

# Fish, Varsity Invade Houston For Meet With Rice, SMU

Both the varsity and the freshman track teams journey to Houston this weekend for a triangular affair with SMU and Rice.

After a mid-season slump, the varsity squad is expected to put on one of their best performances of the spring. Ed Williams, star sprinter from Jena, La., has just about recovered from a leg injury sustained in the Texas Relays.

Last weekend at the Dallas Invitational, one Cadet broke the school record in the mile run even though he ran third. E. L. Ener scooted to a 4:14.6 mile, breaking the old record of 4:17.2 set by J. D. Hampton in 1949 at the SWC meet.

High jumper Donnie Deaver

reached his best jump of the year last weekend in Dallas as he bounded over the bar at 6-6.

Malcolm Hardee, the two miler, ran his best time of the spring at Dallas with a clocking of 9:38.5.

Running on the varsity sprint relay team this weekend will be Curtis Roberts, Gene Dornak, George Tedford and Williams. The best time for Cadet 440-yard relays this spring has been 41.4 at the Border Olympics. Bob Clark, who is now out with a pulled muscle, ran in place of Tedford at Laredo.

The Fish tracksters will seek their second meet win of their young season. The ran away with

the freshman division title at the Texas Relays.

Top sprinters for the Fish are Robert Martin, R. E. Merritt, Jerry Anderson, and Pat Mitchell who also make up the 440-yard relay team. Their best time this year was a 41.9 in Austin.

Danny Roberts will be the man to beat in the weights. His best

distances so far this spring have been 53-6½ in the shot put, 148-11 in the discus throw and 187-5 in the javelin throw. Roberts has yet to be beaten this season in any of these events.

The Fish mile relay team made up of Anderson, Carl Lee, James King and Merritt have a better time than the varsity. Their best clocking so far has been a 3:18.2 compared to a 3:20.5 for the varsity.

Next weekend, Apr. 28-29, the varsity takes their longest trip of the season as they travel to Des Moines, Iowa, for the Drake Relays. The Fish go back into action the weekend of May 4 in a tri-meet with Rice and Texas in Austin.

## Intramurals

Thirteen games were played yesterday in intramural sports in five leagues.

In Class B Tennis, Sq. 1 downed C-2 by the score of 3-0; Sq. 10 blanked C-1 to win, 2-0; Sq. 3 shutout A-2, 3-0; F-2 edged the boys from G-3, 2-1; Sq. 8 halted A-1 for a 3-0 victory.

In the only game played in Class A Softball, M-2 blasted D-2 by the score of 11-5.

In Class C Softball, Hart Hall out-fought Walton Hall, 7-3; Pur-year Hall whitewashed Mitchell Hall, for a 7-0 victory; Milner Hall defeated Leggett Hall, 6-4; and Pan American routed Law Hall to win 13-4.

In the championship game in Class A Tennis, Sq. looms as king by blanking F-1, 2-0.

In the only game scheduled in Class B Softball, E-2 out-scored H-1 in a hitter's battle, 13-10.

smart people are want-ad minded!

# Fishing Has Been Good For Rogers

Angling has been good for Coach Bob Rogers this spring as he landed his sixth future "Fish" in the past five days.

The latest high school cage star to sign was Tim Timmerman, who led Austin High of Houston to the state 4-A basketball championship last season.

The 6-6, 195-pounder joined Jay Baker of Aldine, Larry Johnson of South Houston, Paul Timmins of Clear Creek, David Stiles of Midlothian and Sonny Sandell of Hamilton.

Timmerman was sought by at least 12 major colleges that included Kansas State, North Carolina, Houston and every Southwest

Conference school except Arkansas. One thing that he admitted influenced his choice of schools was the fact that his father is a 1939 graduate of A&M.

With the signing of Timmerman, who is probably the biggest name to sign a pre-enrollment application in the SWC, Coach Rogers has made a near clean sweep of the Gulf Coast's top basketball talent.

As Timmerman carried the Austin Mustangs to the state championship, he averaged over 24 points a game and was named to the all-tournament team.

Timmerman plans to major in engineering when he comes to A&M next fall.

# Injury Jinx Has Already Struck Baseball Circuits

By Associated Press  
NEW YORK—The baseball season is only 10 days old but the injury jinx already has sent big names like Duke Snider, Harmon Killebrew and Charley Neal to the sidelines.

Don Lee, who figured to be one of the Twins' starting pitchers, suffered a broken finger on his right hand when hit by a line drive in an exhibition game. He still is out of action.

Snider was put out of action for a month or so when he was struck by a pitch Monday night and suffered a cracked bone above his right elbow. The fact that Snider was hit by the first pitch of his next at bat after hitting a home run prompted the Los Angeles brass to complain to league headquarters.

## A Hole In One The Hard Way!

By The Associated Press  
SUMTER, S.C.—Paul Alderman teed off on the 130-yard No. 5 hole with a putter Wednesday.

third base. Malzone's right was injured before the opener.

Cleveland has Dick Stein on the disabled list and Bill Hank Foiles is just coming after a finger was broken in training.

The ball traveled down the fairway, bounced into a sand trap, rolled out onto the green, and dropped into the hole.

The Dors' Ed Roebuck, expected to be the master of their club, came up with a sore arm and to be placed on the disabled list.

Disaster struck St. Louis Florida when Larry Jack Cards' 18-game winner, snatched broken jaw when hit by a Snider's bat in an exhibition right-hander hopes to get his action late this month.

Alderman, a Sumter lumberman, made the hole-in-one at the Pocalo Springs course near here.

Julian Javier, the Cardinals' second baseman, had to leave day night's game in Los Angeles after he was stunned and a headlong dive when he picked off first base.

**L&M UNLOCKS CAMPUS OPINION**

#3 in a series of polls conducted by L&M student representatives in over 100 colleges throughout the nation.

Light up an L&M, and answer these questions. Then compare your answers with those of 1,383 other college students (at bottom of page).

**Question #1:** Do you feel working wives can really have a happy, well-adjusted family life?

Answer: Yes \_\_\_\_\_ No \_\_\_\_\_

**Question #2:** How big a help to a college man is a car in building a successful social life?

Answer: The biggest \_\_\_\_\_ Pretty big \_\_\_\_\_  
Not so big \_\_\_\_\_ No help at all \_\_\_\_\_

**Question #3:** Which of these fields do you believe provides the greatest opportunity for success, within ten years after entry into the field? (CHECK ONE)

Answer: Electronics \_\_\_\_\_ Solid state physics \_\_\_\_\_ Advertising \_\_\_\_\_  
Politics \_\_\_\_\_ Law \_\_\_\_\_ Business administration \_\_\_\_\_  
Chemical engineering \_\_\_\_\_ Medicine \_\_\_\_\_ Sales \_\_\_\_\_  
Industrial design \_\_\_\_\_ Architecture \_\_\_\_\_ Mathematics \_\_\_\_\_  
Psychiatry \_\_\_\_\_ College teaching \_\_\_\_\_ Biochemistry \_\_\_\_\_

**Question #4:** Do you prefer a filter or a non-filter cigarette?

Answer: Filter \_\_\_\_\_ Non-filter \_\_\_\_\_

**L&M UNLOCKS FRIENDLY FLAVOR**

... Flavor that never dries out your taste.

Get the flavor only L&M unlocks ... in pack or box

**L&M Campus Opinion Answers:**

Answer, Question #1: Yes 61% - No 39%

Answer, Question #2: The biggest 7% - Pretty big 55%  
Not so big 32% - No help at all 6%

Answer, Question #3: Electronics 14% - Solid state physics 5%  
Advertising 8% - Politics 1% - Law 7%  
Business administration 12%  
Chemical engineering 8%  
Medicine 26% - Sales 4%  
Industrial design 1% - Architecture 3%  
Mathematics 2% - Psychiatry 5%  
College teaching 3% - Biochemistry 1%

Answer, Question #4: Filter 73% - Non-filter 27%

With almost three out of four college students now in the filter camp, you owe it to yourself to try L&M, the filter cigarette that promises—and delivers—flavor. The friendly flavor of ripe, golden tobaccos ... flavor that never dries out your taste.

The L&M Campus Opinion Poll was taken at over 100 colleges where L&M has student representatives, and may not be a statistically random selection of all undergraduate schools.
