

Fish To Meet Cubs In Waco Thursday

The A&M Fish football team travels to Waco Thursday, where they will meet the Baylor Cubs in the second game of the season for both teams.

A&M lost its opener to the TCU Wogs by a 28-13 score, while Baylor upset the Texas Shorthorns 13-12 in its first game.

The Fish are coached by Dick Johnson, who quarterbacked the University of Wichita to two straight Missouri Valley Conference championships before he was graduated in 1961.

Johnson is assisted by Jack O'Brien, the newest member of Coach Hank Foldberg's staff.

STUDENT COACHES are Jim Murphy, Wayne Frieling, Daryle Keeling and Jerry Jenkins. All played football for the Aggies as seniors last year.

The Cadets will start a big team against the Cubs with the backfield weight averaging 185 and the line 202. The alternate unit line is even larger — averaging 210.

Starting at quarterback for the frosh will be Eddie McKaughan, 180-pounder from San Benito.

Halfbacks will be Jim Watson, 6-2, 190 from McLean, and Jim Stabler, 5-11, 182 from Dallas Hillcrest. Jerry Kachtik, 193 from Rio Hondo, will be at fullback.

The Cubs, coached by Catfish came out of the Texas game with

a long injury list, all of which are doubtful performers against the Fish.

Fullback Mike Marshall has a bad foot, guard Mike Thomas a bad shoulder, halfback Eddie Whidson bruised ribs, end Ben Love a pulled leg muscle and halfback Bucky Bovenzi a lame knee.

One certain starter for the Cubs will be Will Walker, an end from Carrollton. Walker made several fine plays against Texas and is called a "great prospect" by Coach Smith.

The game will be carried on KORA starting at 7:30 p.m.

PROBABLE STARTERS for the Fish will be:

LE—Ed Breeding, 200, Jacksboro
LT—Tom Overstreet, 220, Austin
S. F. Austin

LG—Tom Murrah, 200, San Antonio Jefferson

C—Jim Singleton, 196, San Antonio Alamo Heights

RG—Joe Wellborn, 206, Tomball

RT—Don West, 210, Corpus Christi Ray

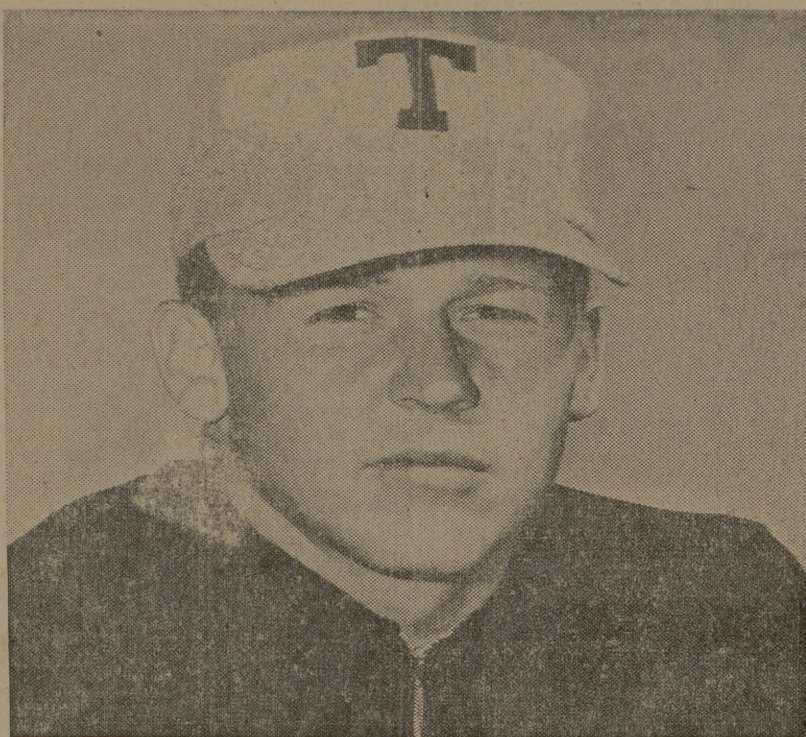

RE—Dan Houston, 190, Bartlesville, Okla.

QB—Eddie McKaughan, 180, San Benito

LH—Jim Watson, 190, McLean

RH—Jim Stabler, 182, Dallas Hillcrest

FB—Jerry Kachtik, 193, Rio Hondo

Freshman Coach

The youngest member of the A&M coaching staff, Dick Johnson guides the Fish against Baylor's Cubs tonight in Waco. The Fish dropped their season opener against the TCU Wogs in Fort Worth two weeks ago, 28-13.

Aggies' Alleys

All three Memorial Student Center bowling leagues began bowling activities this week. The Aggie All-Star League, which bowls Monday at 7 p.m., was led by the high game of Button Webb, 215; Jimmy Guy, 209; and Bill Brooks, 208.

High series was a 568 by Bob Korose. Brooks had second high series with 567.

In the Monday Late League, Bobby Hood had high game of 204. Bill Edwards had the high series — 558.

Nolan Mathews paced the Tuesday night league with a high game of 224 and high series of 544. John Byrnes had a 207-524.

The Second Annual All-College Tournament, which ended last Saturday, was won by freshman Ken Blanchard, who shot a 661 handicap score. His prize was an Ebonite bowling ball. Second place, and a pair of bowling shoes, went to Tom Weber with a 639 total. Sidney Webb had a 639 for third place and a bowling bag. Ed McGuire, sergeant in the Department of Military Science, took fourth with a 633.

The A&M Match Bowling team ended up in second place after the first meeting of the Texas Intercollegiate Bowling Conference last Saturday. The Aggies won eight and lost four. San Antonio is in first after winning nine and losing three.

Amateur Athletes Get Warning AAU Nixes Open Competition

By CHARLES CHAMBERLAIN Associated Press Sports Writer

CHICAGO (AP) — The Amateur Athletic Union of the United States officially issued what it said was a "final warning" Wednesday to this country's athletes that they will be ruled ineligible for international competition if they compete in federation "open" meets.

It was taken as the AAU's biggest broadside against the federation movement supported by the National Collegiate Athletic Association and encompassing 555 colleges and universities, 300 junior colleges, 50 members of the national track and field association,

track clubs and 17,000 high schools in every state but Texas, which is not a member of the National Federation of High School Associations.

The action firmly continues a stalemate between the two factions and imperils the makeup of U. S. teams for the Pan American Games in Sao Paulo, Brazil, April 20-May 5, 1963, and the 1964 Olympics in Tokyo.

The first major showdown will come in the federation's national cross-country meet at Ohio State on Thanksgiving Day. Currently scheduled the same date is the National AAU harrier meet in Chicago.

The AAU says that any athlete competing in the federation meet automatically will make himself ineligible for international competition, which, primarily, means the Pan American Games and Olympics.

Dodgers Get 4 All-Stars

NEW YORK (AP) — The Los Angeles Dodgers dominate the 1962 Associated Press major league all-star team announced Wednesday with four players named to the 10-man squad.

The Dodgers' quartet selected in the annual poll of members of the Baseball Writers Association of America include shortstop Maury Wills, outfielder Tommy Davis, left-handed pitcher Sandy Koufax and right-handed pitcher Don Drysdale.

The San Francisco Gaints, who defeated the Dodgers in a playoff to win the National League pennant, placed first baseman Orlando Cepeda and outfielder Willie Mays.

The remainder of the squad consists of second baseman Bobby Richardson of the world champion New York Yankees, third baseman Brooks Robinson of the Baltimore Orioles, outfielder Frank Robinson of the Cincinnati Reds and catcher Earl Battey of the Minnesota Twins.

Robinson is the only repeater from last season's team. Richardson, Wills and Mays moved up from the second team of a year ago.

Defensive Leaders Picked Wednesday

NEW YORK (AP) — Alabama, Mississippi and Dartmouth, all undefeated, led the nation's major college football teams Wednesday in defense.

Statistics announced by the National Collegiate Athletic Bureau showed that Alabama, which threw back Houston last week with a minus 49 yards rushing and minus 4 yards overall, led in rushing defense having allowed only 75 yards in four games for an average of 18.8 a game.

Dartmouth led in total defense with 288 yards allowed in three games for an average of 96. Mississippi was second in total defense with 317 yards in three games for an average of 105.7, and fourth in rushing defense with 121 yards given up for an average of 40.3.

Defense Gets Most Stress As Hogs Point To Steers

(Special to The Battalion)

FAYETTEVILLE, Ark. — The pendulum swings sharply to defense this week as the Arkansas Razorbacks prepare for "one of the greatest challenges ever presented an Arkansas team" — a meeting of the undefeated — Texas and Arkansas. A list of incentives on both sides would fill a book — but the important one is defense of the Southwest Conference Championship that both shared in 1961.

The two teams share a mutual problem of defending the other. Arkansas is off to a record pace offensively after four straight 1962 wins — both on the scoreboard and on the field. The Porkers have averaged 408.5 yards per game while scoring 146 points against Oklahoma State (34), Tulsa (42), Texas Christian (42) and Baylor

(28). The Longhorns are second in the league with a 287-yard average and wins over Oregon, Texas Tech, Tulane and Oklahoma.

On the basis of statistics to date it would appear that the Porkers may get a brief respite from a devastating aerial barrage through the first four games. The Razorbacks have seen an average of 26 passes a game in a massive assault that has tested a young defensive secondary to the hilt. In spite of a general feeling that the Arkansas pass defense has been shaky — statistics indicate a pretty capable job is being done by Billy Moore, Kenny Hatfield, Tommy Moore and others.

WHILE THE Razorbacks line has more than measured up to its expectations (opponents have averaged only 77.5 yards per game

on the ground this year compared to an average of 114.5 last year) the secondary has had to carry extra load.

The 105 pass attempts to date compare with 121 thrown in the 10-game season last year. Opponents have completed 51 passes a year — but the percentage is roughly the same as it was in (485 to 471). Even the average gain per completion remains the same — 11.2 this year compared to 11-yards a pass in 1961.

If the Razorbacks defensive secondary gets a chance to catch breath this week, the Big Red Wild Hog lines will have to face their toughest test of the season. The Longhorns have averaged 221.3-yards per game on the ground while giving up but 87.3 yards enemy ball carriers.
