

Girls Coming — And They're Cooks

The second annual state-wide 4-H Favorite Food Show will be held here Saturday. It will attract 48 state finalists, all top winners in district elimination contests held recently in the 12 districts of the Texas Agricultural Extension Service.

Contestants will set up their favorite food exhibits in the Ballroom of the Memorial Student Center. The girls, who will prepare their food entries after arriving, will exhibit in one of the following food groups: milk, meat, fruit and vegetable, or bread and cereal.

Each contestant will include as part of her exhibit a table service for one set correctly for the particular food exhibited, along with appropriate table decorations,

according to Maona Cox, extension service foods and nutrition specialist and superintendent for the 4-H awards program.

"There will be a complete day's menu and the recipe of the favor-

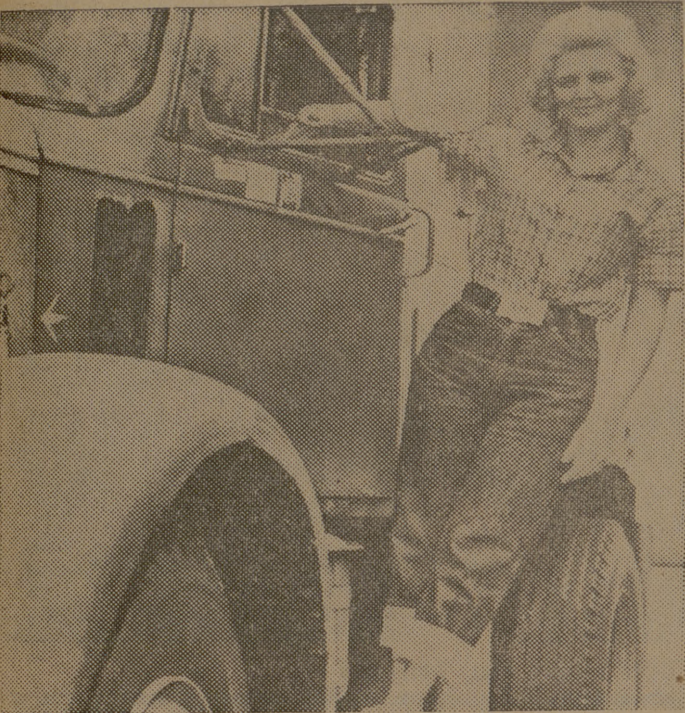

ite food. Each contestant also will explain to the judges how her favorite food was prepared, why it was prepared in that manner and describe the importance of food and good nutrition," Miss Cox said.

Food show contestants have all kept record books, and the records will count half of the total score, Miss Cox added. Winners will be named in the four food groups and the girl with the highest score

will receive an all-expense paid trip to the National 4-H Club Congress in Chicago this fall. Ribbons will be presented to contestants scoring in the blue, red and white categories.

Rockefeller Wins GOP Nomination

BUFFALO, N. Y. (AP)—Gov. Nelson A. Rockefeller formally received the Republican nomination for re-election Wednesday night with a call for a "fervent and fighting campaign" against the Democratic ticket headed by political newcomer Robert M. Morgenthau.

Rockefeller, who made his own political debut in his successful gubernatorial campaign four years ago, led a well-knit and practiced team into the new campaign. The nominations of Rockefeller, U. S. Sen. Jacob K. Javits and all others on the ticket were made by acclamation and the two-day state convention, which ended Wednesday night, was unusually free of discord.
