

Have You Seen This Man?

Neither Has The Coach!

Lost—one 180-pound, 6-2, pitcher who hails from Kerrville. Fish 'X' was last seen on Kyle Field's practice diamond, and was throwing strikes over the plate quite consistently. But now, no one knows where the player has gone. It all started yesterday when varsity Coach Tom Chandler asked freshman Coach J. B. Carroll how the "big pitcher" from Kerrville was doing. With a slight pause for some thinking, Carroll said, "We don't have any pitchers from Kerrville."

After a short investigation, the two coaches agreed that the boy had been put on the first "cut list" by mistake. If they could have found the list of boys who were cut from the squad the first time, the problem would have been solved. But the list is lost too.

And the boy's name and whereabouts are still unknown, but Chandler said, "He showed lots of stuff in drills and I'm begging him to report back to practice."

So, if anyone sees someone fitting the pitcher's description—send him to see Coach Chandler.

Fish Open Season Against Allen

By LARRY SMITH

The Aggie Fish baseball season gets underway next Monday at 3 p.m. on Kyle Field as the Fish meet the Allen Academy Ramblers. Fish Coach J. B. Carroll, former star outfielder for the Aggies, said that his boys have been looking good in practice especially last Saturday in an intrasquad game with the varsity.

"We may have some power this season, from such men as Roger Crouch from Kilgore, Robert McAdams from Spring Branch and Bill Hancock from Shreveport (Byrd)," Carroll said.

Carroll said that there was not a really, big star on the Fish squad

this year, but they all are good team men. Considerable help is expected from the Fish footballers who at the present are going through spring training. The Fish who are expected are Ronnie Carpenter, George Hargett, Jim Linnstaedter, Jerry Pizzatola and Eddie Hall.

Carroll has already received help from the Fish basketball team as Dave Johnson and Chuck McGuire have begun workouts.

The Fish will have one of the best pitchers in the high school ranks last year—Johnny Crain from Bellaire. Crain helped pitch the Cardinals to the 4A State

Championship last spring. The starting line-up for the Fish next Monday against Allen Academy will be:

In the infield, Frank Stork at first, Bill Grochett at second, Hancock at third and Johnson at short. In the outfield will be—Crouch in left, McAdams in center and John Gabbert in right.

On the mound will be Crain and Wayne King will start behind the plate.

Varsity Meets UofD Tomorrow at 3 p.m.

The Varsity baseball team will go after its second win in a row tomorrow as they meet the University of Dallas Crusaders at 3 p.m. on Kyle Field.

Earlier in the week the Cadets downed the Rice Owls, 6-3 in Houston for their first win in two starts.

In the first game with Sam Houston, where the Aggies were beaten, 7-5, errors tore the game apart. But, the miscues were fewer against Rice which indicates some improvement. Also in the improvement department, the Cadets are coming up with better hitting. In the Sam Houston game they only collected four hits and got 10 against Rice.

Leading Hitters
 The leading hitters so far this season are Stuffy Davis and Ray Hall. Both are outfielders and have three hits each. Hall got two hits against Sam Houston and one against Rice, while Davis went three for four in the Owl game after being hitless in the opener.

Although the Aggies have had 10 runs scored on them in two games, only one of the runs was earned. This run came as the result of a triple in the Rice game off winning pitcher, Bob Collins.

Pitchers
 Coach Tom Chandler has slated Mike Spence, Don Costlow and possibly Olen Jordan for pitching duties tomorrow. Costlow pitched one and two-thirds innings against Sam Houston and Spence went two innings in the same game. Jordan's only appearance for the year was against Rice as he threw for one inning.

The U of D coach, Al Ogletree, should feel quite at home on Kyle Field tomorrow since he is a former Aggie baseball and basketball player. He was on the All-Southwest Conference baseball team in 1951.

Monday afternoon A&M will meet Sam Houston in Huntsville, and will travel to Austin Friday for a game with Texas University.

Two approaches to the "man's deodorant" problem

If a man doesn't mind shaving under his arms, he will probably find a woman's roll-on satisfactory. Most men, however, find it simpler and surer to use Mennen Spray Deodorant. Mennen Spray was made to get through to the skin, where perspiration starts. And made to work all day. More men use Mennen Spray than any other deodorant. How about you? 60¢ and \$1.00 plus tax
