

DR. GALINDO (LEFT), FAMILY REUNITED IN COLLEGE STATION ... famed Bolivian educator tours campus facilities

Bolivian Educator Visiting His Sons, College Facilities

A widely known Bolivian educator, engineer and civic leader is visiting his three sons and A&M's educational facilities.

He is Dr. Eudoro Galindo, a presidential candidate of the University of San Simon at Cochabamba in Bolivia.

In addition to touring the campus, Galindo plans to visit colleges and universities in the Northeast United States to study their organization. He hopes to obtain information on the American educational system which might be adapted to schools in his home country.

Galindo's three sons at A&M are Ramiro, 23, a graduate student in civil engineering; Christian, 21, who will receive his BS degree in petroleum engineering at the end of this semester; and Eudoro Jr., a sophomore majoring in business administration.

Accompanying Galindo are his wife, Blanca and daughter, Vivian. He will be here for Christian's graduation and for Ramiro's marriage in June to Miss Kirsten Madson of Houston, formerly of Copenhagen, Denmark.

Galindo has been dean of the School of Technological Sciences at the University of San Simon and he teaches courses in economics engineering and the social sciences. He received his doctorate in civil engineering at University of Chile.

The visitor has pioneered sanitation projects in several Bolivian cities, was chief engineer for development of roads from cities to farm production areas, was head of construction and operation of several railroads and was a senator in the Bolivian Congress. He is active in various civic affairs.

While at A&M, Galindo has discussed college organization and functions with President Earl Rudder; Dr. Wayne C. Hall, dean of graduate studies, and other college officials. He will be visiting the schools and departments of the college, the extension services and the experiment stations.

Galindo will return to Bolivia about the middle of the summer.

Lutheran Students Aggieldands To Be Mailed To Seniors To Dedicate New Student House Sun.

A&M students who are affiliated with National Lutheran Council churches will dedicate a new student house for their use on Mothers' Day, Sunday, May 13.

Following the 10:45 worship service at Our Saviour's Lutheran Church, College Station, there will be a picnic for students and parents and the dedication service.

The student house was the old parsonage at Our Saviour's Church, but has been completely redecorated by the students themselves for their own use.

Elbrich, Clyde Grimsinger, new president of the Lutheran Student Association, and Winston Mettke, past LSA president, led the students in completing the work. The new house will be the home of next year's Lutheran Student Association.

Seniors who wish to have their Aggieldand '62 mailed to them have been requested to leave their forwarding address and the mailing fee in the Office of Student Publications before they leave school.

Rates vary according to the distance the yearbook must be mailed, and will be available in the office.

Secure in LOVE

Kathy is secure in her mother's love. Trust and peace gleam in her eyes. Happiness and hope shine in her face. But Kathy has her heartaches. She falls and skins her knee. Or she loses her favorite dolly. And then her eyes are flooded with tears. Mommy is always there to help. The knee is bandaged and kissed. The dolly is found. As Mommy's arm slips around Kathy, the tears are dried.

Kathy is secure in her mother's love. When Kathy grows older her mother will not be able to love away the adult heartaches. But Kathy can turn to God. Her mother's love is but an echo of the Heavenly Father's love for His children.

In faith and prayer, Kathy can find His all-sufficient help and feel beneath her His Everlasting Arms.

The Church guides you to God. You can discover your destiny as His child. You can be secure in divine love.
