

SWC Tankmen Meet Today

Like Fish

Action like this will get under way in P. L. Downs Natatorium this afternoon and likely will put most any of the "pisces" family in their place. Top performers from the Southwest Conference will be on hand until Saturday and many marks are expected to fall in the annual meet.

By CHARLES SEBESTA

Records are expected to fall this weekend when the 30th annual Southwest Conference Swimming Meet is held in P. L. Downs Natatorium beginning this afternoon and lasting through Saturday.

Texas, Texas Tech, Rice and A&M will be attempting to break Southern Methodist's four-year hold on the title.

The Methodists, undefeated this season, have captured six of the last eight titles. However, Texas still leads the conference with 20 victories and one tie. A&M has won the championship twice and also has one tie.

In only three of the 16 events scheduled here does the 1960 champion fail to return: the 1500-meter freestyle, the one-meter diving and the three-meter diving.

All defending titleholders are Southern Methodist and University of Texas tankmen, and are listed following by event:

440-yard freestyle—Aubrey Burer of Pretoria, South Africa (SMU).
440-yard backstroke—Charles Lucas of Houston (Texas).

200-yard breaststroke—Bobby Taylor of Houston (Texas).
100-yard freestyle—Burer. Also returning—Doug Duwe of Dallas (Texas) winner in 1959.

100-yard butterfly—Bill Champion of Hastings, Nebr. (SMU).
100-yard breaststroke—Pat Ryan of Wichita, Kan. (SMU).
220-yard freestyle—Burer. Also returning—Duwe, winner in 1959.

200-yard backstroke—Lucas, winner for second year in succession.

200-yard butterfly—Taylor. Also returning—Jeff Heller of Tyler (Texas) winner in 1959.

50-yard freestyle—Jerry Katz of Miami, Fla. (Texas). Katz tied with Dick Rantzow (SMU).

266-yard individual medley—replaces 200-yard individual medley won the past two years by Jeff Heller (Texas).

400-yard freestyle relays—SMU brings back Gordon Sutton of Columbus, Ind., and John Falconer of Dallas.

400-yard medley relay—SMU returns Dick Rotto of Portland, Ore., Bob McCauley of Seattle, Wash., and Falconer.

Johanssen Takes Final Workout

By The Associated Press

PALM BEACH, Fla.—Ingemar Johanssen took his final workout Wednesday for his attempt to regain the world's heavyweight championship from Floyd Patterson at Miami Beach Monday night, and he made it a good one.

The burly Swede went a total of six rounds against three assorted sparring partners, bringing the total of rounds he has worked to 272.

Freddie Blades, of Ft. Lauderdale, 178 pounds; Joey Archer, New York middleweight, and Solomon McTier, a 198 pounder from New York, again provided the opposition.

Cincinnati Hopes To Change Last Year's Story

By The Associated Press
CINCINNATI—The University of Cincinnati's surprising Bearcats are hoping basketball history repeats itself in the coming NCAA Tournament. And that doesn't mean they want Ohio State to repeat as champs.

Last year the final Associated Press poll showed Cincinnati as the No. 1 team in the nation with Ohio State No. 3. When the NCAA Tournament was completed that situation was reversed. Ohio State was the champ and Cincinnati had finished third—for a second straight year.

This year's final poll had Ohio State as No. 1 and Cincinnati No. 2.

Under the tournament setup, the Bucks and Bearcats can't possibly meet before the final game and U. C. Coach Ed Jucker says, "We'd sure like to reverse that standing just as they did last year."

Actually no one, except possibly Jucker himself, expected the Bearcats to attain such a lofty rating this year. Graduation took Oscar Robertson, three-time All-America and the nation's leading scorer, along with Ralph Davis and Larry Willey.

Those three provided 64 per cent of Cincinnati's scoring last year.

Coach George Smith resigned to become athletic director and Jucker took over.

By Christmas time the Bearcats had only a 5-3 record and two of

the defeats were in the Valley Conference. Then the "jelled," to use Jucker's term. Cincinnati finished the season with 18 straight victories.

Aggies Alley

Last morning it was announced over Radio Station WTAW that Jimmie Guy, sophomore electrical engineering major from Snyder, would represent A&M and Region Nine of the Association of College Unions in the National Intercollegiate Bowling Tournament in Detroit, Mich. That evening an automobile accident, resulting in serious injury to Jimmy, cancelled this dream of making. We are sorry that he will not be able to go, but are happy that he will quickly recover. The entire Memorial Student Center Bowling Committee wishes him speedy recovery and hope to be seeing once again his "Tiger Ball" on the lanes.

In the Monday night Hot Shot Rainosek's team, bowling without the services of "Aperiodic," defeated Kennedy's team 4-0 in a make-up match and took 3 of 4

from Guy's team in the session. This put Rainosek's place by 2½ games. Guy for Rainosek was the "One himself with a 549. Pan hany led the Guy-less team a 204-552. Tom Lake coming through with a 191-442 count for the only Rainosek

In other action, Larry led Tate's team to a 3-1 over Pearce. Buck Cashin a 181-527 in a losing cause ris split with Kennedy, Jim "Ostrich" Butler shot Kennedy's team was held Bill Briley's 223-558. In the match Norris' team of Haines' crew 3-1, despite Haines' 205-581.

Team	W	L
Rainosek	39½	29½
Kennedy	37	23
Pearce	34½	25½
Harris	32½	27½

Hunting Course Revealed

"I go hunting all the time. I know all about guns." Quote and unquote Joe-Ordinary-Citizen.

The Twin City Junior Rifle Club says Joe-Ordinary-Citizen is riding for a fall. Their idea: educate him through special firearm safety programs.

A hunter safety course will be conducted by the club this Saturday in an effort to stop accidents before they happen.

The instruction period will last from 9 a.m. to 4 p.m. at the Army Reserve Training Center at Bomber and Carson Streets in Bryan.

All instruction will be under the

direction of Certified National Rifle Association Instructors.

"Brazos County has a good hunter safety record," said a club spokesman. "We treasure that record and want to maintain it. One way to do it is through education," he added.

Participants in the program will receive instruction in many different fields of firearm handling and hunting. After instruction and practice periods students will be tested to determine their proficiency in the individual subjects.

Some of the subjects to be covered are identification of ammunition, safety on the gun, procedures

for picking up a gun, hunting in two's, crossing a fence, running when hunting and placing a gun in an automobile.

Also included in the curriculum is handing a gun, hunting in three's, crossing a stone wall, removing a gun from an automobile and simulated loading. Also to be covered by the instructors are game laws, clothing and cleaning and storage of guns.

Charges for the course will be fifty cents for boy and girl scouts in uniform attending as units under adult leadership; \$1 for individuals, and \$2 for family groups.
