

# UH Cross Country Teams Defeat Varsity And Fish

The University of Houston's cross country team continued their almost monotonous winning ways Saturday, defeating the Varsity, 18-39, and the Fish, 15-42.

Houston was last year's NCAA cross country champion, and Saturday's victory was the 37th in 38 intercollegiate meets over a five-year span.

Cougars Barrie Almond, Pat Clohessy, and Geoff Walker finished the two-mile course in a three-way tie for first. Their time was 9:18, a good time for this early in the season.

Top Aggie performance was turned in by Ilhan Bilgutay, of Istanbul, Turkey, who finished the two-mile course in 9:27. Bilgutay was participating in his first varsity meet since becoming eligible this year.

Houston's Laurie Elliott won the freshman division in 9:34.

Top Fish performer was Herb Campbell, who finished sixth with a time of 10:14.

# Drouth Is Broken!! Cadets Trample Red Raiders, 38-7

By LARRY SMITH  
Battalion Sports Editor

New stars—the kind that Aggie coaches and fans love to see—sprouted up all over the place last Saturday night in Jones Stadium as the Aggies broke the drouth with a downfall of points and humbled the lowly Texas Tech Red Raiders, 38-7.

History was in the making as it was the first Cadet conference triumph in 15 games and kept the Ags unbeaten in four appearances in Lubbock. The victory over the Raiders was the first league win since they defeated Rice, 28-21, in 1958.

A large crowd—with a bunch of Panhandle Aggies—was on hand to cheer their favorite team on to one of the sweetest victories in what seems like a decade. It also marked the first time the Aggies have scored over 34 points in a game since downing the Red Raiders, 40-7, in 1955.

Some of the new stars shone as brilliantly as the mid-day sun and were twice as hot—Ronnie Brice, Phil Peter, Mike Clark, Jerry Jenkins, and Jerry Garrison. Along with the new starlets, the old veterans continued to play their inspiring aggressive-type football that has won them so much respect in past weeks.

Jerry Jenkins, starting center and one of the veterans, had this to say about the victory, "Boy, it really did taste good and we liked it. We're going to sample that taste many more times before this season is over with."

One of the happiest men after the game was, of course, Coach Jim Myers, who simply said, "It is just the sweetest victory I've ever had." He continued to praise the performances of quarterbacks John Erickson and Ronnie Brice.

Another thing that boasted about the Aggie win was the tremendous passing attack staged by the quartet of Jim Keller, Erickson, Brice and Jim Linnstaedter who completed 12 out of 15 attempts. Not a single incomplete pass was thrown by the Aggies in the second half. Brice helped this by completing 5 out of 5 for two touchdowns.

The Red Raiders matched the Cadets in rushing with their big fullback, Coolidge Hunt, but they couldn't complete a pass against the "wide-awake" Aggies until the fourth quarter. In fact, going into the game, the Ags were number five in the nation in pass defense—something they have been lacking in past seasons.

After each team exchanged two punts early in the first quarter,

the Aggies started in earnest for the Raider goal line and never quit until they crossed it. Jim Murphy slashed over right tackle for the TD and Daryle Keeling booted the first of his five extra points. The big play in this drive was a 46-yard pass and run from Erickson to Linnstaedter.

From then on until the end, the Cadets were in complete control of the contest. Travis Reagan, a sophomore who is improving with each game, cut around left end for seven yards and the second score.

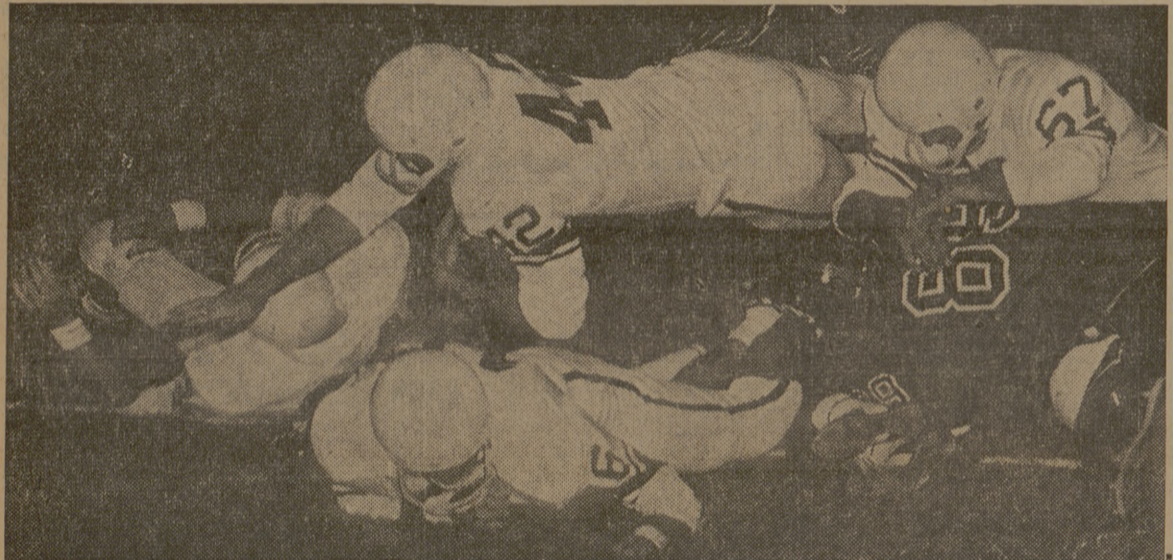

With 4:53 left in the first half, Mike Clark blasted a 36-yard field goal through the uprights and the Ags went to the dressing room at half time with a comfortable 17-0 lead.

The third period was scoreless even though Tech threatened to score only to fumble into the end zone. Bob Caskey was on the spot for the recovery.

Brice and Co. took over in the fourth quarter and racked up three more TD's while Tech was scoring their first of the long night (long for them). All of the Cadets' final quarter scores were on passes. Caskey took one from Brice from nine yards out. Linnstaedter passed to Franklin Fisher for 12 yards and another tally.

Phil Peter latched onto a Brice pass with only 1:01 left in the game and carried eight yards for the final score. The entire play covered 38 yards and was probably the most beautiful of the night.

Russell Hill summed up the victory with three words, "It was GREAT!"

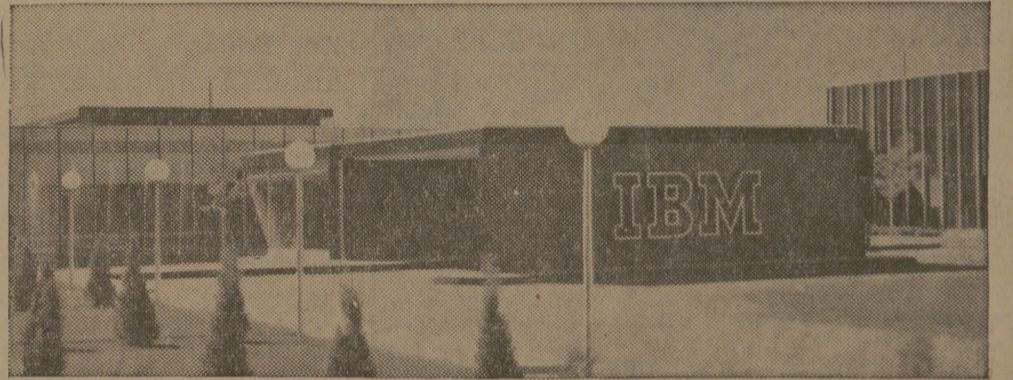

### Touchdowns Rain On Texas Tech

Halfback Jim Murphy lunges over the line on the back of quarterback John Erickson during the Aggies' heartening 38-7 romp over Texas Tech Saturday night. Full-

back Lee Roy Caffey is on his back at the left, while guard Walter LaGrone blocks Tech end Jerry Garrison at the right. (Photo by Johnny Herrin)

## IBM WILL INTERVIEW OCTOBER 17-18

Candidates for Bachelor's or Master's Degrees are invited to discuss opportunities in:

### Engineering

This is a unique opportunity to find out about the many career opportunities at IBM. The IBM representative can discuss with you typical jobs, various training programs, chances for advanced education, financial rewards, and company benefits—all important factors that affect your future.

### SOME FACTS ABOUT IBM

**An Unusual Growth Story:** IBM has had one of the exceptional growth rates in industry. It has been a planned growth, based on ideas and products having an almost infinite application in our modern economy.

**Diverse and Important Products:** IBM develops, manufactures and markets a wide range of products in the data processing field. IBM computers and allied products play a vital role in the operations of business, industry, science, and government.

**Across-the-Country Operations:** Laboratory and manufacturing facilities are located in

Endicott, Kingston, Owego, Poughkeepsie, Vestal, Yorktown, N. Y.; Burlington, Vermont; Lexington, Ky.; San Jose, Calif.; Bethesda, Md.; and Rochester, Minn. Headquarters is located in New York City with sales and service offices in 180 major cities throughout the United States.

The Accent is on the Individual: No matter what type of work a person does at IBM, he is given all the responsibility he is able to handle, and all the support he needs to do his job. Advancement is by merit.

The areas in which IBM is engaged have an unlimited future. This is your opportunity to find out what that future has to offer you. All qualified applicants will be considered for employment without regard to race, creed, color or national origin.

Your placement officer can help you to learn more about IBM. He can give you literature describing the many career fields at IBM. He will arrange an appointment for you with the IBM representative. If you cannot attend an interview, write or call the manager of the nearest IBM office:

**J. E. Russell, Branch Manager**  
IBM Corporation, Dept. 882  
2601 S. Main Street  
Houston 2, Texas  
Phone: CA 3-4721

You naturally have a better chance to grow with a growth company.
