A&M smacked Minnesota, 9-0, in the first game of a double-header yesterday, but lost the second contest, 3-1, on Kyle Field.

Ed Singley, the smooth-working right hander from Oklahoma City, and reliever Johnny Crain hand-cuffed the Gophers in the opener, allowing them just five hits.

While those two were puzzling the Gophers, the Aggies played with pitcher Ray Deeg for six runs in the third inning, two more in the fourth and one in the sixth.

The Aggies erupted in their big third when Deeg gave up a three-run homer to first baseman John Burton. They got just three hits but were aided by four Gopher walks, an error, a wild pitch and a passed ball.

Shortstop David Johnson helped out in the next frame when he doubled deep to the fence in right, scoring two runners.

After that it was only a question of what the final outcome would be.

A near tragedy occurred in the second inning when two Minnesota players collided chasing a pop fly in front of home plate.

Bill Davis, charging in from first base, banged his shoulder into the head of Don Evans, the Gopher captain and third base-

man. Davis lay sprawled on the infield grass for a full five minutes and Evans had to seek help of a trainer, but both players finished out the contest.

"Man, I'm glad this is my last time down here," joked Evans after the game. "I must be jinxed. Last year I fell down in the dug-out at Houston and darn near broke my arm."

Singley received credit for the win, his first of the year and Crain, who is a sophomore, amazed the Gophers with his speed.

Press box observers, disappointed with Minnesota's performance, were wondering if the Gophers had lucked out in their two-game series with Texas. They found out in the second game.

Art Johnson, a husky right hander from St. Paul, breezed his fast ball past the Aggie hitters for nearly six innings before Burton uncorked his second four bagger of the afternoon.

Burton's blast tied the score, 1-1, go into the top half of the seventh inning. It was the only hit the Aggies were to get off Dick Siebert's talented right hander.

Mike Mulligan led off the Gopher seventh with a broken-bat single that squirted between short and third base. Johnson helped

his own cause by sacrificing Mulligan to second. Siebert brought in Tommy Foster to run for Mulligan.

Then Rollie Carlson grounded to Bill Hancock at third for the second out and the Aggie defense held Foster on second.

However, Jon Andersen, the Gopher second baseman laced Richard Beller's second pitch for a

Gophers' Hurler-- I Didn't Know It

CLINT SANBORN Minnesota Daily

The kid wore a smile as bright as the sunny Texas sky.

"Gee, I didn't know I had a no-hitter going," said Art Johnson, a handsome sophomore from St. Paul, Murray. "All I know is that I sure served a lemon up to John Burton. I gave him a changeup and he kissed it good-bye."

Johnson was talking about the home run ball which spoiled his no-hit bid against Texas A&M yesterday. Minnesota beat the Aggies, 3-1, after being whipped, 9-0, in the first game of a doubleheader.

"The ball barely cleared the fence," said Dick Southard, Gopher right fielder, "a couple of feet shorter and it wouldn't have been out of the park."

Coach Dick Siebert was pleased with the showing of his young right hander.

"Johnson hurt his elbow during

the game and had to rely on his fastball and changeup. He did a fine job of mixing them up."

Jon Andersen, whose double in the top of the seventh inning drove in the winning run in the second game, did not know what kind of pitch he hit.

"I just saw it coming, swung and took off. Yes, I knew it was a hit the minute it left the bat. Man, that felt good. We kind of got back for what they did to us in the first game."

Siebert had praise for Johnson, but he also had a good word for the pitchers Texas A&M threw at his Gophers.

"They were the best we've seen down here."

Captain Don Evans thought that Johnny Crain, who relieved Ed Singley in the Aggies' 9-0 victory, was their best pitcher.

"Singley was good enough, but that Crain had a lot of smoke. He really fired them in at you."
