SMU Establishes Kelsey Memorial

SMU students have begun contributing to a Mike Kelsey Memorial Fund. Kelsey, the Mustangs' starting center, died Sept. 2 of a heart stroke suffered in initial football drills.

Proceeds from the fund will be used to buy a plaque to be placed in the Coliseum, and perhaps another for his parents. Remaining funds will be used to set up the Kelsey Memorial Scholarship Fund for athletes needing financial help.

Texas Changes Summer Schedule

A 12-week, two-semester summer schedule of classes was reinstated at Texas University last week. Since 1959, the university has operated on a nine-week, one-semester summer schedule.

Two basic reasons were given for the change by University President Dr. Joseph R. Smiley. They were:

1. "Increasing necessity of all colleges and universities to operate as nearly as possible on a year-round basis."

2. "Increase appropriations from the Texas Commission on Higher Education, which considers only the total semester hours compiled by the student body during the year."

Texas University enrollment may have passed all-time records, according to incomplete records.

A total of 20,287 students have now enrolled. The expected number was 20,104.

Two approaches to the "man's deodorant" problem

If a man doesn't mind shaving under his arms, he will probably find a woman's roll-on satisfactory. Most men, however, find it simpler and surer to use Mennen Spray Deodorant. Mennen Spray was made to get through to the skin, where perspiration starts. And made to work all day. More men use Mennen Spray than any other deodorant. How about you? 64¢ and \$1.00 plus tax
