

# Cuba Accuses JFK Regime Of Plotting Against Castro

By The Associated Press UNITED NATIONS, N. Y.—The United Nations put before the United Nations Wednesday a charge that the Kennedy administration is intensifying a U. S. campaign aimed at overthrowing Prime Minister Fidel Castro's revolutionary regime.

Raul Roa, Cuban foreign minister, made plain he was doing so in order to buttress Castro's Soviet-supported charges pending before the U. N. General Assembly that the United States is planning armed aggression against Cuba.

Roa sent a letter to Frederick H. Boland of Ireland, president of the assembly, linking the United States with an attack by an armed speedboat on the nationalized Texaco oil refinery at Santiago on Monday. Roa said one sailor was killed and several soldiers and civilians wounded in what he described as "an act of international political piracy."

The Cuban foreign minister hinted that the boat, similar to a U. S. naval torpedo boat, may have come from the U. S. naval base at Guantanamo. U. S. naval officials there denied it. Roa called the base "an active center of conspiracy, subversion and espionage against the Cuban government and people."

Roa said the incident was part of preparations by the United States for an invasion of Cuba, undertaken with the encouragement and support of President Kennedy.

He said that the Eisenhower administration had used such devices as armed violence, economic aggression and diplomatic harassment in a vain effort to topple Castro.

"The present administration," he added, "has not only followed the aggressive interventionist policy of its predecessor, but has quite openly intensified it, using the most spurious and arbitrary means at its disposal, in clear violation of the fundamental principles of the charters of the United Nations and the Organization of American States."

### Kiwanians' Flapjack Fry Set April 1

Smell pancakes cooking? No? Well, you will soon. The College Station and Bryan Kiwanis Clubs have scheduled their annual pancake supper for the night of April 1.

The theme will be "all the pancakes, syrup and bacon you can eat for 50 cents." Past suppers have drawn crowds of from three to four thousand hungry pancake lovers.

Club officials are expecting around 5,000 customers this year. Money from the pancake dinner goes to help the crippled children of this area.

General chairmen of the event are Dr. J. F. Cooper and Eddie McSwain. Their plans provide for 10 to 12 cooks to ensure no bottlenecks in the serving lines.

The Bryan National Guard Armory at 1700 E. 25th St. has been selected as the site for the flapjack-fry. Diners will be served from 5 p.m. until 9 p.m.
