

One Record Falls, Another Tied in Intramural Track

The Class A intramural shot-put record was broken and the Class B mark tied yesterday as the annual intramural track meet went into its second day.

Jim Phillips of Co. M-2 came through with a toss of 54-11 to crack the old class A shotput record of 54-5 set by Gale Oliver in 1959. Ray Kubala of M-2 managed to tie the old Class B mark of 52-4 set by Ken Hall in 1955.

The finals were also completed in both the Class A and B broad jump. Bob Caskey of Henderson Hall took the honors in Class A with a lead of 20-5 while Jim Linnsteader of Co. M-2 won the Class B with 20-9.

Other winners in the Class A shot-put were Hopkins of Co. M-2, 50-5; Vilcoq, Co. H-1, 48-8; Pruett, Co. H-2, 45-11; and Shawver, Hart, 45-4.

Class B shot finalists were Evans, Co. M-2, 51-7; Sherrill, Co. F-1, 48-9; Orts, Co. C-1, 43-9, and Smith, Co. E-2, 42-2.

Following Caskey in the Class A broad jump were Connor, Sq. 14, 20-0; Young, Co. M-2, 19-6½; Mills, Sq. 5, 18-1; and Mayo, Sq. 11, 18-11½.

In the Class B top five broad jumpers were Cox, Co. M-2, 20-7½; Dresser, Co. E-2, 19-4½; Smith, Sq. 14, 19-2; and Garcia, Co. L-2, 19-0.

Preliminaries were also run in the 440-yard run and the 440-yard relay yesterday.

The first and second place winners in each heat of the 440-yard run were given the nod for the finals. In the Class A division the heat with Garrett of Sq. 3 and McGinty of Co. G-3 had the best time with 51.8. The top time in the Class B 440 was 52.0 with Crowder of Sq. 16 and Christilles of Sq. 17 coming in first and second.

The top seven times in the relays qualified for the finals. Henderson Hall was out front in the Class A division with a time of 45.2. In the class B relays Co. M-2 had the best qualifying time with 45.7.

Out!
An unidentified Texas Longhorn is nipped at first base during the game on Kyle Field last Saturday. Texas went on to win the game, 15-5. No. 19 is the Aggies' big first sacker Dick Hickerson.

Sports Barbecue Thursday At Grove

Aggie athletes in six sports will be honored here Thursday at the annual sports barbecue co-sponsored by the Brazos County A&M Club and the A&M College Athletic Council.

The stag affair will be held at The Grove on the campus at 6 p.m.

Morris Frank, noted columnist for The Houston Chronicle, will be master-of-ceremonies.

Squadmen in the sports and their coaches to be recognized include Bob Rogers, basketball; Charlie Thomas, track; Tom Chandler, baseball; Henry Ransom, golf; Omar Smith, tennis; and Art Adamson, swimming.

A&M Athletic Director Jim Myers, under whose guidance sports other than football have increased in popularity on the A&M campus, will speak as will officials of the Brazos County A&M Club.

UofNC Officials Meet To Discuss Recent Scandals

By The Associated Press
RALEIGH, N. C.—Officials of the greater University of North Carolina met for two hours Tuesday to discuss the basketball fix scandal uncovered at the university's two major units.

Meeting with consolidated university President William C. Friday were chancellors John H. Caldwell of N. C. State and William B. Aycock of the University at Chapel Hill.

After the conference Friday would only say, "We met for two hours today, but we did not reach any final conclusions. We are going to meet again tomorrow morning."

Out of their conference will come a report Friday will make to the consolidated board of trustees which meets here next Monday.

Meanwhile, District Solicitor Lester V. Chalmers flew to New York to confer with Dist. Atty. Frank Hogan about a possible connection between the national basketball point-shaving scandal and the arrest of three N. C. State players on fix charges.

The N. C. State players—Capt. Stan Niewierowski, Anton (Dutch) Muehlbauer, and Terry Litchfield—were charged with taking bribes for shaving points in games last season.

Baseball Tournery In Austin June 6-7

By HAROLD V. RATLIFF
Associated Press Sports Writer

The last shots of the sports year in Texas high schools will be fired at Austin June 6-7 with the annual baseball tournament.

Baseball is the weakest of Texas interscholastic League major sports. There are only 660 schools playing the game. The state tournament doesn't draw too well. Even with baseball hot Seguin, which is close to Austin, in the tournament last year the three-day affair had only about 5,500 attendance.

Opponents bring up the question of the coach's pay for working in the summer, that summer baseball will interfere with vacations and will keep the boys from jobs during the summer.

Some of the schools, however, run for 11 months out of the year and pay salaries for that time, so the coach's pay would not be a problem. A month's pay for a coach wouldn't sound like much for the other schools but three or four hundred dollars means plenty to some.

Compared to this is over 50,000 for the state basketball tournament, 20,000 for the state track meet and 30,000 or more for the state football championship games. When there was only one or two divisions in football the final games reached as high as 47,000.

Short Season

What is the solution for baseball? Some of the schools think it would come if the season was continued into the summer, say through June. Baseball has a very short season. It begins in mid-April and runs only about six weeks. It can't be started any earlier because of the weather situation and it can't be run any longer because school is out.

Advocates of summer baseball says its advantages are that the students will suffer no loss of school time, that final examinations and graduation are out of the way and that baseball continued into the summer will mean no interference with or from track and spring football.

It would appear that summer baseball for the schoolboys would prevent trouble with the Interscholastic League's amateur rule. This rule forbids a boy from playing on a team with any paid player, says he must not receive expense money for travel, meals or lodging but that the expense money must be handled in the same way that the high school coach would handle the funds. He can not accept money from the gate receipts; even a collection taken up for his hitting a home run or doing something outstanding can not be accepted.

Big Blocks

There are some big blocks in the way of summer baseball for the high schools but that does see to be about the only thing that might put this fine sport on a strong basis. The games should draw good attendance, especially if played at night, and it seems reasonable that more schools might participate if it should be extended into the summer.

Each American League team will make three trips to Los Angeles this season to play the Angels, one of two new teams in the circuit.
