

## Statistics Leaders Well-Distributed

DALLAS, October 3 — Arkansas' Razorbacks are hogging statistical honors in Southwest Conference football through the first two weeks of play, but seven of the eight members have at least one individual leader among high marks thus far.

Texas, Baylor and SMU share the team statistical leaderships with Arkansas, but the Razorbacks hold seven of the fourteen high single-game marks. Texas leads in three, Baylor and SMU in two each.

Led by Billy Moore, the dynamic quarterback, Arkansas also dominates the individual game records. Moore leads three categories (longest run from scrimmage, most rushing, total offense) and shares the scoring lead for a single game.
