## Corporation Aid Is Being Sought

The Association of Former Students has approved six projects for the 1962 A&M Development Fund and simultaneously launched an all-out effort to enlist local, state and national business and industrial corporations into the fund.

The six approved projects are underwriting the cost of the Century Study in its second year, financing the 1962 Directory of Former Students, Opportunity Award Scholarships, seven Faculty Achievement awards, funds for the President's Emergency Fund and association operations dur-

A Corporate Annual Gifts Program, which seeks gifts to the Development Fund, has begun operations on the solicitation of corporation funds for the projects.

### Fee Refunds Available For Grads

Applications are now being accepted at the Housing Office from this fall, Assistant Housing Manager Allan M. Madeley announced

Students other than graduates who will not be in school this spring may also make arrangement for fee refunds, Madeley said. This can be done before clearances are turned in before leaving campus.

Students must present their Memorial Student Center card and athletic card in order to be eligible for refunds, Madeley added. Dormitory students will also have being eligible for refunds.
