7-6 VICTORY

Fish Enter Win Column; Squeak Past UH Kittens

By BOB ROBERTS
Battalion Ass't. Sports Editor
The Aggie Fish accomplished the most with the least last night on Kyle Field, squeaking past the University of Houston Kittens, 7-6.
Victory came the hard way for Coach Ty Bain's freshmen, as they were outgained by the heavier Kittens, 341 yards to 131.
Houston's offense ran roughshod over the Fish defense for three quarters, moving at will around the Aggie defensive ends. But time and time again the Fish rose up to hold the Kittens from the promised land.
The Fish could do little offensively the first half, making only

one first down to nine for the Kittens.
The third quarter was a repeat performance of the first two periods. Neither team could do much offensively, as the Aggies contained the Houston backs effectively most of the second half. So much improved was the Fish defense that Houston's Joe Lopasky, who had 102 yards on 12 carries the first half, wound up with 101 yards on 17 tries.
One threat was mounted by A&M in the third quarter when Center Pat Wash of Victoria intercepted a pass by Houston's Cox on the Houston 27. However, on the next play John Sparling of Jal, N.M., was hit hard and fumbled on an attempted end sweep. Randy Wilson of Houston recovered as the quarter ended.
Four plays later Higgins punted from his ten-yard line to A&M's Mike Pitman standing on the 50-yard line. Pitman caught the ball on the bounce, twisted away from several would-be tacklers, and cut for the west sideline behind a wall of Aggie blockers. Once in the clear he turned on the speed and outran two Houston defenders to

give the Fish a 6-0 lead. End Jeff Farmer converted to make it 7-0.
After an exchange of punts, the Kittens drove 55 yards in seven plays to score. Big plays of the drive were an 11-yard sweep by the quarterback, Cox, and a 25-yard pass from Cox to his end, Wilburn McDonald. Two plays later Cox went in for the score behind his right tackle. With 1:49 left in the game, Houston elected to go for two points and the win. Smith tried his left end but was met at the line by Fish defenders Mike Kohlman and Joe McIlhany.
Trailing with a little over a minute to play, Houston tried an onside kick which was picked up by the Aggies' Melvin Simmons, who returned it two yards.
Fullback Kohlman smashed through a mass of red jerseys for 16 yards and an over-enthusiastic Kitten cost his team another 15 for a personal foul. On the next play Meeks went over left tackle for 13 yards and another Fish first down. Two more smashes into the line by Kohlman used up the remaining seconds and the game was over.

Standouts Face To Face
A&M's Mike Pitman (24), stops Houston's return and Lopasky gained 101 yards rushing for the Kittens.
Pitman scored for the Fish on a 50-yard punt

WHO WINS: Aggie Who's Name and Address Is On Pack Drawn

Get on the BRANDWAGON ... it's lots of fun!

INTRAMURALS

Two tie games were played on the cold, wet fields yesterday in Class B football. Despite the weather, passing brought all the scoring in a 14-14 game between E-2 and G-1.

Quarterback Mike Calahan of E-2 threw a 15-yard pass to Roy Triesch for the first touchdown. Later Callahan connected with Triesch on a 60-yard play to set up E-2's second TD which came on the next play, a 15-yard pass to Mike Hopkins.

G-1 quarterback John Jones threw a 15-yard aerial to Bill Biggs for their first tally. In the closing minutes of the game, Jones intercepted an E-2 pass, running it back 30 yards to set up another score where he threw to Dick Voss for 20 yards.

Penetrations were equal for the

two teams.
In another tie game, 6-6, Sqd. 3 edged A-1 by a single penetration. In other freshman football A-2 defeated Sqd. 7, 6-0; B-1 beat Sqd. 2, 12-0 and F-1 won by forfeit over Sqd. 6.

SBOA Meeting Set For Monday

Brazos Valley's chapter of the Southwest Basketball Officials Association will hold its 1961-62 organizational meeting at Lamar Junior High School in Bryan on Oct. 30 at 7 p.m.

Ags, Bears Tangle In 'Must' Game At Kyle Field Saturday

Two teams who were upset last week, the Baylor Bears and the Aggies, battle it out on Kyle Field this Saturday in what should prove to be another "typical Southwest Conference game"—with the loser's title hopes being practically extinct.

The Bears were upset by Texas Tech 19-17 and are sporting a 0-2 record in SWC competition. Their other loss was to Arkansas. If the Bears lose to the Aggies, they will probably be tabbed as "the disappointment team of the SWC."

This contest will be a must for both teams. The Cadets are 1-1 in conference play and must win to stay alive for the championship. Practice this week for the Aggs. Ronnie Goodwin, the sophomore star halfback of last year, will also be back in top shape.

with only the left side of last week's line remaining.

New faces on the Aggs' starting team are Jerry Hopkins, Keith Huggins, George Hogan, Bobby Huntington, John Erickson, Jim Linnstaedter, Travis Reagan and Sam Byer.

Baylor, with probably the fastest backfield in the nation, has lost its last two games after playing well in the first contests. For the first two weeks of the season, the Bears were nationally ranked by the Associated Press.

Ronnie Bull, an All-America fullback candidate, is recovering from an injury and will be in top condition for the Aggs. Ronnie Goodwin, the sophomore star halfback of last year, will also be back in top shape.

The Bears have two fine quarterbacks in Ronnie Stanley and Bobby Ply. Both have completed more than 50 per cent of their passes attempted.

In the line, the Bruins have two outstanding men in Herby Adkins and Bill Hicks, guard and center, respectively.

Last fall in Waco, Baylor blanked the Aggies, 14-0.

Coach Jim Myers has respect for the Bears' passing. "The Bears have a great pass offense, and it will take a great effort by our defensive units to stop them," he said.

The big task this week in practice has been keeping the spirit "up," according to Myers. Game time is at 2 p.m. and a crowd of 25,000 is expected.

IS YOUR FUTURE WORTH A 20 MINUTE INTERVIEW?

If you are about to decide on your future employment and are graduating with outstanding scholastic achievement in engineering or the physical sciences . . . the Sandia Corporation would like to arrange an interview with you.

At Sandia, you would work in research, design and development, or engineering. Our scientists and engineers are engaged in projects in the fields of solid state physics, plasma physics, materials research, explosives technology, pulse phenomena and radiation damage.

You would work in a modern well-equipped \$100 million laboratory and be associated with some of this nation's outstanding technical personnel. You would receive liberal benefits which, in addition to insurance, retirement and vacation, include an opportunity for continuing your graduate studies.

You would be employed in sunny, dry Albuquerque, a Southwestern cultural center of over 200,000, or in our laboratory at Livermore, California, with all the advantages of the San Francisco Bay area.

OPENINGS AT SANDIA
At all Degree Levels
Electrical and Mechanical Engineers
at MS and PhD Levels
Chemical Engineers
Inorganic Chemists
Ceramic Engineers
Physicists
Physical Metallurgists

Organic Chemists
Industrial Engineers
Mathematicians
Statisticians
Physical Chemists
Engineering Physicists
Aeronautical Engineers

Sandia Corporation recruiters will be on your campus soon.* For appointment for interview, see your College Placement Officer now.

All qualified applicants will receive consideration for employment without regard to race, creed, color, or national origin.

SANDIA CORPORATION
ALBUQUERQUE, NEW MEXICO
LIVERMORE, CALIFORNIA

The Sandia representative will be on campus November 1-3
