The present condition of said portions of streets and avenues endangers health and public safety, and it is necessary that the improvements thereof be proceeded with at once and while the weather will permit, and such facts constitute and create an emergency and an urgent public necessity requiring that the rules and provisions for ordinances to be read more than one time or at more than one meeting

be suspended, and requiring that this ordinance be passed as and take effect as an emergency measure, and such rules and provisions are accordingly suspended and this ordinance is passed as and shall take effect as an emergency measure and shall be in full force and effect from and after its passage.
