll Broussard	Forward	Tommy Thomson
Pat Stanley	Forward	Ted Luckenbill

Pat Stanley

Pat Stanley is holding down the number two scoring spot for A&M after two games. Stanley is averaging 12.5 points per game behind Carroll Broussard's 17.5 and has the top shooting percentage with .524.

Consolidated Still Looking for Win

By RUSSELL BROWN
A&M Consolidated's Tigers are still seeking that hard-to-find first victory as the weekend and the Bryan Tournament found the Bengals on the short end of two squeakers.

Sunset High of Dallas of District 6-AAAA kept one jump ahead of the Tigers all the way, keeping the Bengals just within smelling range of victory before icing away a 45-41 contest. In the second round of consolation play the Bengals dropped another, this to Houston's Kincaid by a razor-thin 52-50 margin. Sunset lost out to Madisonville for third place in the tourney and Kincaid was eliminated by consolation winner Big Sandy.

P. D. Gandy, a quick 5-8 senior guard, was top tallier in both losses, hitting for 11 points against Sunset and dropping in four field goals and 10 free tosses for 18 tallies against Kincaid.

Gandy is the leading scorer thus far with 42 points in four games, forward Jim Riggs has 39, and post man Condly Pugh has thrown in 29.

Coach Jack Mitchell will go with those three plus John Stark and John Pedigo or Danny Garner tonight at 6 p.m. when the Maroon and White battles 11-AAA Brenham in Tiger Gym. Stark, a junior, plays low post with Garner and Pedigo serving as guards.

In the prelim, Coach George Johnston's "B" teamers will be after win number two in six starts against the Cubs. After being swamped by the larger Conroe Tigers, Marlin Bulldogs, and Anderson's Owls' the Maroon and White found Lexington to its liking for a 43-19 victory in the second round of consolation play in the North Zulch Tournament Saturday. The Bengals were stymied by Oakwood 62-33 in the consolation finals.

"FIND THE ANSWER, JIM—AND BRING IT BACK"

When Jim Boardman took his B.S. in Electrical Engineering at Colorado State, there was one idea uppermost in his mind. He wanted a job in which he could work his way into management via the engineering route. As he puts it, "I didn't want to stick with straight engineering all my life."

After talking to eight other organizations Jim joined The Mountain States Telephone & Telegraph Company. He soon got the kind of action he was looking for.

His first assignment: How best to improve widely scattered rural telephone service all over Colorado—a sticky engineering challenge. He was given a free hand to work out his own procedures. His boss simply said, "Find the answer, Jim—and bring it back."

Six months later, Jim turned in his recommendations. His plan was accepted.

Next stop: Colorado Springs. Here Jim worked out a plan to expand telephone facilities for this burgeoning community. This plan, too, is now in operation.

Today, at 24, Jim has an important role in planning where, how much, and what kind of telephone service is needed in the Denver area.

Here's how Jim puts it: "We get tough assignments—but we also have the freedom to take hold and do a job. I think the future here is unlimited. If a man wants to do it—it's there to be done."

If you're a guy who can "Find the answer—and bring it back"—you'll want to get with a company where you have the chance. Visit your Placement Office for literature and additional information.

"Our number one aim is to have in all management jobs the most vital, intelligent, positive and imaginative men we can possibly find."

FREDERICK R. KAPPEL, President
American Telephone & Telegraph Co.
