**WITH SEVEN FIRSTS
Thinclads Top TU,
Rice On Kyle Field**

Coach Charlie Thomas' Aggie thinclads racked up seven first places Saturday to master a powerful victory in the 31st running of the A&M-Rice-Texas triangular track meet on Kyle Field.

Three meet records were set as the Ags had 11 seconds, 4 thirds and 5 fourths in addition to their seven firsts. In doing so, they nosed out Texas, 79-73, for their first victory over the Longhorns. Rice came in third with 17 points.

Danny Roberts, standout sophomore from A&M, put the shot 57-1 1/2, and broke the existing record of 55-6 3/4 set by Longhorn Jim Allison at Austin last year. Roberts shaved by an eighth of an inch the A&M school record set by Darrow Hooper in the 1952 Olympic Trials.

Roberts was also best man in the discus throw with a heave of

161-9 1/4, and his teammates, Charles Hoppe, Charles Tiemann and Jim Phillips, followed him in that order in the shot. The Aggie weightmen dominated the show in the discus too, with Terry Robinson taking second and Tiemann and Phillips following.

Rice's Dave Edwards had the winning toss with the javelin, 199-4. Roberts was fourth with a throw nine feet short of Edward's mark.

The two other meet records included a 15-4 1/4 pole vault by Longhorn Baylus Bennett. Col. Frank Anderson, retired Aggie track coach, said that the vault was the best ever on Kyle Field. Hubert Nelson of A&M took fourth in that event with 12-6.

The third record set Saturday was the 1:51.6 time in the 880-yard dash turned in by Loy Gunter of Texas. A&M's Thad Crooks came in second with the same time he had last year to set the record in that event, 1:52.8.

Texas senior Ray Cunningham won both the hurdle events and was the anchor man on the Longhorn's winning 440-yard relay team. He contributed 11 1/2 points to Texas' cause.

Other A&M firsts were: Crooks, 4:16.0 in the mile-run; Jerry Anderson, 49.0 in the 440-yard dash; E. L. Ener, 9:42.0 in the two-mile run. Pat Mitchell, George Tedford, Anderson and R. E. Merritt, 3:17.6 in the one-mile relay and Don Deaver, 6-4 in the high jump.

The Aggie tracksters travel to the Border Olympics Saturday and will be back on Kyle field in another triangular meet with Texas and Rice on April 21. An A&M-Texas-Rice freshman meet will be held on the A&M cinders March 23.

**Aggie Golfers
Take 2nd Place**

Coach Henry Ransom's golf team took second place last weekend in the Southwestern Recreational Golf Tournament in Fort Worth behind a foursome from North Texas State.

The Cadet quartet Jim Fetters, Eugene Byrd, Johnny Johnson and Jerry Holland finished six strokes out of first place.

Fetters and Byrd tied for top honors for the Aggies with 145's. Johnson fired a 146 and Holland had a 148 for a team total of 584.

The Aggie golf team will go to the Border Olympics in Laredo this weekend.

**Netters Split Pair
Of Weekend Bouts**

Nothing gained, nothing lost, was the story for the Aggie tennis team Friday and Saturday as they split a pair of matches against East Texas and North Texas at Commerce and Denton.

On Saturday, Richard Halter defeated North Texas' John Simmons, 6-4, 6-1 and Doug Sassman downed Ray Williamson, 6-1, 6-1. Carroll Kell lost to Weston Wolfe and Ray Salazar fell to Jerry Higgins.

The Ags also split the doubles matches with Halter and Foster whipping Higgins and Williamson and Kell and Sassman falling to Simmons and Wolfe.

Detroit Tiger Manager Bob Scheffing managed Washington, Pa., to second place in the Pennsylvania State League in 1939, two years before he broke into the majors as a catcher with the Chicago Cubs.

Baseball Season Opens

A&M's Aggie baseball squad opened their season this afternoon against Texas Lutheran from Seguin.

Coach Tom Chandler's Ags were scheduled to crack the 1962 season last Saturday afternoon against the University of Dallas, but cold weather postponed the contest.

The Aggies, who have only three seniors on the club, appear to be stronger this season than in '61, especially in pitching. The mound work has been the Aggies' main weakness in past years.

With the return of Ed Singley, who was troubled with a bad arm last spring, to the hill and if

Bob Collins returns after a broken arm last summer, Chandler's pitching corps will be strengthened.

Seven lettermen are back this spring with Bill Puckett, Jack Singley and Ray Hall being the main returnees.

Three hurlers—Chuck McGuire, Ed Singley and Richard Beller—were to see action in today's game.

The starting lineup consists of Puckett (catcher), John Burns (first base), Bill Grockett (second base), Bill Hancock (third base), Jack Singley (shortstop), Hall (left field), George Hargett (center field), and Roger Crouch (right field).

The next Aggie baseball game will be on March 9 against Mary's on Kyle Field.

"YOUR AFTER-SHAVE LOTION, SIR"

"Jason, you dolt! You know I use only Mennen Skin Bracer after-shave lotion."
"Of course, sir. And this..."
"I've told you that Skin Bracer cools rather than burns. Because it's made with Menthol-ice."
"Quite, sir. And this..."
"Besides, that crisp, long-lasting Bracer aroma has a fantastic effect on girls."

"Indeed so, sir. And..."
"Tonight I need Skin Bracer. I'm going to the Prom. So take that stuff away and get me some Skin Bracer!"
"But sir, this is Skin Bracer. They've just changed the bottle. Shall I open it now, sir?"

* ACTUALLY, YOU DON'T NEED A VALET TO APPRECIATE MENNEN SKIN BRACER. ALL YOU NEED IS A FACE!

Career Cues:
"The broader your knowledge, the greater your chance of success!" Edwin J. Ducayet, President Bell Helicopter Company

"As I look back, graduating from college in the depth of the depression was a blessing in disguise. It was difficult to get a job, and even more difficult to hold it. It proved to me early in life that to succeed in business requires constant struggle."
"I found that the truly successful individual never stops learning, that a formal college education is the foundation on which we continue to build the knowledge and experience required to get ahead."

"Even in today's age of specialization, a man eventually reaches a point where breadth of knowledge is necessary. The engineer must understand accounting and marketing. The marketing man must know his product. The financial man must be sympathetic to engineering development and sales programs. Management must have a working knowledge of all phases of the complex and highly competitive business world."
"Therefore, even though specializing, a student should make his college curriculum as broad as possible, and diversify his outside activities. Authoritative surveys have shown that only a small percentage of individuals end up in the field in which they specialized in college."
"Widen your world. Broaden your interests right now. Since graduation from college I've discovered that those who are really succeeding today are the ones who do more and keep on learning from what they do. The broader your college interests are now — the steadier your ladder of success tomorrow!"

Edwin J. Ducayet is president of one of the world's largest helicopter manufacturing firms. His company's products are used in 52 countries for a multitude of military and commercial applications. A resident of Fort Worth, Texas, Ed has been a Camel smoker since his undergraduate days at M.I.T.
