

Fish Combine Pitching, Slugging For 8th Win

Behind the power hitting of Robert McAdams and Rutsy Uresti, the Fish baseballers strutted to their eighth consecutive victory of the season as they downed Wharton Junior College on Kyle Field yesterday, 6-3.

The Fish jumped off to a quick lead and led 4-0 after only two innings of play.

Chuck McGuire, the big chunker

from Dallas, became the first Fish pitcher to go the required nine frames. He now has a 3-0 record for the season. McGuire gave up only seven hits to Wharton.

In the first inning, McAdams clouted a three-run homer to account for his best showing in several games.

After one man was out in the

second frame, Uresti smashed a towering drive over the left field fence for one run.

Roger Crouch, one of the most consistent hitters on the squad, lead the Fish in hitting as he managed two hits out of four trips to the plate.

The one only other home run hit in the game was by Wharton's Fred Deutrich, who played on the Fish football and baseball teams last year.

Fish Coach J. B. Carroll said his boys hit the ball real good against Wharton and their batting eyes are still sharp. "Dave Johnson hit the ball as hard as anyone yesterday only they were at someone each time," Carroll said.

The biggest Fish game is coming next Wednesday on Kyle Field when the Texas Shorthorns invade Aggeland. Carroll said, "The boys are really looking forward to the Shorthorn game and have been for the last couple of weeks." Richard Beller, who has a 3-0 record, will start on the hill for the Fish.

Aggie Golfers Take Conference Lead

The Aggie golf team has moved into an unofficial lead for the Southwest Conference for the second straight year.

At present the Cadet record stands at 18½ winning points compared to 5½ points given up.

A&M lost their first match of the season last Monday in Fort Worth as the Texas Christian Horned Frogs topped them 3½-2½.

Following the Aggies in conference play is Texas Tech which holds down second place with 15½-1½. The Red Raiders gained this position Monday as they beat the Baylor Bears in Lubbock, 4½-1½. Baylor is in the number three slot with a 14-10 record.

The Aggies were scheduled for a match in Denton yesterday afternoon, but the match was called off because the North Texas State golf captain was killed in an automobile accident.

The conference golf season is already past the halfway mark with only three teams left to play besides the SWC meet that will be held in Houston May 11-13.

Next Saturday the Cadets will play host to Baylor on the A&M

golf course for the first home match in over two weeks.

The remaining two matches will be completed next week. Monday, A&M will meet the Rice Owls in Houston and return home again May 6 for the final regular match with Texas University before going to the SWC meet.

INTRAMURALS

Intramural sports was again divided between softball and tennis yesterday as six games were played in tennis and four in softball.

In Class C Softball, College View downed Hart Hall by the score of 4-1; and Walton Hall won over Law in a slugging battle, 11-10.

In the only game played in

Class A Softball, G-3 edged past H-2, 9-8.

G-2 topped F-2 in the only game played in Class B Softball.

In Class B Tennis, H-1 blanked Sq. 4, 3-0; Sq. 12 whipped D-1, 2-1; E-1 slipped past B-2, 2-1; H-2 won over I-2 by forfeit; W-Band whitewashed Sq. 2 to win, 3-0; and Sq. 3 won a close one over Sq. 7, 2-1.

Records To Be Scarce In AA HS Track

By The Associated Press
Records will be scarce and the fight for the championship close in the Class AA Division of school-boy track next week in Austin.

Taylor, through strength in both relays, appears the most likely winner. But Ft. Stockton and Iowa Park are good enough that either could make it a terrific fight.

Taylor doesn't have a first place potential except possibly in the 440-yard relay, but most certainly a second place finish there.

Taylor also looks good for second in the mile relay.

The relays count more points than the individual events. Fort Stockton has the best time in the state in the mile relay—3:24.3—and qualified a team in the 440-yard relay.

Iowa Park was the Class A champion last year and has moved into the next higher classification with a fair point potential.

Stamford looks like the best 44-yard relay entry. Its time was 43.5 in the regional meet and that's just one-tenth of a second over the record.

Bobby Gilbreath of Iowa Park may be the only double winner. He leads the state in the high hurdles with 19.3, a tenth of a second over the record, and in the broad jump with 22 feet 6 inches.

The only record that appears virtually certain will come in the discus throw where Richard Neison of Mansfield has a throw of 168 feet 7 inches. The record is 163-11.

Pro Grid TV Plans Start

By The Associated Press
SAN FRANCISCO — National Football League owners convene here today to formulate television plans and devise methods of re-stocking clubs in case of a major disaster.

If they were bringing fireworks to this annual meeting, they were well hidden.

There was an indication the NFL might move up its draft dates this season. In accordance with

a request from the National Collegiate Athletic Assn., the NFL delayed drafting collegiate talent after last season. But the new and rival American Football League drafted early, giving it several weeks to contact its choices before the NFL made its selections.

Some of the NFL owners favor a television package deal with one network handling all of it. The new AFL had such an arrangement with ABC for televising its

games last fall. In the 13-member NFL, which expands to 14 this year, 11 clubs had contracts with the Columbia Broadcasting System, one with the National Broadcasting Co., and the other with an organization called Sport Network.
