# Sophs Lead Team In All Departments

The final statistics are out for the 1962 A&M varsity baseball team, runners-up in the SWC conference race to the Texas Longhorns.

The Aggies sported a fine sea-

son record of 18 wins and seven losses and stood 11-4 in conference play.

Coach Tom Chandler's Cadets produced the league leading hitter in Bill Hancock who hit .447 in SWC play.

Also, four Ags, all sophs, were chosen on the All-Conference Team. They were third baseman Hancock, first sacker Frank Stark, shortstop Dave Johnson and pitcher Chuck McGuire.

Stark was the second leading batsman (.338) behind Hancock (.368) over the season's 25 games. Johnson was the only other hitter above the .300 mark with a .309. Johnson led the team in doubles (7) and total bases (50) and tied Stark for most home runs (6) and base hits (25).

Stark stole the most bases (5) and drove across the most runs (20). Bill Grochett, sophomore second sacker, tallied 21 runs to lead the team in that department.

The Farmers hit .236 as a team with 31 doubles, seven triples and 30 four-baggers. They stole 25 bases and left 186 runners stranded on the base paths.

The Aggie hurlers limited the opposition to 78 runs as compared to the 143 scored by the Cadets. A&M pitchers served up only seven gopher balls and the opponents could manage only a weak .209 at the plate.

Top Cadet pitcher was soph Johnny Crain who won three games without a defeat while allowing a scant 1.89 earned runs per game. Ed Singley led the team in strikeouts with 39 while posting a 5-1 season slate. McGuire threw the most complete games (2) while winning five and losing two.

The A&M staff posted a spec-

tacular ERA of 2.55, struck out 148 and walked 119 in 222 1/3 innings.

## Muscle Injury To Put Mantle Out 2-3 Weeks

NEW YORK (AP)—Mickey Mantle's condition was so improved Monday that one club official said the New York Yankee slugger may accompany the team to Kansas City next Sunday.

Mantle, however, is not expected to return to the line-up for at least another two or possibly three weeks.

The 30-year-old switch-hitting star, who tore a muscle in his upper right thigh on the last play of last Friday night's 4-3 loss to Minnesota, is expected to be released from the hospital soon.

"Mickey is making better progress than expected," said Bob Fishel, the Yankees' public relations director. "I talked with him today and he's in good spirits. He's anxious to leave the hospital, but Dr. Gaynor, Yankee club physician, would rather he stay there for a little longer. The important thing now is to keep Mickey off his feet."

Mantle said he had no idea when he'll be able to play again but he added optimistically, "I'm a fast healer. I've had these tears before and I was never out too long. This one, of course, is worse than the others."
