## Yell Practice To Open Big Football Weekend

### Fullbright Applications Available

Information blanks and applications concerning procedures for competition for 1962-63 Fulbright awards are now available in the office of Dr. J. M. Nance, campus Fulbright advisor, 203 Nagle Hall.

The Fulbright program offers an opportunity for graduate study abroad to those students who have demonstrated in their undergraduate careers and through graduate work already begun, the ability to pursue advantageously advanced study.

Two types of award are available for graduate study under the Fulbright Act: one as a complete award and one as a partial award, for travel only.

Each is paid in the currency of the participating country and is made for no less than one full academic year. During that time, grantees are required to be affiliated with an approved educational institution abroad.

Under the Smith-Mundt Act, a limited number of grants are made by the U.S. government for study abroad.

Thirty-two countries will participate in grants for 1962-63, and Inter-American Cultural Convention Awards are available for study in 20 Latin American countries.

Supplementary travel grants have been established for ten countries, and four new countries, Argentina, Burma, Korea and Portugal, have joined the list of participating countries since last year.

It is anticipated that grants will be available for graduate study for the academic year 1962-63 in certain Latin American countries. Awards to Latin America under the Smith-Mundt Act provide travel, maintenance and tuition.

Deadline for submitting an application is Oct. 20. Anyone not enrolled at an institution at the time of application should apply in the at-large category and file their application direct to the Institute of International Education, 1 East 67th Street, New York 21, N. Y.

Regardless of the classification in which the applicant may fall, Nance requests that those interested in making application or in learning more about the various programs in international education for 1962-63 should feel free to contact him.

### Century Council Adjourns Ready To Begin Work

By BOB SLOAN  
Battalion Editor

Initial meeting of the Century Council was concluded today as members began heading home with outlined "plans of action" for the two-year Century Study.

The 100 outstanding Texans on the Council will study and evaluate ways A&M can best meet the needs of the people of Texas during the next 15 years. The 1976

target date for the Study will also be the College's centennial year.

Appointed Aug. 1, the Council met the first time for an organizational meeting on campus Thursday and Friday.

A banquet in the Memorial Student Center Thursday night and an assembly this morning made up

a "Forecast Conference," a part of the organizational session of the Century Council designed to provide members with a background of some of the conditions which may influence higher education in the Southwest over the next few years.

A keynote speech by Jenkin Lloyd Jones, editor of the Tulsa (Okla.) Tribune, touched off the Forecast Conference.

Attending the banquet were close to 75 of the 100 men and women appointed to the Council. Also present at the important kick-off banquet were several college officials, including Chancellor M. T. Harrington, President Earl Rudder, Chairman of the Board of Directors Eugene B. Darby, and deans of the College. Dean of Veterinary Medicine A. A. Price presided.

Also present were State Sen. William T. (Bill) Moore and State

### Aggies, Cougars Battle Saturday

Starting another season of big weekends for A&M, mid-night yell practice tonight will kick off events and festivities for the University of Houston football game Saturday.

To be held in Kyle Field, the yell practice will get underway at 11:45 p.m. A new route of march has been planned for the band and

Corps of Cadets, starting in the quadrangle between Dorms 9 and 10.

Heading north down the quadrangle, the band, First Brigade, First and Second Wings will turn left past Dorm 2 on Lubbock St., wing down Coke St., back up Throckmartin St. to the Trigon. There, they will head west to Military Walk, head north down it to Old Main Drive, and then West to the intersection of Old Main and Jones Street.

At this point, members of the Second and Third Brigades will fall in behind the band, and the procession will continue around Jones Street and into Kyle Field. The field will be entered at the main gate, and students should move into the stands on the east side.

After a first night of festivities, members of the Corps of Cadets will attend drill Saturday from 7 a.m. to 10 a.m.

First call for the Cadet Corps passby in Kyle Field Saturday will be at 6:12 p.m. Units will move onto the track at Kyle Field at 6:30 p.m.

The last unit must clear the track by 6:50. Order of march will be the band, Corps Staff, First Wing, Second Wing, First Brigade, Second Brigade, Third Brigade.

Starting at 7:30 p.m., the Aggies meet the University of Houston in the first football battle of the season. U of H has tied A&M once, 14-14 in 1953, but has never outscored A&M in Kyle Field.

In an effort to promote better sportsmanship between the two schools, the executive committee of the Student Senate has arranged to meet with student leaders and administration members from the University of Houston Saturday afternoon.

Meeting in the Memorial Student Center, the group will include retiring Dean of Students and Mrs. Williamson of the University; Dr. Johnson, the new dean, and his two teen-age sons, and Assistant Dean Michell and his wife, along with Wayne Desens, president of the Houston student body, and Otto Crenwede, vice president.

Lovel Hill, head U of H cheerleader, and three other cheerleaders, will be present. Representing A&M yell leaders will be Head Yell Leader Jim Davis.

Also from A&M will be Dean and Mrs. James P. Hannigan and Mr. and Mrs. W. D. (Pete) Hardesty.

The group will meet in the Memorial Student Center at 5:15 p.m. and have dinner together.

Following the football game, the year's first All-College Dance is scheduled in the Memorial Student Center Ballroom.

The Aggieland Combo will play for the dance scheduled from 9:30 to 12 p.m. Tickets will sell for \$1.25, stag or drag.

### Medical, Dental Exam Applications Available Here

Students desiring entrance to medical and dental schools in the fall of 1962 may now make application to take the required tests.

A medical college admissions test will be administered at A&M Oct. 21. The deadline for receipt of applications by the Psychological Corp., 304 East 35th St., New York 17, N. Y., is Oct. 6.

Applicants to dental school may take the required aptitude test Oct. 6-7. All applications must be sent to the Division of Educational Measurements, 222 East Superior St., Chicago, Ill., by Sept. 22.

### Dorm 6 Wins Sign Contest

Judging of football signs began this week as Squadrons 1-2 in Dorm 6 won the contest.

Regulations concerning the unit football signs ask that no profanity or obscenity be expressed or implied on the signs and that they be neat, imaginative and attractive. Size is limited to 10' x 16' and the rules state that they must be hung from windows or window hooks.

The only other restriction in the contest is that no more than one football sign be displayed on each dorm.

### STUDENT SENATE

## Six Constitutional Changes Proposed

Constitutional revisions and proposed personnel for committees highlighted activities at last night's first Student Senate meeting of the school year.

Six changes, some minor and some major, were suggested for organization's constitution. The senators moved, however, to delay study of the changes last night and vote on them at the next scheduled meeting.

Volunteers were placed on each of the Senate's four committees to fill vacancies. The executive committee, comprised of the president, vice president and recording secretary, is already completed. Senators and their respective committees are:

Issues Committee: Norman Sad, chairman; George Wiederanders, Joel Ridout and Bill Inhart.

Student Life Committee: Ken Lee, chairman; Louis Zaeske, Joe Mason, Mike Carlo, Joe Lindley, and Miss McIntosh and Gabriel Navarro.

Student Welfare Committee: Ken Anthis, chairman; Ken Stanish, Lawrence Christian, Howard Sad, James Ray and Gary Anderson.

Public Relations Committee: Mes Carter, chairman; Zay Gilgath, Bill Barnhart, Jim Davis and Larry Gayle.

Constitutional changes were: The phrase reading, "four freshmen will be elected by Basic Division students immediately following issuance of the November election reports to serve as class officers," was changed to incorporate the words "freshman class" instead of "Basic Division students."

Then a proposal to make the resident of each class and the head yell-leader ex-officio members was brought up for consideration. The head yell-leader would also automatically be a member of the public relations committee.

It was pointed out that the class officers would be able to send non-voting representatives, since visitors are always allowed at all Senate meetings.

Under the constitutional provision outlining the president's duties, he was made responsible for providing an Honor Code appellate court to hear appeals of suspensions or dismissals.

The Senate's permanent files will be moved to the new Student Senate Office, formerly occupied by the director of student affairs. The civilian student council will also share this office.

The final constitutional amendment proposed would send actions needing higher authority and all voting results to the dean of students. The present constitution sends these matters to the dean of student personnel services, an office since abandoned.

In other business the Senate voted to provide name tags for senior ushers at Kyle Field football games. The tags will be white cards in plastic cases now used for different special occasions to identify students for campus visitors.

John Anthis, chairman of the student welfare committee, told the senators 1,784 applications for the Senate's student insurance plan had been received as of yesterday morning. The applications, which can be submitted up to Oct. 1, were passed out at both freshman and upperclassman registration.

Ken Joyce, chairman of the student life committee, presented the senators the tentative seating arrangement for Kyle Field football games. The group will vote on a permanent arrangement at the next meeting.

Joyce emphasized that if the 7,643 seats are not used during the first three home games, a section will be made available to the public for the Thanksgiving University of Texas game.

ment is basically the same as those used at Kyle Field during past football seasons. (Drawing by Jim Earle)

## 7,643 Kyle Field Seats Reserved

A total of 7,643 seats will be available for students and their dates at Kyle Field this coming season. According to Kenneth Joyce, chairman of the Student Senate Student Life Committee, the seats reserved for students will begin at the fifty yard line in the east stands and extend into the north end zone seats.

All students are urged to have their dates meet them in the proper section of the stands to avoid confusion, said Joyce. He also added that no one will be admitted in the student seating section unless that have a student activity card or student date ticket.

He said students and their dates will be expected to sit only in the seating section reserved for the student's class.

Civilians will be admitted to their respective sections by showing the Kyle Field seating card issued them when they paid their student activity fees during registration.

Ropes separating the sections will be taken down after the kickoff as in the past, stated Joyce. This means that once a section is filled the ropes will be removed and everyone may move over if they desire.

Seniors will have 3,000 seats available extending from the 50 yard line to the 15 yard line.

### Placement Office Meetings Planned

The first of two group meetings scheduled by the placement office for graduating students will be held in the ballroom of the Memorial Student Center at 4 p.m. Tuesday.

The meeting will brief the students on the current employment situation and cover the operation of the placement office.
