

# Fowlkes, 33, Runs Century In Fabulous Time Of 9.6

# Army - Air Force To Engage Tonight In Twelfth Man Bowl

Tonight is the night when the Army and Air Force gridders prepare to do battle on Kyle Field as they clash in the annual Twelfth Man Bowl classic at 7:30 p.m.

After several weeks of practice in the hot humid weather, which is so abundant around here, the two teams will be showing what they have learned.

Coaches for both teams are very pleased with the way their boys have come along during the little

time which they have had to work with the boys.

The head men who have been teaching the Army the correct tactics to use are Teddy Jack Estes, Paul Piper, Ralph Smith, Joe Bob Johnson, Larry Broadkus and Bob Caskey. Estes, Broadkus and Caskey have been working with the backs while Piper, Johnson and Smith have been handling the chores in the line.

"We have made one change in the backfield which we think will help us," Estes explained. "Fred Schmidt has been moved from righthalf to lefthalf."

eleven are all in high spirits over the enthusiasm that their boys have shown.

The staff for the Airmen include Carter Franklin, Bob Phillips and Wayne Freiling who have been coaching the linemen, along with Jon Few, Eddie Van Dyke and Daryle Keeling, who have been teaching the backs.

"I don't think we can pick out any one individual who has been looking the best in practice because they have all been doing real well," Franklin remarked.

Our boys have shown fine progress this week even though we lost a couple of players because of injuries the coaches stated.

"If our quarterbacks will come through on their play calling tonight we should do real well," Few commented.

In both training camps spirits are high and all seem to think that their team will win so it should be an exciting game.

Probable starters for both teams are:

### LINEUP

**Army**  
 LE—Jim Davis  
 LT—Ray Whitmire  
 LG—Jim Garrett  
 C—C. E. Symm  
 RG—J. B. Hansard

# Aggie Athletic Teams Will Be Very Busy This Weekend

The Aggie athletic teams will have a busy weekend Friday and Saturday as the freshman and varsity track squads travel to Houston for the big Southwest Conference Meet, and the Fish baseballers invade Austin for a return bout with the Texas Shorthorns.

Probably the most exciting event will take place here on Kyle Field as the varsity baseballers take on the league leading Texas Longhorns. It is impossible for the Ags to win the SWC crown, but they can sure put the damper on the 'Horns and prevent them from taking top honors.

**Spence Starts**  
 Mike Spence, the big right-hand-

er from Dallas, will start on the mound for the Ags in the first game Friday. The starter for Saturday's contest is still indefinite, but Bob Collins is the likely man.

Five seniors will be playing their last game Saturday. They are Don Costlow, a pitcher from Lufkin; Randy Wortham, catcher from New Boston; Dick Hickerson, first baseman from College Station; Byron Barber, left fielder from Dallas; and Stuffy Davis, centerfielder from Corpus Christi.

Over in the capital city, the Fish take along their unbeaten streak as they try the Shorthorns in the last game of the year. They whipped the highly-touted Shorthorns here on May 2, 5-1. Going into the game, the Fish have compiled a 10-0 record for the season.

Big Chuck McGuire who has a 3-0 record is scheduled to start on the hill for Coach J. B. Carroll's men.

in Austin. He is not expected to compete.

**Man Mountain**  
 The man-mountain, Danny Roberts, could win three first for the Fish in the shot put, discus and the javelin. The shot put record of 51-10 by Texas' Jim Allison set in 1958 appears doomed. Roberts has bettered the mark in every meet this spring with his best toss being 54-4.

Other Fish who may win blue ribbons are Sprinter Ralph Martin and Quarter-miler R. E. Merritt.

By The Associated Press  
 ATLANTA—If you don't think Douglas L. Fowlkes is an unusual fellow, suppose you start listing all the people you know who are 33 years old and can run 100 yards in 9.6 seconds.

Buddy Fowlkes, 33, father of three young sprinters, full-time paint contractor and youth worker, did it last week in the Florida AAU meet when he took six young members of his Atlanta Striders team to Gainesville and beat the University of Florida and Florida

freshmen track teams. His 9.6 performance in the 100 tied a meet record.

Next week the former Georgia Tech dash man, hurdler and broad jumper will attempt to match his amazing 9.5 performance of a year ago in the Georgia AAU meet.

Fowlkes won the Southeastern Conference 100-yard dash 14 years ago. In a four-year college career he amassed 50 points in SEC meets, an all-time conference record.
