DEADLINE TUESDAY Filing Brisk In Class Elections

A dozen students had filed for positions as class officers for next year, the first half day of filing. The election is scheduled for Apr. 11 with a runoff set for Apr. 17. Filings began Tuesday morning in the Student Program Office of the Memorial Student Center and will end next Tuesday.

Pete Hardesty, director of the Recreation and Entertainment Department, MSC, emphasized that civilian students are eligible to file for all of the class positions provided they meet the qualifications.

He said that traditionally more corps students than civilian students register.

College regulations state that an applicant must have a 1.0 overall grade point ratio, a 1.0 g.p.r. for the preceding semester or preceding two summer terms and must hold a 1.0 g.p.r. during his term of office.

During the first day of filing, one civilian, a sophomore, had registered for vice-president of the class of '64.

Class of '63 registrants include one for president, two for vice-

president and one for secretary-treasurer. None had registered for social secretary, historian or student entertainment manager.

Those who filed from the class of '64 include two for president, four for vice-president and two for yell leader. None had filed for social secretary or secretary-treasurer.

None had registered for any of the positions offered to the class of '65.

Six Ag Exes Named To UT Legal Board

Aggie-Ex's now attending the University of Texas law school received six of nineteen positions on UT's new Student Legal Research Board.

Serving as associate director is Robert Moore, who attended A&M and later Texas Tech. At Tech, he was president of both the Inter-Dorm senate and the senior class. After graduating on the Dean's List there, he spent three and a half years as a lieutenant (j.g.) in the Navy.

R. L. Andrews Jr., like the other four Aggie-ex's, is a staff writer on the research board. He was a member of the Ross Volunteers, Phi Kappa Phi and Phi Eta Sigma. He was a senior class treasurer and graduated as a Distinguished Military Student.

John R. Nelms graduated in 1956 with a B.A. in journalism and a commission in the Air Force. He was a member of Sigma Delta Chi.

Joe C. M. Spurlock II, a Distinguished Military Student in the class of '60, received a B.A. in economics before being commissioned a second lieutenant in the U. S. Army Reserve. He served as a secretary to W. C. Cowen in the 57th Texas Legislature.

John Jefferson, a senior law student, graduated from A&M with a commission in the U. S. Army Reserve. Lawrence E. Fann is also a research board staff writer.

CORRECTION

The Battalion incorrectly reported Thursday that tactical officers will be employed by local motels during weekends. The story should have stated that the motels will employ extra help, and have informally expressed the hope that tactical officers will volunteer their services.

SENATE GETS BILL

Democrats Win House Tax Fight

WASHINGTON (AP) — A few hours after President Kennedy made a public appeal for passage of his pending tax measure, the House approved it Thursday over determined Republican opposition. A GOP effort to return the bill to committee with instructions to cut two major administration provisions was beaten 225 to 190. Final passage followed a little later on a 219-196 vote.

The measure goes now to the Senate where it is given a good chance to pass without major changes-but only after prolonged committee hearings and floor debate.

On the crucial recommitment, the Republicans held their ranks solidly but were able to rally only 27 Democratic votes. On final passage, 34 Democrats voted against the administration while a lone Republican-Rep. Richard H. Poff of Virginia-sided with the majority.

Republicans centered their five on two main provisions. One would require withholding income taxes of 20 per cent on dividends and interest payments - which would give the government an estimated \$630 million in annual

revenue. The other would allow 7-per-cent tax credits for business expenditures on modernization of production facilities-estimated to cut revenues by \$1.2 billion a year.

Kennedy made a strong pitch for the bill at his morning news conference even though it represents considerably less than he originally asked.

As submitted by the administration, the measure would have balanced loss of revenue through the business tax credit program by tightening of collections in several areas in addition to the interest and dividend withholding. These would have included virtual elimination of income tax deductions for business entertaining plus much heavier imposts on income earned overseas by American companies and individuals.

As a result of changes made in the House Ways and Means Committee, the anticipated additional revenues are expected to fall some \$600 million short of the losses due to the incentive tax credits. This is about the surplus which the administration has hopefully projected for its budget for fiscal 1963.

Hearings on the measure are to begin Monday before the Senate Finance Committee headed by Sen. Harry F. Byrd, D-Va., and are expected to last at least four weeks.

Gov. Price Daniel Will Crown 28th King Cotton Here

Gov. Price Daniel will crown William A. Stuhrenberg as King Cotton at the 28th annual Cotton Pageant which will be held April 7 in Guion Hall. The pageant will begin at 7:30 p.m.

Included in the pageant will be the selection of a Cotton Queen from the 160 duchesses that will attend. Eight girls will also be selected to escort the Cotton Queen during the parade on stage.

Robert L. Boone, music director, will sing a solo during the pageant.

Saturday afternoon preceding the pageant there will be a tea in the dining room of the MSC for the duchesses and the three judges who will select the winner.

World News

BUENOS AIRES, Argentina—With the military's blessing, Jose Maria Guido took office as Argentina's president Thursday, replacing his banished friend Arturo Frondizi.

Guido, who has been president of the senate, was in line for the job under the constitution but was reluctant to take over. The military leaders who ousted Frondizi finally persuaded Guido to take the presidency.

Frondizi, who embraced his tearful wife and peacefully surrendered to arrest, was flown to imprisonment on a navy island in the River Plate not far from Buenos Aires as the military leaders finally carried out their long-threatened coup.

GENEVA — The 17-nation disarmament conference agreed Thursday on a procedure for drafting a preamble for a disarmament treaty but the Western powers expressed some concern about the attitude taken by the Communists.

In British eyes, at least, Soviet Deputy Foreign Minister Valerian A. Zorin seemed determined to plug the Russian disarmament line from first to last, with little consideration for the views of the non-Communist nations. The Americans took a more hopeful view following a three-hour session.

U. S. News

WASHINGTON—The Public Health Service gave top priority Thursday for use of oral polio vaccine in areas threatened by epidemics.

Surgeon General Luther L. Terry said the Sabin oral vaccine is especially valuable in combating an epidemic because it can be taken by mouth and quickly gives some protection against spread of the disease.

He said widespread use of both polio vaccines "could lead to early elimination of the disease."

Texas News

DALLAS—The Texas attorney general ordered Thursday an investigation into the business dealings of Billie Sol Estes, West Texas financial giant of Pecos Tex.

Estes, regarded as a multimillionaire at 37, was one of the few outsiders who conferred this week in Dallas with a group of national and local leading company representatives about agricultural financing in the Southwest.

Atty. Gen. Will Wilson announced three assistants will leave Austin immediately armed with letters of visitation giving them the right to inspect books and records.

Faith To Be Aired Here At 'Y' Forum

"Marrying Outside Your Faith" will be the topic of the fourth weekly marriage forum to be held Monday night at 7:30 in the YMCA Building.

Sponsored by the A&M YMCA, the forum will feature Dr. John P. Davidson, professor of religion at Baylor University.

The following topics will be presented at the forum: "What is the effect of interfaith or interdenominational marriage?" "Wholesome religious and marital stability?" "Are you from the same religious background?" "If mixed marriages are so risky, why are there so many?" "How to solve mixed marriages after marriage," and "but we'll find a way to work it out."

Davidson received his B.S. from North Texas State University in 1940; his Th.M. from Southwestern Baptist Theological Seminary, Fort Worth, in 1944; and his Ph.D. from the University of Texas in 1955. He is listed in "Who's Who in American Education," '55 and '56. In 1954 and 1955, he was a teaching fellow of educational psychology at the University of Texas.
