

Alcohol Group Seeks Funds

(Editor's note: This is the third of a series of agencies that are participating in the College Station United Chest Fund Drive which starts today.)

The Brazos Committee on Alcoholism, Inc. is one of the agencies and it has a United Chest goal of \$300. The committee is a volunteer health agency devoted to increasing public understanding of the disease of alcoholism. It also tells the nature of alcoholism, its control, prevention and treatment.

Another agency is the Texas Rehabilitation Center which is located in Gonzales. The TRC serves both the young and old who are suffering from many types of crippling and disabling accidents and diseases.

Only two requirements are necessary for the admission to the Center—the person must be referred by a physician, and he must be capable of benefitting from the program offered.

The TRC is a non-profit organization created by Texans and dedicated to the needs of the handicapped.

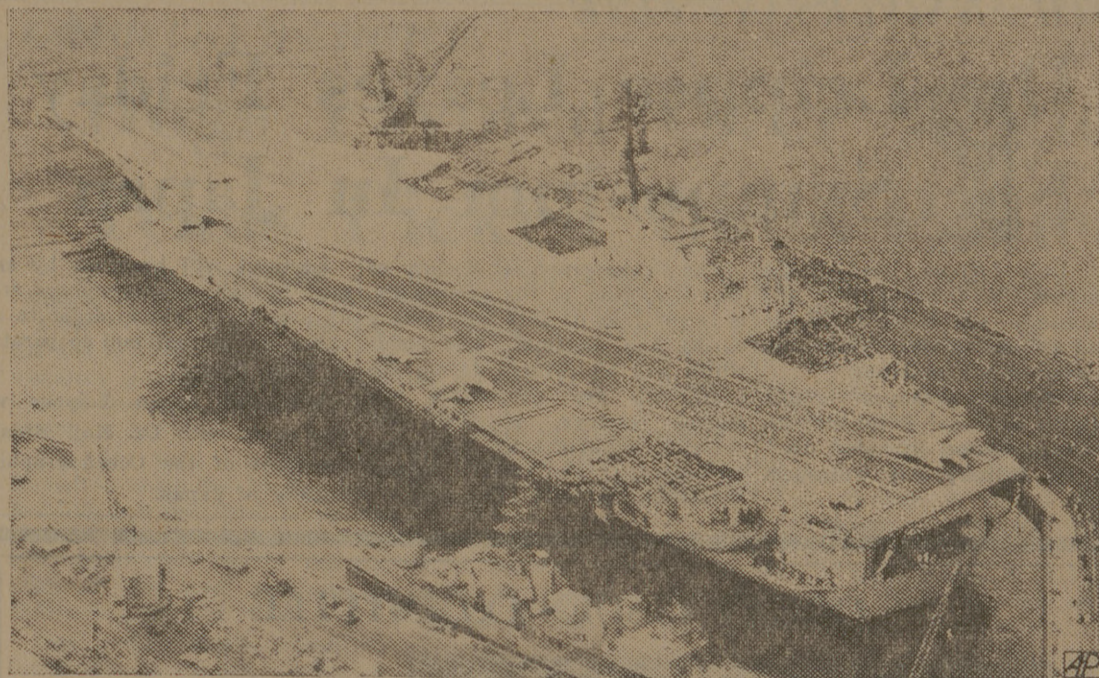

More than 120,000 persons in the United States serve on another of the agencies—The Salvation Army. It is a religious and charitable organization dedicated to the task of meeting the physical, emotional and spiritual needs of needy persons. The Army is ready in all types of emergencies.

The Salvation Army is sustained

primarily through voluntary public support, supplemented by fees and membership contributions. A Chest goal of \$750 has been set for the SA.

The College Station Recreation Council has been allotted \$1,700 by the Budget and Admissions Committee in the drive. The Recreation Council provides a diversified and effective program for all age groups of the City of College Station. Major emphasis of the Council is on summer programs.

During 1961 over 2,000 people took part in the 15 programs sponsored by the Council. In addition, several thousand were present for the annual July 4th picnic and fireworks display. Some of the programs offered by the Council are swimming, tennis, tumbling, bowling and Little League baseball.

Navy's Mightest Commissioned
This is an aerial view of the aircraft carrier Constellation during the commissioning ceremony at the New York Naval Shipyard in Brooklyn. The 75,000-ton vessel is as long as five city blocks and the flight deck is more than four acres. The Constellation is designed for travelling at more than 30 knots. (AP Wirephoto)

Two Form Of Beauty

Beauty comes in different forms. Here Miss Patty Ayers, pretty Texas Tech co-ed from Corpus Christi, is pictured with a huge Dahlia displayed during Tech's Fall Horticultural Festival. Miss Ayers was selected a horticulture princess and served as a hostess at the festival. (AP Wirephoto)

STUDENT HOLIDAY TOURS

Development Fund Projects To Be Chosen

Selection of 1962 development fund projects of the Former Students' Association will be made at the annual fall meeting of the association council and executive board in Houston Nov. 17-18.

Other matters on the agenda will include a report of progress of the 1961 development fund and discussions of the student loan program and the Century Study.

Headquarters for the association council and other exes will be the Shamrock-Hilton Hotel on South Main where the executive board of the association will hold the initial meeting at 3 p.m. Friday, Nov. 17. At 6:30 p.m. members of the council and their wives and guests will attend a dinner in the Grecian Room followed by the council meeting at 8.

Presiding at the meetings will be James W. Aston, '33, president of the Republic National Bank of Dallas and current president of the Association of Former Students.

Chartered buses will take the group to the A&M-Rice game Saturday, Nov. 18.

Leading riders at Garden State Park racetrack in 1960 were Bill Hartack in the spring and John Sellers in the fall.
