A NIGHT WITH THE CRIME SQUAD

Under cover of the San Francisco fog, anything can happen—rape, robbery, murder. And it's the job of the S Squad to stop these crimes before they start. This week, a Post writer tells how a squad of undercover cops cracks down on hoods. Says how they keep their activities hushed up. And gives an hour-by-hour report of a typical night's police work.

Danny Roberts

... spins discus 168-11 for career peak

Danny Roberts and Thad Crooks copped three first places for the Aggie thinclads Saturday at the Dallas Invitational Track Meet, as A&M collected 43 points and third place in the 4-team clash.

The Texas Longhorns took first in the meet, winning a close decision over Baylor, 49-47. SMU had a bad day at home, ending up fourth with 35.

Roberts sailed the discus for the best of his career. He won the event with a 168-11 toss. The yet-to-be-defeated sophomore weightman copped first in the shotput with a 55-6 mark.

Crooks destroyed the meet record in the 880-yard run, winning the event with a 1:51.4 mark. In this fast race, David DeBoer turned in a 1:52.8 to break Baylor's record for the 880 and only took third.

Aggie Don Deaver tied his best mark for the season, 6-4, to cop second in the high jump. Baylor's Eddie Curtis won the event with a 6-6 hop. Aggie James Daniels was in the 3-way tie for third with 6-2.

The Ags' other second place came in the 220-yard low hurdles as Tom Burns turned a 23.9 time. Longhorn Ray Cunningham took first in the event with 23.6. Cunningham joined Roberts as the other man in the meet to take two first by also winning the 120-yard high hurdles with a 14.2.

Aggie weightmen maintained their usual dominance in their specialties. Roberts won both his weight events. Terry Robinson had a 154-6½ throw for third and Charles Tiemann threw it 145-6½ for fourth.

John Long hurled the javelin 209-7½ for third. Longhorn Jim Houston won that event with a 213-2 toss.

Tiemann also copped third in

the shotput with 51-6½.

The Aggie relayers took third in the 440-yard team race with 42.1. Baylor won the race and Texas was second.

Curtis Roberts equalled R. E. Merritt's season mark in the 100-yard dash, a 9.9 time, to take fourth behind Baylor's Bill Kemp and Lynn Fields and Texas' Herbert Jones.

In the 440-yard dash, won by SMU's Jimmy Langham (47.6), George Tedford turned a 48.1 for third and Jerry Anderson was fourth with 48.5.

Next time out for the Aggie thinclads is Thursday in a triangular meet with Rice and SMU on Kyle Field.

Beaumont Helps In Gym 2nd At Dallas

Mike Beaumont, freshman engineering student from Groves, led the A&M gymnasts to second place in the novice division of the Southwest A.A.U. Gymnastics Championships held in Dallas Friday afternoon.

Beaumont collected 14 of the Ags' 27 points with his showing in the rope climb and the still rings competition. Kansas State University won the meet with 39 points.

In the junior division, against more experienced gymnasts, Beaumont placed second in the rope climb and earned a gold medal in the still rings. Saturday night in the senior division (open) he climbed the rope in 3.8 seconds, winning that event and placing fourth in the still rings.

Gym coach Henry Walton said, "This is a satisfying climax to a full gymnastics season."

Girl Watcher's Guide

Presented by Pall Mall Famous Cigarettes

The mover is more of a girl scout than a girl watcher.

LESSON 12 - Watching at a beach or pool

When watching at the beach or pool it is *not* necessary to keep moving. In fact, it is unwise to move at all, unless the watcher actually enjoys swimming. In such cases he should swim.

At the beach it is better to stay in one place, because the mover is more of a girl scout than a girl watcher

(see above). He is somewhat like the man who goes to the theater to see girls. The girl watcher goes to a musical and happens to notice the beautiful girls. The scout goes to see the girls and, sometimes, happens to notice the musical. (Whether you're a watcher or a scout, you'll find Pall Mall makes a most pleasant companion.)
