

Sprint Medley Relayers Stay Unbeaten After Texas Relays

By LARRY SMITH

A&M's Aggie track team scored only one first at the Texas Relays in Austin Friday and Saturday, but that one victory was a big one.

Coach Charlie Thomas' sprint medley relay team composed of Jerry Anderson, Ed Williams, George Tedford and Thad Crooks took that race with a great time of

3:21.4 to remain unbeaten. With the victory the Aggies beat the team who had the top time in the nation in the sprint medley relay — Oklahoma State. The Cowboys finished second to the Aggies, only one-tenth of a second behind the kicking Crooks.

Anderson started off the 220-220-440-880 race with a 22.2 220-yard dash. He handed off to Williams who contributed a fine

21.0 220. As Williams was handing off to Tedford, there was a foul-up in the steps and Williams had to dive for Tedford. Williams made the handoff successfully but he tore up the cinder track and also his arm in the process.

After this almost catastrophe, Tedford turned in a starring 47.1 quarter, his best of his career. Crooks took the baton with a slight lead and held off his opponents with a 1:50.0 half-mile.

This relay produced some top times and if they had been run from the blocks, the quarter by Tedford and the half by Crooks would have been an A&M school record.

"I'm really proud of the boys and their performances at the Texas Relays," admitted the appreciative Thomas. "Everyone all did well; I just wish the sprint medley was an event in the Southwest Conference meet."

Danny Roberts suffered his first

loss in the shot put this spring as the competition was the stiffest of the season. He put the shot 55-4 1/2 for third and threw the discus 161-7 which was also good for third place.

The only other Aggie to place in university division was on Deaver, A&M's top high jumper. He tied for fifth with a leap of 6-2.

A&M's fine Fish track team made a respectable showing even though they failed to win a first place. The top performance was by Louis Poland who placed second in the pole vault with a jump of 14-0 1/4. This leap broke the varsity and freshman A&M school record which had been set at 14-0 by Jack Simpson in 1951 and tied in 1953 by Malcolm Marks.

The fabulous sprinter from Andrews, Ted Nelson, put on quite a show when he anchored the mile relay and turned in amazing 46.2 40. He made up many yards, but had to settle for third place with a time of 3:15.7 which set a freshman mile relay record.

Nelson lost a duel to Billy Foster of SMU in the 100-yard dash. Nelson had beaten Foster earlier in his year, but the Mustangs was locked in 9.8 while Nelson had a 9.9.

Ralph, Alcorn, Fuqua Tops In Fencing Tourney

Bryan Ralph, Butch Alcorn and Floyd Fuqua have become the individual first-place winners in the first open intramural fencing tournament in A&M's history.

Ralph copped first place in the foil competition last Thursday. The speedy little righthander also fought his way into fourth place in last night's finals in sabre fencing.

Late Friday night, Alcorn had won four of his five final bouts in the epee, or dueling weapon, to become the school champion with that weapon.

The most important weekend of the year comes up this Friday, Saturday and Sunday for the A&M match bowling teams as the first team bows in the 12 Annual A&M Intercollegiate Bowling Tournament at the Memorial Student Center Lanes and the second team goes to Colorado Springs, Colo., for the National Intercollegiate Bowling Association team championship.
