

Issues Committee Releases Voting Questions - Answers

The Student Senate Issues Committee, headed by Bill Snead, has just finished a study of Texas vot-

ing laws to acquaint newly-eligible voters with the statutes. In accordance, the Senate last Thursday passed the following resolution:

"Realizing that a citizen's most powerful voice in his government is his vote, the Student Senate urges newly eligible voters to familiarize themselves with the voting laws of the State of Texas, and for all to exercise their voting privilege at every opportunity."

Results of the issues committee study are the following most common questions and their answers from W. W. Burley, Brazos County deputy tax assessor-collector:

1. I will be 21 next year. Should I get a poll tax before Jan. 31, or can I wait until later?

Yes, you can wait until later. Your first poll tax will be free and you can get it now or anytime 30 days before an election. You will not be allowed to vote until you reach the age of 21.

2. Should I buy my poll tax in Brazos County or in my home county?

If you want to vote only in state and national elections and not local elections, you can buy a poll tax in a county other than your home county. You will be allowed to vote only in the county where you bought your poll tax.

3. I live in College Housing and pay no local taxes. Am I qualified to vote in a local bond election?

No. You must own and pay taxes on property to qualify for such an election.

4. I will be in an active armed service in June. How will this effect my voting privileges?

You will be able to vote absentee in the home county which you claim as a permanent address.

5. Who can not vote in Texas?

Persons under the age of 21, non-citizens of the United States, people who have not lived in the state for at least one year, people who have not lived in the county in which they want to vote 6 months, or anyone not having a poll tax receipt showing payment before Feb. 1 preceding the election.

6. Who does not have to pay a poll tax?

Persons who became 60 years of age prior to Jan. 1, 1961, persons who moved into the state after Jan. 1, 1961, or a citizen who became 21 after Jan. 1, 1961.

7. How is poll tax money used?

The \$1.75 is used for the following things: \$1 is used to support the public schools, 50 cents goes into state general revenue and 25 cents goes to the county.

8. How do you vote absentee?

You may vote absentee not more than 20 or less than 3 days before an election. You may either go by the county clerk's office during this time or apply for a ballot through the mail. In the case of voting by mail you must mark the ballot in the presence of a notary public and mail it back to the county clerk.

9. I am a student and don't pay taxes anywhere. Where should I

vote? It would probably be best for you to vote in your home county. This would allow you to vote in local elections.

10. When is the deadline for buying a poll tax? Poll taxes must be bought before midnight, Jan. 31.

11. Can anyone buy my poll tax for me? A husband or wife can buy their spouse's poll tax.

12. Where can I get a poll tax or exemption? Right now, only in the court house. Later when the deadline gets near there will be sub-stations in banks and other convenient places.

New Magazine Tells of A&M's Activities, Staff

The first edition of "Texas A&M Today" was sent to former students, parents of students and friends of the college last week.

The magazine is published by the College Information Office headed by Lee Duwall.

"Most colleges and universities have a magazine of this type, so a quarterly publication such as this is not unique with A&M," Duwall said.

"Texas A&M Today" is not a report; it is intended to feature outstanding activities, people and departments connected with the college, he continued.

The winter edition, just released, discusses the new nuclear center soon to be activated.

According to the publication the reactor in A&M's center is the largest in Texas and cost approximately one and a half million dollars.

Also included is an article on the Century Study, explaining how it was formed, how it works and what its goals are.

The final article of the four-page issue threatens the growth of the A&M College and its improvement in facilities and education for students.

What's it all about?

THE CHURCH FOR ALL
ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	Deuteronomy	6	4-15
Monday	Deuteronomy	6	16-25
Tuesday	Galatians	4	1-7
Wednesday	John	3	16-21
Thursday	Isaiah	53	1-6
Friday	Isaiah	53	7-12
Saturday	Isaiah	9	1-7

This little dog is confused. Many of us are in the same dilemma. What is Christmas, anyway? What does it mean? Do the tinsel and decorations obscure the true meaning?

Christmas decorations, Christmas trees, Christmas gifts have their part in this greatest day of all the year, but back of them is the manger and the Christ Child, God's gift to mankind.

In the Church you will find the true spirit of Christmas in all its joy, beauty and sacredness. The Wise Men will become so real you will follow the star with them. With the shepherds on the Judean hillside you will hear the song of angels. You will go to Bethlehem where you will kneel before the King. Kneeling, you will find the true meaning of Christmas.

Will you come?
