

Aggies Rip Past Frogs, 79-72

Spurred by a fine performance by senior forward Carroll Broussard, the Aggie cagers dropped a persistent TCU Horned Frog five for their fourth SWC victory of the season. Final score was 79-72.

Broussard hit for 19 points and grabbed 14 rebounds to lead the Aggies in each department.

The Aggies used a fine 52.8 per cent effort from the floor in downing the Frogs in their new Daniel-Meyer Coliseum which was filled by 4,898 screaming fans. It was the largest crowd to witness a basketball contest in Fort Worth since 1953.

Six Aggies hit in double figures and was the best overall effort Coach Bob Rogers has seen all season. The win marked the 10th against six losses for the 1961-62 campaign.

Ron Durbon, Tommy Smith, Benny Johnson, Bennie Lenox, and Jerry Windham along with Broussard ripped the cords for double figures.

Broussard spear-headed the Aggie attack and broke a 33-33 deadlock just before the half. At the intermission, the Ags led 38-35 and were never headed the remaining 20 minutes. At one time, A&M led the Horned Frogs, 71-51.

The Aggies out-shot the Frogs, who hit on 28 of 71 field goal attempts for 39.4 per cent. A&M

also beat TCU in the rebounding department, 49-39. Windham was second to Broussard with nine grabs.

Phil Reynolds, TCU's 6-0 senior guard, won game honors with 21 points. Three other Frogs hit in double figures — Bobby McKinley, Pete Houck and David Warnell.

While the Frogs were having a rather cold night in field goal shooting, the Aggies were like fire. Broussard hit on seven of 13 attempts; Smith, six of 10; and Benny Johnson, four or six.

The loss was TCU's 13th in 15 starts.

In the preliminary game, the TCU Wogs were triumphant over the Fish, 74-66. The loss marked the fifth for the Fish against two wins. Paul Timmons was top man for the Aggie Fish as he dropped in 21 points. Tim Timmerman and Jay Baker followed with 16 and 13 points, respectively.

TCU's Archie Clayton was tops with 21 followed by David Hull with 18 points.

The Aggies return to action tonight in G. Rollie White Coliseum as they play host to the Rice Owls. Rice is currently tied with the Ags for the second position in the SWC with both having 4-2 records.

Son Follows In Dad's Footsteps

WEST PALM BEACH, Fla. (AP) — Like father, like son held true in the 25th annual Silver Sailfish Derby, which ended here Saturday.

Winner of the Widener Trophy for the biggest sail was Lester Rosenfeld of Wyncote, Pa., who landed a 75-pound, 7-foot-10 1/4-inch fish on opening Day, Jan. 13.

Rosenfeld's father, Emanuel Rosenfeld of Philadelphia, won the Widener Trophy 10 years ago in the same tournament. His catch weighed 75 pounds and measured 7 feet, 10 1/4 inches.

Georgia Tourney Integrated

ATLANTA (AP) — Two Negro teams have been accepted for play in the Georgia State Women's Bowling Tournament which, up to now, has never been integrated.

The tournament will include more than 1,100 women on 230 teams. The Negro entries — 12 women — are from Atlanta.

Alice Scheaffer of Columbus, tournament secretary, said Monday, "We are not going to have any trouble. Some of the players

don't like it, but they will accept it."

She said the question of an integrated tournament had not come up before because there had never been any Negro entries. Now there are several Negro teams in the state.

She said tournament directors were bound by the rules of the Women's International Bowling Congress and could not refuse any entries on the basis of race.

Organization Replaces Action This Week In Intramurals

Director of Intramural Athletics, Charles E. McCandless, announced yesterday that this week will be spent in organizing the program for the spring semester. There will be no sports played this week, but three meetings will be held. McCandless pointed out that the intramural activity will get under way next week with the open gymnastics meet and weigh-ins for wrestling.

Today at 5 p.m., in the intramural office (Room 113 G. Rollie White Coliseum), all junior and senior managers will meet with McCandless to lay out the semester's schedule of sports.

Wednesday afternoon at 5, all intramural officers, both Corps and civilian, will meet in Room 202 of the YMCA building for notification of the spring programs, McCandless added.

At 5 p.m. Thursday all managers will meet in the intramural office to learn the spring schedule and their assignments.

McCandless said that a deadline of Feb. 14 has been set for entering the open gymnastics meet. Exactly when the meet will be held depends on how many entries are made, he added. He pointed out that an effort will be made to run off the meet in two afternoons and nights.

The routines will be judged by gymnastics team coach Henry H. Walton and members of the team. McCandless said that later this week an instructional period will

be held at which members of the gymnastics team will demonstrate the required routines.

He stressed that the coming meet is open to all full-time students who are not members of the gym team and that anyone interested is urged to come to the in-

structional period.

McCandless also announced that intramural wrestling will get under way as soon as possible. Weigh-ins will probably be conducted next week so that the competition will get under way at the beginning of the third week in the semester.
