

Cadets Host Mustangs Tonight

After a squeaking 54-52 victory over the Baylor Bears in Waco Tuesday night, the Aggie cadets will meet the league-leading SMU Mustangs in G. Rollie White Coliseum tonight.

Game time for the battle is at 8 p.m., the only game of the night, since the Fish don't play again until Monday when they visit the Texas Shorthorns.

SMU's Jan Loudermilk, a 6-6 forward, is among the SWC's lead-

ing scorers and rebounders and will lead the Ponies. He will be backed by another top scorer in John Thompson, who has improved greatly from last year, according to SMU Coach "Doc" Hayes.

The Mustangs took over the undisputed SWC lead Tuesday night when they defeated the Arkansas Razorbacks in the "hills," 77-70. In three SWC games the Ponies have downed TCU, Baylor and the Hogs.

The win for the Aggies in Waco was a difficult one as the cellar-dwelling Bears made a game of it up until the final seconds. The Bears controlled the ball from 1:17 left in the game and were planning on a final shoot that would have tied the game at the end of regulation play. With five seconds remaining, Baylor's star center, Herb Barritt, dribbled in for the tying shot, the ball struck his foot and bounced out of bounds.

The Aggies took over and ran out the clock.

The Cadets have an 8-4 record for the season and a 2-1 mark in SWC play.

Lewis Qualls played his finest game of the season against the Bears as he dropped in 12 points and grabbed 14 rebounds. Jerry Windham also was instrumental in the victory as he tied Qualls with 12 points.

Moore May Defend Crown

NEW YORK (AP) — The New York State Athletic Commission offered Archie Moore a second opponent Thursday and gave the veteran champion 20 days to agree to a defense of his fractional heavyweight boxing crown.

Maj. Gen. Melvin Krulwich, commission chairman, announced that Doug Jones of New York issued a challenge and posted \$2,500 forfeit with the New York body.

A similar challenge and fight was posted with the commission Monday by Harold Johnson, recognized as 175-pound king of the National Boxing Association. Moore is champion in New York and Massachusetts.

"The result of this latest action is that it gives Moore a choice of two men to fight, instead of one," a commission spokesman said.

If Moore fails to meet the commission demands, his license may be suspended until such time as he accepts the conditions.

Ag Fish Stats Rise After Battle With Baylor Cubs

Hitting a sizzling 50 per cent from the floor, the Aggie Fish produced their best effort of the season Tuesday night in Waco, smashing the previously undefeated Baylor Cubs, 65-44.

The impressive victory brought the Fish record to three losses and two wins. All three losses have been at the hands of good

junior college teams, and two were on the other teams' courts.

Jay Baker, 6-3 forward from Aldine, is the leading scorer with 84 points and a 16.8 average. His 31 of 58 field goal attempts gives him a very good .534 percentage. He is third in rebounding with 35.

Second in scoring is Guard Paul

Timmons, 5-11 playmaker from Clear Creek. He has tallied 110 points for an average of 11.0 points per game. His percentage mark from the floor is .406, 28 of 69 attempts.

A jumping-jack type of player, Tommy Bantle of Dallas Jesuit ranks third in season scoring. The 6-2 forward is averaging 10.4 points per game with 10 points in five games. He has connected on 23 of 61 field goal attempts for a .377 mark.

Tim Timmerman, the 6-6 center from Houston Austin, is the fourth best scorer with 46 points and a 9.2 average. He has connected on 13 of his 33 field goal attempts for a percentage of .394. He is the team's top rebounder with 53.

Fifth best point maker on the squad is 6-2 John McCurley from Port Arthur. His average of 10.0 points per game on 33 points per game in the shooting ability. He has picked off 24 rebounds.

Although the aggressive Aggies have outrebounded their foes this season, they haven't been able to make control of the boards point dividends. Through five games the freshman cagers have taken off 246 rebounds to the opposition's 223. But three more field goals and four more free throws have let adversaries score the Fish 333-320.

In field goal percentages, the freshmen lead .392-.384 on 11 field goals on 306 attempts. The opposition's 123 of 320 field goals have proved the difference. Thus far the Fish are averaging 64 points per contest to their opponents' 66.6.

After a six-day layoff, Coach Shelby Metcalf's team will travel to Austin Monday for their first game with the Texas Shorthorns. The game will be the preliminary fight for the Aggie-Longhorn clash.

The recent icy weather curtailed intramural football activity and disrupted the playoff schedule. There will probably be no football Monday and today's quarter-final winners will probably meet Tuesday.

After completion of the current group of intramural sports next week, there will be no intramural activity until the beginning of next semester, according to Charles E. McCandless, intramural director.
