Maj. Leland L. Stevenson, Assistant PMS at Texas A&M is serving as company commander at the Reserve Officers Training Corps summer camp at Fort Lee, Va. The Cadets are Quartermaster Corps and Transportation Corps students from colleges and universities in part of the East, Midwest and Southeast. In the picture Major Stevenson (left center) is shown conducting Major Gen. Alfred B. Benniston, commanding general Fort Lee and the Quartermaster Training Command, on an inspection of the Mess Hall.

**J. B. Carroll Named Head Coach at Brazosport High**

J. B. Carroll, last year's Aggie Fish baseball coach, has been named head baseball coach at Brazosport Senior High School for the coming year. Carroll will replace June Davis who resigned last spring. Carroll, who graduated from A&M this past spring, will move in this fall as head baseball coach and his teaching assignment will be a physical education instructor in the Senior High School. Baseball is nothing new to J. B. Carroll, the new Exporter baseball coach. He lettered in baseball at Texas A&M in 1957, 58, 59 and 60. He served as captain of the Aggies' team in 1960 and the team on which he played in 1959 won the Southwest Conference.

Carroll has played baseball during each summer, too. This summer he is playing with the Loydminister Meridians of the Western Canadian Baseball League in Loydminister, Alberta Canada. In 1958, during the summer, he played in the same league with the Regina Braves; in 1959, with the Mitchell, S.D., team in the Basin League; in 1960, he played with the Saskatoon Commodores of the Western Canadian League and was named that year on the All-Star team. He majored in physical education while in A&M with a teaching minor in biology. He served as president of the Letterman's As-

sociation at A&M during the school year of 1960-61. During the last baseball season at A&M, Carroll coached the A&M freshman team. He had a record of 10 wins and only one loss. Being too short was the key to Carroll's start as a baseball player at A&M. "He was too short to play college basketball so he went out for the baseball team," said George Carroll, father of the Aggie third sacker. Besides being an all-district basketball player during his junior year at Consolidated High School, the 5' 7" infielder was also outstanding in football, baseball and track.

**Aggie Football Team Causing a Lot of Talk**

By HAROLD V. RATLIFF Associated Press Sports Writer For a school that hasn't won a conference game in two years and has a record of only eight victories in three seasons while losing 19 and tying three, Texas A&M's football team is causing a terrific amount of talk these days. Critics who saw the Aggies' spring training game were enthusiastic over prospects for making a comeback to Southwest Conference football next fall. Professional scouts also branded the Aggies as among the best-looking teams in the league.

Even Coach Jim Myers has "cautious optimism." He believes the Aggies will be much stronger this year due to experience, more depth, better passing and better kicking. Those take in just about everything except team spirit and the Aggies have never been lacking in that. Myers has been the head coach best showing the first season, 1958, for three years and he made his when he had a 3-3 conference record and a 4-6 mark over the route. In 1959 and 1960 the Aggies never won a conference game although they tied three last year, actually

giving them 1 1/2 games won. The worst Aggie season since 1954 was last year when they took only one game, lost six and tied three. However, there was only one showing that might be considered bad—a 17-0 licking by the University of Houston. The Aggies gave the best of them a tough tussle, as witness the Arkansas game in which A&M fought the eventual conference champions down to the last gun before losing 7-3. It has been five years since the Aggies won the conference title. That was 1956.

**A far cry from the forty-niner with his pick or his pan**  
This man listens through earphones for the clatter of exploding atoms. Otherwise, he must follow the tortuous path of the prospector. Uranium, like gold, is where you find it . . . high on a cliff . . . deep in a chasm . . . anywhere. There are spiritual riches to be found in life—by those with the determination to seek them. But don't make the common mistake of assuming that one Sunday in Church should satisfy the search. Spiritual riches come gradually with religious growth. As a family makes worship and religious study part of everyday living, the treasures of God begin to accumulate in the character and experience of that family. You'll probably be disappointed if you merely give religion a try. But your earnestness will be rewarded when you make Christianity the foundation of your life.

**THE CHURCH FOR ALL . . . ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
