BAYLOR COPS 1ST

**Ags Take 3rd In SWC Meet,
Roberts Sets Shot Record**

Aggie thinclads braved the wind, dust and 6500 Baylor fans to take third place in the 47th SWC track meet behind the Bears and Texas.

The Cadets came back with three gold medals and one of the two records set in the meet.

Danny Roberts shattered the conference shot put record when he threw the sixteen pound ball 57 feet, 1 1/2 inches. Fred Hansen of Rice broke the other record by clearing 15 feet, 5 inches in the pole vault.

E. L. Ener, junior from Jasper, won the 2-mile race in 9:32.8 running in a wind that gusted up to 20 miles an hour.

The Ags third winner of the meet was Terry Robinson who upset teammate Roberts to win the discus with a throw of 165 feet, 5 inches.

Don Deaver took third in the high jump behind Eddie Curtis of Baylor and Jacky Upton of TCU who tied for first at 6-8. Deaver jumped 6-6, his best of the year. Two other second places were

turned in by the Farmers as the mile relay team was edged by Baylor and Thad Crooks fell a stride short to Brian Bolton of SMU in the 880.

Point totals gave Baylor 73 9-10, Texas 50 2-5, and A&M, 44. SMU was fourth, Rice fifth, TCU sixth, Texas Tech seventh and Arkansas eighth.

The Aggie freshman squad came in fourth in their division behind Baylor, Texas, and Rice.

Ted Nelson, Andrew's flash, was the standout for the Fish as he turned the quarter in a fine 47.3, four-tenths of a second faster than the winning varsity time. Had not the wind been more than the allowable 4-plus miles an hour,

Nelson's time would have been a new division record.

SMU's Billy Foster, a formidable opponent of Nelson's though not competing against each other in the meet, took the 100 yard dash in 9.6 and the 220 in 20.7.

With the completion of the spring sports schedule, the picture looks bright for Coach Charlie Thomas' cindermen as only three men will be lost through graduation—Crooks, weight man Charles Tiemann and javelin thrower John Long.

Added to the varsity team will be speedster Nelson and pole vaulter Lewis Poland who holds the school record with 14-1 1/2.

**Corps Field Goal
Is 12th Man Edge**

Civilian students went down to defeat in the annual 12th Man Bowl in a 10-8 victory for the Corps on Kyle Field Friday night.

The ball seasawed back and forth during the first quarter, with the Civilians in scoring position once on the eight yard line. But they lost the ball on downs. The Corps made no serious threat to the civilian goal during this quarter.

In the opening minutes of the second quarter, the Civilians drove to the Corps 24 yard line, but again lost the ball on downs. They wrestled the ball away again by an interception by the Corps Quarterback Idis Goddard, and were stopped on the three yard line at the end of the half.

Kenneth Bush, the corps' 180-pound fullback made the first score of the game, with a field goal from the civilian 35 yard line.

The Corps scored again in this quarter with an end run by Frank Haynes, the quarterback. This made the score 10-0 at the end of the third quarter.

The non-regs made their only score in the fourth quarter with a 70 yard run by Dave Lowman the 150-pound halfback. The Civilians then ran for the two extra points, and were able to score.

The climax of the game came not on the playing field, but in the stands. It resulted from a "misunderstanding" about a sign that the civilian yell leaders carried over to the corps section.

**Lively Fires 284
To Win SWC Title**

Senior golfer John Lively had a fitting ending to his last season Friday by winning the Southwest Conference individual golf championship in Waco. He beat back strong challenges by teammate Jim Fetters and Arkansas' R. H. Sikes at the Ridgewood Country Club and carded a 4-over 284 for the 72 holes.

Fetters led during most of the Friday play, turning in 69 and 73 for the last two rounds and second place four strokes behind Lively. Sikes was trailing Lively by eight strokes after the first round but came back to make an inspired bid on the front nine of the next round. He fired a 30, with five birdies, for the lowest nine hole score of the tourney.

Trouble caught up with Sikes on the next nine, however, and he landed in third at the end with a 289, one stroke behind Fetters.

This was Lively's second title. He shared the 1960 honors with teammate Dickie Duble and Terry Dill of Texas. Texas Tech's Chris Blocker won the individual honors last year with a 5-over 289.

Girl Watcher's Guide

Presented by Pall Mall Famous Cigarettes

Don't watch while driving

LESSON 13 - A few "don'ts"

Now that we have learned the *how* of girl watching, let's consider a few safety precautions. They are presented, not as strict rules (since some experts with highly developed eyeball control enjoy watching while running the high hurdles, for example), but merely as friendly suggestions. 1. Don't watch while driving. 2. Don't watch

while drilling teeth (dental students only). 3. Don't watch while removing tonsils (medical students only). 4. Don't watch while mixing chemicals in the lab. 5. Don't watch girls who are engaged to the captain of the football team. Our final suggestion is a *do*, not a don't. Taste Pall Mall — so smooth, so satisfying, so downright smokeable!

Compare all three! Smoke "traveled" through fine tobacco tastes best. See the difference! With Pall Mall, you get that famous length of the finest tobaccos money can buy. Pall Mall's famous length travels and gentles the smoke naturally... over, under, around and through Pall Mall's fine, mellow tobaccos. Makes it mild... but does not filter out that satisfying flavor!

Pall Mall's natural mildness is so good to your taste!

So smooth, so satisfying, so downright smokeable!
