### Robert Dillon Wins Round-Up Contest

Robert M. Dillon, '62 from Irving, has been named winner of the first of three College Brand Round-up contests sponsored by Marlboro, Parliament, Alpine and Phillip Morris cigarettes.

Dillon's name was drawn in the contest Friday. Other drawings are on tap Dec. 1 and Dec. 15.

Only one person may win a contest during the semester.

A kangaroo doe normally gives birth to only one baby, or joey, but she seems to produce with unflagging enthusiasm.

#### Civilians Keep Wtch For Intruders

While the Corps of Cadets was in Houston, civilian students kept a close vigil over the Aggie bonfire. This group includes, bottom row, left to right, J. C. Raney, W. M. Acton, K. W. Rowell, Jim Adams, Jon B. Hendricks,

Ken Dorris, Frank Srubar, Johnny Ingram, Jerry Gray and Fred Kahn. Back row, left to right, Bill Flynt and Ed Kemp. (Photo by Bill Semmelrogge)

### Aggie Ex, Baker, To Run For Lieutenant Governor

A&M-Ex and State Senator Robert W. Baker, '44, has recently announced plans to run for lieutenant governor of Texas next summer.

The Aggie senator told newsmen in Austin earlier this month that he has definitely decided to run for the lieutenant governor's spot and will make a formal announcement later. His election would be subject to nomination in the Democratic party primary in May.

Baker entered A&M in 1940, and graduated in 1946 with a B. S. degree in economics. Following his graduation from A&M, he entered the University of Texas Law School where he received his LL.B. degree in 1949.

One of the most decorated Aggies in World War II, Baker's A&M education was interrupted by three years service in the Army Air Force. He flew over 30 combat missions and holds the Dis-

tinguished Flying Cross and the Air Medal with six Oak Leaf Clusters. He was discharged from active duty in 1945 as a first lieutenant.

Baker was elected to the Texas House of Representatives in 1952, and is now completing his tenth year in the Texas legislature.

Born July 25, 1921, in Millican, Brazos County, he has been a practicing lawyer in Houston since 1949. He is a member of the Baptist church, the Association of Former Students, the Houston, Texas, and American Bar Associations and the Masonic Lodge.

He is the father of five children—four boys and a girl.

#### Dangerous Operation

Placing each individual log on the stack is a dangerous task, and one that requires a lot of patience and skill. Each of the logs must be carefully placed so they won't fall and at the same time support other logs. Consideration also must be given to the air space between the logs to allow for free burning.

### BONFIRE

(Continued From Page 1)  
build a bonfire of their own, slated to burn on the banks of the Colorado River near City Coliseum tonight.

Bonfire security has been the project of the Texas Cowboys. Any contributions to their pyre have been requested by Cowboy Dick Bettie.

### Experiment Station Honors Helge Ness

Contributions of the late Helge Ness, former chief of the Texas Agricultural Experiment Station's Division of Botany and chief berry breeder, were recognized today when a part of the monthly staff conference of the station was devoted to his achievements.

Highlight of the recognition was the mounting of a plaque on one of the hybrid oak trees which he planted on the campus some half a century ago. He is credited with being the first in America to produce hybrid oaks. And his work as a berry breeder produced the foundation stock for a later developed Ness Berries and still later the Brazos blackberry.

Station Director R. D. Lewis served as master of ceremonies for the recognition program. F. R. Brison and H. T. Blackhurst, both of the horticulture section of the Department of Soil and Crop Sciences, discussed Helge Ness as an individual and his contributions to agriculture, respectively.
