COLLEGE STATION, TEXAS TUESDAY, NOVEMBER 6, 1962

Number 27

Four Exes Picked For Alumni Awards

BERNARD A. SCHRIEVER

Four Aggie-exes, all internationally known and leaders in their fields, will be presented A&M's first Distinguished Alumni awards during the Century Study Convocation on campus Nov. 16. They are:

Gen. Bernard A. Schriever, chief of the U.S. Air Force Air Research and Development Command.

John W. Newton of Beaumont, former director and general manager of the Refining Division of Magnolia Petroleum Co.

W. W. Lynch of Dallas, president of Edison Electric Institute.

Dr. Edward F. Knipling of Beltsville, Md., a research scientist with Entomology Research Division of the U.S. Department of Agriculture.

The four were chosen from nominations submitted by citizens of the state. Final selection was made by a nine-member committee, comprised of former students and staff members.

Other former students will be

EDWARD F. KNIPLING

cited biennially, according to J. B. (Dick) Hervey, executive secretary of the Association of Former Students.

Gen. Schriever assumed command of the ARDC in 1959. His chief duties include the management of widespread military-science-industry brainpower required to provide the Air Force with materials for its missile program.

A 1931 graduate, the general has compiled a 30-year record of active duty. He has a master's degree in aeronautical engineering from Stanford University.

Prior to World War II, he completed test pilot training at Wright Field in Ohio and continued to serve the Air Force in key positions through the war and afterwards.

He saw action throughout the Pacific campaign. He was later made assistant commander of the ARDC. Schriever became commander in 1959.

Newton, Class of 1912, a mem-

W. W. LYNCH

ber of the A&M System Board of Directors, taught in the Department of Chemical Engineering before joining Magnolia Petroleum Co. in 1914.

He served with the firm as chemist, assistant superintendent, assistant to general manager, vice president, director and general manager. He retired in 1957 after 43 years of service.

At retirement, however, Newton joined the Norvell Wilder Supply Co. in Houston as president. He retired again in 1962 but today remains on the supply firm's board.

Active in civic affairs, Newton has headed numerous business, professional and educational organizations at state and national levels. He is currently president of the National Association of Governing Boards of State Universities.

Lynch, Class of 1922, has been active in numerous professional groups in Dallas, in addition to serving with committees at A&M.

JOHN W. NEWTON

He is president and chairman of Texas Power and Light Co. Board, vice president of Texas Utilities Co. and trustee for the A&M Research Foundation and Southwestern Medical Foundation.

Lynch is also a director for Republic National Bank of Dallas, Employers Casualty Co., Employers National Insurance Co., Texas Employers Insurance Association and Employers National Life.

Knipling, Class of 1930, has attained international prominence for his research contributions and direction of research in the field of entomology.

Knipling's efforts have led to insect control in crops and livestock as well as insects involved with human diseases.

He has won numerous awards, including the President's Medal for Merit (1947), King's Medal for Service in the Cause of Freedom (given by Great Britain in 1948), U.S. Typhus Commission Medal and others.

2,500 Receive Oral Vaccine

Silver Taps Sound For R.E. Gilbreath

Silver Taps was held last night for R. E. (Bobby) Gilbreath, '65, star of last year's Fish track team. Gilbreath, 20, died Thursday in a Houston hospital. He was stricken Oct. 26 with what doctors diagnosed as encephalitis, or sleeping sickness.

Rites for Gilbreath were held Saturday at 10 a.m. in Iowa Park. The Aggie Track team attended with Coach Charlie Thom-

as. The record breaking hurdler was the only son of Mr. and Mrs. T. E. Gilbreath.

Party, Game Ticket Sale Deadlines Near

Tickets for the SMU football game and for the party sponsored by the Dallas Hometown Club afterward will go off sale Wednesday at 5 p.m.

Saturday morning the Corps of Cadets will parade in downtown Dallas, and afterward, the Dallas Club has a free barbecue planned for all Aggies and their dates at 11:30 a.m. in the Women's Building on the State fair grounds adjacent to the Cotton Bowl.

Saturday night, a dance will be held in the Memorial Auditorium from 9 p.m. to 2 a.m. The price will be \$6 per couple with refreshments furnished. Tickets may be bought from any member of the Dallas hometown club.

Game tickets are being sold at the athletic office, adjacent to Kyle Field.

'Bernstein Gala' Slated For Town Hall Tonight

The third Town Hall production of the season will be held Tuesday night in G. Rollie White Coliseum, featuring "A Leonard Bernstein Gala."

Show time will be 8 p.m., and will feature music of Bernstein for opera, ballet and Broadway, along with the American Ballet Theater production of Jerome Robbins' "Fancy Free."

Tickets will be on sale at the Student Program Office in the Memorial Student Center beginning Tuesday morning, and will be available at the door during the performance. Students will be admitted free with activity cards.

A variety of selections will be presented, including songs from "West Side Story," "On the Town," "Candide," "Wonderful Town" and "Peter Pan."

'Mrs. A&M' Dance Scheduled Dec. 8

The annual Mrs. Texas A&M Dance, sponsored by the Aggie Wives Council, will be held Dec. 8 from 8:30 - 11:30 p.m. in the Memorial Student Center Ballroom.

Highlight of the evening will be the selection of "Mrs. Texas A&M." Contestants must be the wife of a student currently enrolled at A&M. The Battalion will publish additional details and an application blank Nov. 15.

Tickets for the dance will be \$2 per couple and contestant's entry fees will be \$3 each. Free babysitting will be provided at the A&M Methodist Church during the event.

Sabin Polio Drops Go To Ags, Wives

Over 2,500 persons, mostly students and student wives, received Sabin Type II oral polio vaccine Sunday at a station set up in G. Rollie White Coliseum, according to Dr. Charles R. Lyons, director of student health services.

Attendance was somewhat below expectations, Dr. Lyons said, "But we have no way of knowing how many students have received immunization in their home towns."

Members of Alpha Phi Omega, national service fraternity for former Boy Scouts, assisted two doctors and six nurses from the College Hospital staff.

"Without the 12 boys help, we would have really been up against it. They were a great help and made the job a lot easier," Dr. Lyons said.

The doctor said that any student, faculty member or Bryan-College Station resident who did not receive Type II vaccine Sunday may be immunized this week in the College Hospital from 8 a. m. to 5 p. m. Twenty-five-cent donations are asked.

NO CHARGE except for requested donations is made for Type II vaccine since payments is being sponsored by the Junior Chamber of Commerce.

Type I Sabin oral vaccine is also available at the hospital. A fifty-cent handling charge is made for the vaccine because it was purchased by the hospital in small lots.

"There are no definite plans at this time, but we will undoubtedly have Type III for those who want it. It will be available about Christmas," Dr. Lyons said. A date will be decided in a meeting later this month.

The doctor said the immunization "ran smoothly, and there was never any waiting except at the beginning when we were waiting for the vaccine to thaw."

Three lines were formed for children and adults, and one line was used for infants and those persons who wanted vaccine drops rather than vaccine-soaked sugar cubes.

The station in G. Rollie White Coliseum was only one of many set up throughout the county in public schools.

Czech Film Displays Life Under Fear

By ADRIAN ADAIR
Battalion Staff Writer

"Torn Between Two Worlds," the first complete, uncensored color film on Czechoslovakia, produced by Don and Bettina Shaw, was presented Monday night by the Great Issues Committee in the Assembly Room of the MSC.

More than 400 persons attended the film, the second in the new "International Adventure" series presented by the committee. Mrs. Shaw narrated the film.

The film showed people inside Czechoslovakia working, playing and enjoying life despite the suspicion and fear that fills the country.

The couple actually filmed the country themselves. When the guide asked them not to take pictures of a certain subject, they went out of their way to film it, Mrs. Shaw said.

"Everyone works for the government," Mrs. Shaw said. "No one is allowed to sell his products for a profit."

When asked would they like to come to the United States, the people replied, "Sure, but it's just impossible," she commented.

The film is remarkable in telling the life of the people. It includes their factories, their fields, their children, their hopes and, of course, their fears.

Wire Review

WORLD NEWS
NEW DELHI, India—India has disclosed abandonment of a military post controlling Karakoram Pass, one of the most important positions on its long battle line against the troops of Red China.

A Defense Ministry spokesman announced the Indian garrison withdrew several days ago from Dulet Beg Oldi, at the foot of the 18,000-foot high pass between disputed Ladakh and Sinkiang Provinces of Western China.

The garrison was not under fire at the time, but outposts rimming the position had fallen before an offensive the Chinese launched Oct. 21.

★★★
SAIGON, South Viet Nam—The American death toll rose to 37 Monday in U. S. support of President Ngo Dinh Diem's government trying to crush the Communist Viet Cong.

Two U. S. Air Force fliers and a GI were killed within 24 hours as the Reds poured increasing groundfire against air attacks and became more daring in grenade-throwing raids.

★★★
SOFIA, Bulgaria — Premier Anton Yugov was ousted Monday in a widespread purge of Bulgaria's Communist regime, apparently dictated by the Kremlin to stamp out lingering vestiges of Stalinism.

The 58-year-old Yugov was denounced before 1,055 delegates at the Bulgarian party's eighth congress on charges of "fractionism" and was booted out of the party.

The denunciation came from party chief Todor Zhivkov a few hours after he returned from a weekend trip to Moscow. Zhivkov disclosed a number of other ranking government officials were ousted and expelled from the party as well.

U. S. NEWS
NEW YORK—Mrs. Franklin D. Roosevelt, who had been active in the New York State political campaign until her recent illness, is able to vote in today's election.

Campus Chest Coffers Far Behind Of Goal

By TED JABLONSKI
Battalion Staff Writer
A little over \$1,500 is now "locked up" in the Campus Chest as of Monday night, according to Ken Stanton, chairman of the student welfare committee of the Student Senate. Deadline for the drive was Friday.

"Only a few civilian groups and approximately 50 per cent of the Corps units have made donations," Stanton said. He said no contributions whatsoever have been received from an entire brigade.

Thirteen campus groups have made 100 per cent contributions as of last night, he added. They are:

The Civilian Student Council, Squadrons 1, 3, 8, and 14, First Brigade Staff, Second Brigade Staff, First Wing Staff and Second Wing Staff.

ALSO: FIRST Battle Group Staff, Fourth Battle Group Staff, Fifth Battle Group Staff and The Battalion Editorial and News Staff.

Stanton said that more groups are planning on turning in donations today, therefore an exact figure cannot be estimated until they are received.

The expected goal for this year's drive was set at \$8,000 and, so far, the amount collected is far short of this figure. "I believe that last

minute contributions will up our present figure considerably," Stanton said.

SEVENTY per cent of the funds collected will be given to Aggies who need monetary assistance. The remainder will be divided among the Brazos County Tuberculosis Association, the March of Dimes and the College Station Community Chest.

A bronze plaque will be awarded to the corps unit or civilian dormitory which collects the most per man. Since contributions are still being received the winner of this award has not yet been announced.

A certificate will be awarded to each group which averages \$1 per man.

"I'm disappointed that outfits and dorms have waited this long to turn in their donations," Stanton added.

Anyone still wishing to make a contribution to this year's Campus Chest may contact Stanton, Dorm 4-Room 304, he said.

Texas Votes Today

By THE ASSOCIATED PRESS

Texas were electing a governor and other officers Tuesday in a general election marked by the most spirited and hopeful Republican effort in nearly a century.

Candidates were these, with Democrats listed first:

Governor: John Connally, Jack Cox and Jack Carswell (Constitution party).

Lt. Gov.: Preston Smith and Bill Hayes.

Atty. Gen.: Waggoner Carr and Everton Kennerly.

Congressman-at-large: Joe Pool and Desmond Barry.

Railroad Commissioner: Ben Ramsey and Bernold Hanson.

Comptroller: Robert S. Calvert, Hargrove Smith and Joseph Rummel (Constitution party).

Land Commissioner: Jerry Sadler and Albert Fay.

Agriculture Commissioner: John White and Harry Hubbard.

Voters were also deciding on a record number of 14 constitutional amendments and for congressmen in 17 of the 22 districts.

CITIZENS ALSO voted on a large number of local offices and

C. S. United Chest Response Lags; 39.2 Per Cent Raised

The annual United Chest drive continued Tuesday in College Station with the campaign chairman calling for renewed interest.

"As of this date the response is somewhat disappointing," Dr. W. J. Graff declared. "We cannot allow our interest to lag in this important matter. The needs are real."

The A&M dean of instruction hit the attitude of "Let George do it."

"The United Chest is everyone's responsibility," Graff emphasized. "We can not, we must take the attitude of 'Let George do it.'"

The second report Tuesday showed \$6,661.35 or 39.2 per cent of the \$17,000 goal had been raised since the drive opened last Thursday. The campaign will extend through Nov. 15.

Graff listed four agencies with 100 per cent participation. They are Campus Cleaners, Burgess-Cashion & Haddox, Feed and Fertilizer Control Service and the Office of the Dean of Arts and Sciences.

Generally, the response from businesses, agencies and citizens of College Station has been slow to materialize.

"Departments and offices of A&M College are responding more readily but unless greater generosity is evidenced we will not achieve our goal," Graff said. "We must indulge our sense of philanthropy. Through the administration of the United Chest and the officers of the charities involved we receive careful, thoughtful and sincere management of our funds."

Cheating Polio

These Aggies took their Sabin oral polio vaccine Sunday at a clinic set up in the lobby of G. Rollie White Coliseum. From left are: Eugene Heinemann, Daniel Fritz and James A. Fuchs, all Company D-1 sophomores.
