

Fish Blank Owlets For Second Victory, 7-0

Taking their real estate in small packages, the Aggie Fish scored early in the second quarter last night at Rice Stadium to take their second consecutive victory from the Rice Owlets, 7-0.

The Fish ground out short yardage on fullback plunges and dive plays mixed with an occasional sweep to drive 79 yards for the only score of the night.

Fullback Mike Kohlman went the final two yards for the score, go-

ing over his guard, End Jeff Farmer added the extra point.

The 79-yard scoring drive mounted by the Fish was only one of three sustained drives originated by either team all night. The game was a defensive battle with most of the action taking place between the 30-yard lines.

Rice, led by the passing of Quarterback Walt McReynolds, got to the Fish eight just before the half but couldn't connect for the

big play. Biggest gainer in the march was a 27-yard pass from McReynolds to End Stephen Lee of Cleburne. But on fourth down the pass attempt went incomplete and the Aggies took over on downs.

Coach Ty Bain's Fish drove to the Rice one-yard line in the fourth period in a 65-yard drive engineered by quarterback Karl Sweetan who used halfbacks Gene Darby and Budgie Ford for yardage chores. Ford saw limited action for the first time this season. But Kohlman fumbled a Sweetan handoff on fourth down to end the threat on the one-yard line.

The Fish are now 2-2 for the season, winning their last game 7-6 over the University of Houston Kittens on Kyle Field two weeks ago. Next Thursday the Fish travel to Austin for the annual benefit game with the Texas Shorthorns. The Shorthorns were beaten for the first time in three years two weeks ago when the SMU freshmen upset them 16-15.

Squadron 4 Wins Intramural Title

Sqd. 4 came from behind on the last play of the game yesterday to defeat Sqd. 8, 6-2 and become the Corps champs in freshman football.

Championship in Class A horse-shoes was taken by Sqd. 10 as they defeated A-3, 2-1. Puryear Hall blanked Mitchell, 3-0 to cop the crown in Class C shoes.

In the upperclassmen bowling finals last night, Sqd. 11 was the leader with 1546 pins. It was C-1 second with 1523, Sqd. 1 third with 1453 and Sqd. 8 fourth with 1376.

F-1 won three matches out of five from D-1 to become the Corps champs in Class B ping pong.

In the championship football game yesterday, Sqd. 4's quarterback Dale Barber rolled out around his end late in the game and kept going for 45 yards, penetrating Sqd. 8's 20-yard line. The defense, leading 2-0 by virtue of a first period safety, tightening up and set Sqd. 4 back to the 30.

With one play remaining and things looking bleak for Sqd. 4, Barber connected with Jim Smith on a 30-yard pass for a touchdown. Sqd. 8's two-pointer came early in the first half when Elmer Beau-

nogel trapped Barber in his own end zone for a safety.

Members of Sqd. 10's championship horseshoe team are: Gerald Seigelin, Jay Belote, Randy Yate, Winton Zimmerman and Ross Calhoun. The civilian champs from Puryear are: Bill Burnett, Earl Morris, John Fucik, Francis Fisher, Mike Barbee and Mike Brack.

Sqd. 11's ace bowlers are George Calloway Jr., W. B. Davis, and Tom Riordan. Calloway was the high man in the finals with 574 pins, a 191 average. Bill Talarek of Sqd. 8 was second with 532, a 146 average.

Team members of the ping pong champion, F-1, are: Bob Johnson, Bill Gotcher, Neil Kettner, Tom Fine and Gerald Conn.

Eight games were played in Class B basketball Wednesday. Sqd. 6 edged A-2, 39-34. Delbert Whitaker of A-2 was high-point man with 15. Sqd. 6's Lee Bollinger followed with 10.

C-3 scrapped by Sqd. 3, 16-14 and results of the other games are: F-3 over Sqd. 11, 25-6; Sqd. 9 over Sqd. 13, 27-6; Sqd. 5 over D-1, 25-10; Sqd. 9 over Sqd. 13, 27-6; Sqd. 5 over D-1, 25-10; Sqd. 8 over F-1, 50-21; and F-2 over E-3, 17-9.

Team No. 8 Leads In MSC Bowling

After this week's action in the Memorial Student Center bowling league, Team No. 8 is leading in the Monday league and the "4" Aces are the top Tuesday night team.

The Monday league is led by Team No. 8 with 5,595 total pins, followed by Team No. 6 with 5,403. Team No. 3 took the high-team series with 1,534 for three games and the high-team game of 546. The high individual series was 558, bowled by Cecil Willis, followed by Mike Rapp with 566. Willis also had the high individual game of 235 while Rapp had a 219 game.

The "4" Aces still lead the Tuesday league with 8,731 pins with the No-Names 10 behind at 8,721. The "4" Aces rolled the high-team series of 2,281 and the high team game of 828 Tuesday. Doss Burchfield had the high individual series, 641, and the high game, 245. Burchfield also carried the highest average, 175, followed by Wayne Smith with 174.

GAME TIME AT 2

Aggies, Mustangs Square Off Tomorrow On Kyle Field

After a disheartening loss to the Arkansas Razorbacks last week the Aggies take on the SMU Mustangs on Kyle Field tomorrow at 2 p. m.

This will be the 44th meeting between the two schools which began in 1916 with the Aggies winning, 62-0, the largest margin of victory during the series. The Aggies lead the series with 20 wins, defeats and six ties.

Last year in the Cotton Bowl, the Mustangs and the Ags fought to a 0-0 deadlock.

Going into Saturday's game, the Ponies have compiled a 2-4-0 record with wins over the Air Force and Texas Tech. Last week they held the Texas Longhorns scoreless for almost three quarters before Texas scored four touchdowns. The final score was 27-0.

SMU's interior line is probably the largest and strongest the Cadets will have faced thus far, according to Coach Jim Myers.

"We'll probably have trouble moving the ball on them—Texas did and they're No. 1 in the nation," Myers said.

The Mustangs run from a spread formation about one-fourth of the time and are led by sophomore quarterback Jerry Rhome, who is leading the Southwest Conference in passing.

Myers said that he is expecting

the Mustangs to fill the air with football Saturday since Rhome is throwing so well.

Halfbacks Tommy Brennan and Billy Gannon, the two speed-merchants for the Ponies, are highly regarded in the conference.

In the line, center Max Christian and tackle Jim Hunt are the stalwarts.

Two Aggies will miss the SMU game—Kenneth Kipp, who is out with an elbow injury, and George Hogan, who sustained an ankle injury in the Arkansas game.

Lee Roy Caffey continues to lead the fight for the fullback

position over Jerry Rogers and Sam Byer. He will probably start at that post Saturday.

The only change in the Aggie probable starting lineup is Buddy Eilers at right tackle. Eilers led the Aggies linemen in unassisted tackles in the Arkansas contest.

Probable starting lineup for A&M is: LE—Russell Hill, LT—Wayland Simmons, LG—Wayne Freiling, C—Jerry Hopkins, RG—Keith Huggins, RT—Buddy Eilers, RE—Bobby Huntington, QB—John Erickson, LH—Jim Linnstaedter, RH—Travis Reagan and FB—Lee Roy Caffey.

OFFICIAL NOTICES
Official notices must be brought, mailed or telephoned so as to arrive in the Office of Student Publications (Ground Floor YMGCA, VI 6-6415, hours 8-12, 1-5, daily Monday through Friday) at or before the deadline of 1 p.m. of the day preceding publication — Director of Student Publications.

All Student Organizations wishing to be officially recognized on the A&M Campus for the 1961-62 school year should apply for recognition by November 23, 1961. Student officers and advisors (or sponsors, tactical officers, counselors) and their addresses must be filed also. All officially recognized student organizations must have a member of the A&M College staff or faculty as an advisor. A banking signature card listing the name of persons authorized to handle the financial affairs of the organization should be completed. All of this information should be filed with the Building Cashier, Memorial Student Center.

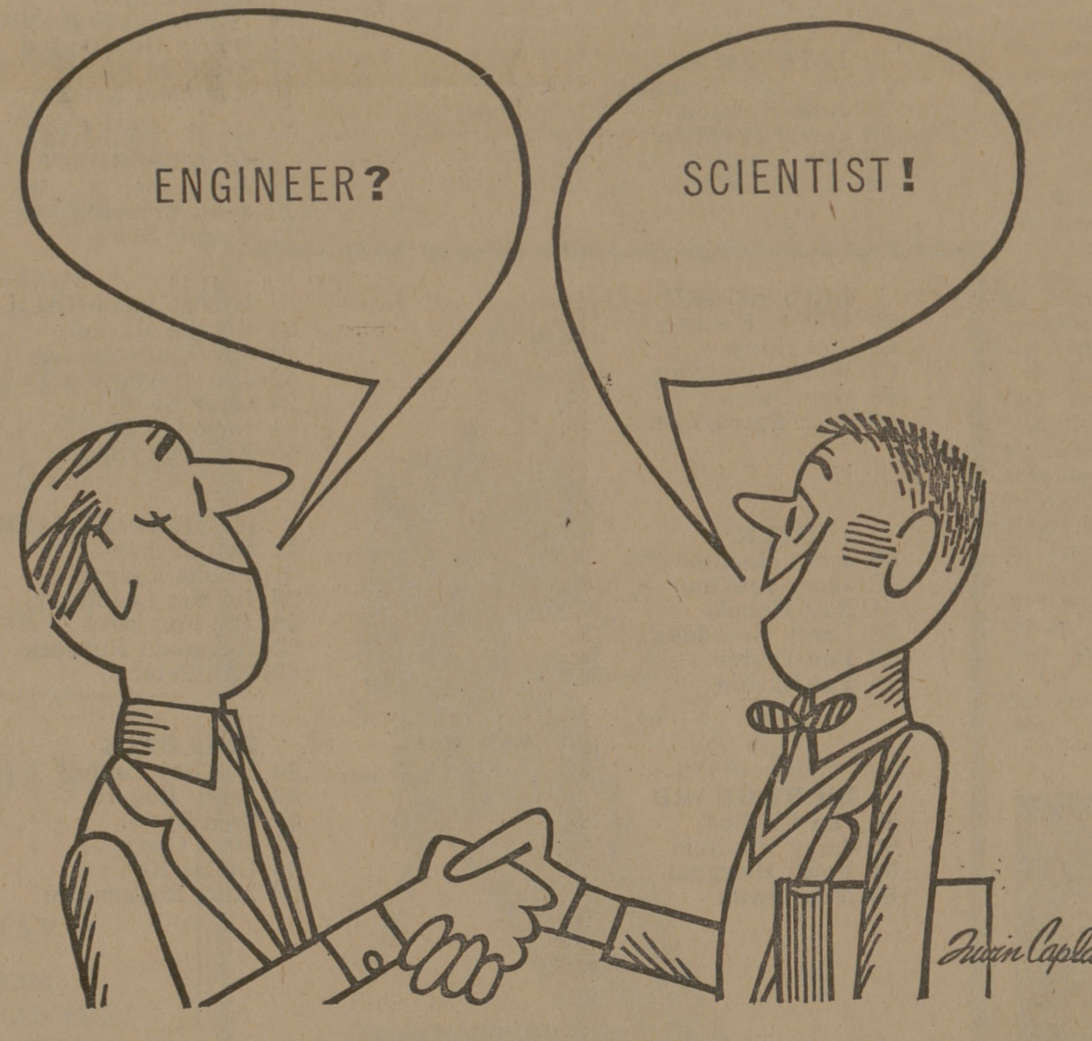

There is a newly established Student Finance Center (next door to MSC Building Cashier) for officially recognized student organizations. Each officially recognized student organization has been assigned a filing cabinet for filing of records and to serve as a mailing address. Mail, including bills and statements, for recognized student organizations will reach these organizations if addressed as follows:

1. Through U. S. Mail:
Name of student organization
Attention: Name of student making purchase
Box 6688

Those undergraduate students who have 95 semester hours of credit may purchase an A, and M, ring. The hours passing at the time of the preliminary grade report on November 13, 1961, may be used in satisfying the 95 hours requirement. Those students qualifying under this regulation may leave their name with the ring clerk in the Registrar's Office in order that she may check their records to determine eligibility to order the ring. Orders for the rings will be taken between November 27 and January 4, 1962, for delivery February 1, 1961. The ring clerk is on duty from 8:00 a.m. to 12:00 noon, Monday through Friday of each week.
H. L. Heaton, Director of Admissions and Registrar 31121

Graduation invitations for the January commencement must be ordered by Tuesday, November 28th at 5:00 p. m. They may be ordered starting November 6th at the Cashier's Window in the Memorial Student Center. 281fn

We're looking forward to meeting you

We'll be on the campus on the dates listed below, ready to give engineering and science seniors information on space-age careers in a dynamic industry.

If you are looking for a company offering assignments on programs of unique interest and career potential, you'll be interested in the advantages Boeing can offer you.

Boeing, for instance, is a major contractor on such advanced programs as the Dyna-Soar manned space glider; the solid-fuel Minuteman ICBM, and the Bomarc defense missile system. Boeing is also the world's foremost designer and builder of multi-jet aircraft, including the eight-jet B-52H missile bomber, the KC-135 tanker-transport, the C-135 cargo-jet, and the famous Boeing 707, 720 and 727 jetliners. In addition, Boeing's Vertol Division is one of America's leading builders of helicopters.

Research projects at Boeing are under way in such advanced fields as celestial mechanics, solid state physics, nuclear and plasma physics, flight sciences, space flight and propulsion.

Expanding Boeing programs offer exceptional opportunities to holders of B.S., M.S. and Ph.D. degrees in aeronautical, mechanical, civil, electrical-electronic and industrial engineering, and in engineering mechanics, engineering physics as well as in mathematics and physics. At Boeing you'll work in a small group where individual ability and initiative get plenty of visibility. You'll enjoy many other advantages, including an opportunity to take graduate studies at company expense to help you get ahead faster. Drop in to your Placement Office and arrange for an interview. We're looking forward to meeting you!
