

# Golfers And Netters Compete At SWC Meet In Houston

At 8 a.m. this morning at the Riverbend Country Club in Houston, the Aggie Southwest Conference golf champions teed off to compete for "extra" honors.

The Aggies, who won the conference in '60, took the title again this year when they defeated University of Texas here last Saturday.

The Cadets won the golf team title last year and two of the star players, John Lively, Jr., and Dickie Duple, shared the individual crown with Texas' Terry Dill. Not since 1954, when Joe Bob

Golden and his Texas mates swept the honors, has an institution achieved such a monopoly in golf.

For four seasons, 1955-1958, the champion golf teams were denied any part of individual honors. Golf honors, for the past seven seasons have been distributed so well that every team in the league has won either a team title, an individual

crown or a share of it.

Jerry Martindale, Lively and Duple, who were all three members of the 1960 Aggie championship team, will compete once again with five of the eight other leading scorers of last year's 72-hole medal tournament.

Ralph Johnston, leading Aggie golfer, is heading the list of individual golfers in the conference, having won seven out of seven matches. He is the only player in the league who has gone through round-robin play without losing a match.

Accompanying the golfers to the Houston meet will be the Aggie tennis team, which has not fared so well this season.

The varsity netters in conference play wound up with 4 points out of a possible 36. They finished the season in fine style though by downing the TCU Frogs here last Saturday.

Richard Halter is the leading singles player for the Ags and Halter, along with Jerry Foster, are heading the doubles.

Competition for the netters started at 9 a.m. this morning on the Rice University courts.

## FROM THE Sidelines

By Larry Smith

What promises to be the most exciting baseball series of the season is scheduled on Kyle Field Friday and Saturday as the league leading Texas Longhorns invade Aggieland.

All season long the old baseball stadium has been lacking in fans and a capacity crowd has not witnessed a game there since the Cadets won the SWC crown in 1958.

Coach Tom Chandler's workmen have done a creditable job this season in spite of seven defeats in conference play. Again the main problem on the baseball squad has been untimely injuries to outstanding pitchers. Ed Singley, who pitched a no-hit, no-run game last year as a Fish, suffered a pulled rib muscle during the first half of the season and is just now coming around into top form. Olen Jordan also suffered an angle injury that has hampered him most of the spring.

Even though the hurlers have received their lumps, they have pitched masterfully on several occasions. Bob Collins chucked a four-hit shutout against the SMU Mustangs for the finest performance of the year.

The hitters have been the major strength of the ball club since the beginning. With such sluggers as Byron Barber, Stuffy Davis, Terry Cobb and others, the Cadets have held their own against some of the best teams in the nation. Between the three above hitters, they have slammed 20 homers and have driven home 70 runs.

The Aggies have compiled a 13-9 record this season and a 5-7 mark in SWC competition. The tie game with Texas on March 17 does not count in the standings. Texas has a 20-2 record this season and a 10-1 recording in conference play. They are ranked in the top ten collegiate baseball teams this spring.

This series will be almost a must for the 'Horns as Baylor is breathing down their backs in the fight for the conference title. After the Aggie games, Texas meets the Bears for a vital pair.

Since this weekend is a big one and many visitors will be on the campus, there would not be a better place to be on the afternoons of May 12 and 13 than at Kyle Field watching the contests between these two rivals. Come on out and yell for the Aggies. The old stadium needs a filling and what could be a better way to climax the baseball season than to win a couple from the Teasips before a full house? Game times are: 3 p. m. on Friday and 2:30 p. m. on Saturday.
