

## Windham Tops Ags in Points, Rebounds

Jerry Windham leads the Ags hoopsters in scoring, a look at the basketball statistics for the games shows. Windham is averaging 20.5 points per game and has a high of 24 points against Lamar Tech.

percentage with 80 buckets in 107 shots. The opponents' 73-105 and lowly .673 percent can to some extent be credited to the adverse conditions of a foreign court.

A&M has committed 79 fouls in its four contests and 3 Aggies have fouled out. The Cadets' foes have drawn whistles 86 times with five men fouling out.

## Bull Wins NFL Rookie Honors

By JERRY LISKA  
Associated Press Sports Writer

CHICAGO (AP) — Ron Bull, the Chicago Bears' bouncy halfback, received the hottest honor of his football career on the coldest day of his life Wednesday.

Ex-Baylor star Bull, 22, was named National Football League rookie-of-the-year by an Associated Press panel of experts just as Chicago was struck by a record 7 below zero cold wave.

"Even though I've never been colder in my life," said the handsome, slick galloper from Waco, Texas, "I haven't ever been more thrilled, either."

"I'LL CHERISH this honor. It's something I hadn't really thought would be possible against all the fine players in the league."

This is like making All-America in college and All-State in high school—only in terrifically faster company. I have a lot of people to thank, especially all my coaches."

Bull, Chicago's No. 1 draft choice who started his Bear career this fall as a defensive back, carried the ball only nine times for 26 yards and didn't snag a pass in his first three games.

Yet through Sunday's 13th league game, the Baylor bomber has amassed 372 yards in 103 carries for a 3.6 average and caught 29 passes for 324 yards.

### Provided Bench Strength

Cecil Ferguson, 6-3 sophomore from Houston (Smiley), came off the bench to score nine points against the University of Southern Mississippi and provide the punch the Aggies needed to get started toward their 87-61 victory. Though Ferguson is a junior academically, he did not participate last year and has three years of eligibility.
