COACH TELLS HOW BEATTY'S RECORD PLANNED

Coach Mihaly Igloi of the Log Angeles Track Club tells how he and Jim Beatty, right, planned three months ago how Beatty would break the world's record for the two-mile run. Beatty followed a plan which

charted the times for each quarter and finished in 8:29.8, almost exactly what the coach had anticipated. The record was set at the Southern Pacific AAU meet in Los Angeles. (AP Wirephoto)

Texas Schoolboy Football Is Growing Even Larger

By HAROLD V. RATLIFF
Associated Press Sports Writer
Texas schoolboy football has for 40 years been the largest in the world but not even the bragging Texan of them all would have forecasted what has happened this year.

In 1958 there were 917 schools playing football under the aegis of the University Interscholastic League. But even league officials said that was the last big surge, that from then on there would be a falloff or at least a static situation because of the many consolidations of schools.

For three years this held up but 1962 dawned with the all-time record smashed again. There will

be 921 schools fighting for championships when the forty-third campaign opens in the fall. No other state can even approach this figure, made possible by a faster growth in high schools than anyone contemplated.

Class AAAA, the top division, is one-fifth larger today than when there was more than one division created in the late forties. Actually, there are 27 more schools. Thus, the big increase has come in the major classes. Class AAA has shown an even greater jump than Class AAAA.

Next fall there will be 121 in AAAA, 108 in AAA, 190 in AA, 191 in A, 183 in B, 71 in Six-Man and 57 in Eight-Man. Only the A

classes play to state championships but there are four of those, which is more than any other state can boast.

Because Class AAAA is the only division holding spring training, it will not be permitted to begin fall practice until Aug. 31. All other classes begin Aug. 20. AAAA also gets a later start in playing games, opening the campaign Sept. 14. The other divisions can begin Sept. 7.

There will be three brand new schools in Class AAAA—Houston R. E. Lee, Houston Memorial and San Antonio McCollum. Waco Richfield will be competing for the championship for the first time although it is not a new school.
