## \$1,000 Loan Pot For TMA Cadets Established Here

Members of the Texas maritime industry have contributed \$1,000 for student loans available to Texas Maritime Academy cadets.

TMA Superintendent Bennett M. Dodson said the first \$1,000 loan fund was set up by individual contributions from members of Propeller Clubs in Port Arthur, Beaumont, Orange, Galveston, Brownsville, Houston and Corpus Christi. The Texas Maritime Academy, which opened this semester as part of A&M, has 21 cadets in its first class.

Accepting the contributions for the academy students was Rear Admiral Sherman B. Wetmore, USNR (Ret.), chairman of the TMA's Board of Visitors.

## Bitter Nixon Bids Public Life Farewell

BEVERLY HILLS, Calif. (AP) — An embittered Richard M. Nixon, his hopes for a political comeback in ruins, congratulated Gov. Edmund G. Brown on Wednesday, made farewell to public life, and in an angry denunciation of the press, told newsmen:

"You won't have Nixon to kick around any longer. Because this, gentlemen, is my last press conference."

The 49-year-old Republican former vice president, eyes swollen from lack of sleep and flashing anger, accused the press of distorting his statements.

In one breath, he said he had no complaints. Then he aired a few.

"Thank God for radio and TV," Nixon said through tightly compressed lips, "for keeping the newspapers a little more honest."

LEVELING HIS gaze at assembled reporters, he said: "Never in my 16 years of campaigning have I complained about coverage to a publisher or an editor. I believe a reporter has a right to cover the news as he sees it. But I'll say to a reporter sometimes: 'I wish you had given my opponent the same going over you gave

me." Later he told newsmen: "For 16 years, ever since the Hiss case, you've had a lot of fun. You've had an opportunity to attack me. I've given as good as I've taken — and I've had fun matching wits with you."

THE DEFEAT was the most shattering of Nixon's career. He never before had been beaten in six California elections, starting when he ran for Congress in 1946. He was re-elected in 1948, won a seat in the U. S. Senate in 1950, was nominated for vice president, at age 39, in 1952 and won election

on the Republican ticket with Dwight D. Eisenhower. He was re-elected vice president in 1956 and lost to John F. Kennedy by 110,000 votes, in the 1960 presidential election.

And now it was over — the man who "talked back to Soviet Premier Khrushchev" and "was stoned by Communists in South America," to quote some of his campaign phrases had lost to a governor who was hardly known outside California before winning the office in 1958.

His face grimly drawn, his voice husky, Nixon appeared

## Humble Scientist To Lecture Here

A Humble Oil & Refining Co. research scientist will speak on campus Thursday.

Dr. J. L. Franklin, research associate for Humble's Research and Development Division at Baytown, will discuss "Chemistry of the Rare Gas Ions" at a meeting of the

dead serious and exerting intense efforts to keep his rancor from getting out of hand.

In congratulating Gov. Brown, Nixon said: "He has the greatest honor and responsibility of any governor in the United States.

A&M-Baylor Section, American Chemical Society.

The meeting will begin at 7:45 p.m. in Room 231 of the Chemistry Building.

Franklin holds BS and MS degrees in chemical engineering from the University of Texas and earned a PhD in physical chemistry there in 1934. He joined the Humble Co.'s laboratories in Baytown that year.

His special fields of interest are thermodynamics, reaction kinetics and electron impact phenomena. Spts fillers
