Ag Swimmers Win, Set Three Records

The Aggie swimmers trounced the Baylor Bears in a dual meet in P. L. Downs Jr. Natatorium Tuesday.

Three pool records were set, all by Aggies, as the Cadets outscored the Bruins 77-16. Senior Kaighin Watts set a record in the 200-yard freestyle with a time of 2:09.7. Senior Tom Kennerly swam the 500-yard freestyle in 6:24.0 to set a new standard in that event.

The other record was set by Don Thorp in the freshman meet as the Fish beat the Cubs 69-26. Thorp turned in a time of 5:15.7 in the 400-yard freestyle.

The next meet for the swimmers will be in Austin at the Southwest Conference Meet March 15-17.

Aggie Record Setter

Sophomore John Collins set a school record and a meet record last Saturday in Houston with a high jump of 6-6 3/4 in the A&M-Rice-Texas triangular meet. The Aggies of Coach Charlie Thomas won the meet with 68 points to Texas' 59 and Rice's 43.

Aggie Thinclads, Golf Team Will Join 1,300 At Laredo

Select members of the Aggie track team will join almost 1,300 athletes from more than 100 schools at Laredo's annual Border Olympics Friday and Saturday.

Coach Hank Ransom's crew will help kick off the festivities Thursday as contenders in the pre-meet tournament.

Both thinclads and golfers will be up against the cream of the Texas crop.

Heavily favored Abilene Christian College will be the squad to beat in the university track division. A&M, Texas, Baylor, TCU, SMU, Houston, Rice, and North Texas will furnish the opposition in a class that is expected to be murder on records.

Junior weightman Danny Roberts is the Aggie most expected to break a record at the famous outdoor gathering. Jerry Dyes of ACC and Rice's Ed Red are picked to jeopardize the record in the javelin throw.

Other good choices for record performances are Fred Hansen of Rice in the pole vault and Houston miler Laurie Elliott.

Along with Elliott, his teammate Al Lawrence and ACC's John Lawler form a trio that could be the first to do a four-minute mile in Texas.

Elliott, brother of the former world record holder, has already made the distance in 4:05.6. Lawler has a 4:05.9 to his credit and owns the current over-all record at 4:09.2. Lawrence has done 4:09.6.

A&M's golf team will have to face Houston, which will bring its usual formidable squad; North Texas State, which defeated the Cadets by 14 strokes last weekend; and 10 others.

Soccer Team Solves Problem; Why Have A Coach At All?

The Aggie Soccer Team, just one step away from a state championship, may have solved the athletic world's problem of holding a winning coach.

Its solution: Do without.

The situation is not by design. The Aggie team has no coach simply because there are few persons around who know soccer from croquet. Soccer, so far, isn't a popular American game.

MONEY IS another problem for the A&M soccer players. The sport is not a college-sponsored activity, which means players must supply their own equipment. The school, however, has provided a playing field on campus.

The only source of funds other than the players' pockets is an annual contribution of about \$300 from the Memorial Student Center. This covers some but not all expenses.

Obstacles such as these haven't kept the team from mowing down opponents in the 1962-63 season. It has 12 wins in a row for an average of 5.7 goals per game against 1.33 goals for opposing teams.

MOST OF the players are from south of the border, where soccer, like politics, is serious business. Latin Americans attending A&M aren't about to leave their favorite sport behind.

The Aggie squad plays a Dallas team for the state championship March 17 in Houston.

Benito Lopez of Mexico, team captain, manager, errand runner and all-around front man, says the Aggies would like to take a crack at the national contest if they get by Dallas. But somewhere in fine print, the rules say a team must have a bonafide coach for the big time.

SO THE Aggie players are looking for a coach. Requirements: Know at least as much about soccer as the players, be aggressive and be able to shout over the game's noise.

The line-up of first stringers likely to go up against Dallas includes Jose Ignacio Rodriguez and Juan Dominguez of Mexico; Jose Rodriguez, Carlos Rivera and Guillermo Castro, Costa Rica; Harold Brent, Honduras; Hugo Helguero and Christian Galindo, Bolivia; Carlos Trujillo, Peru; and Carlos Valarezo of Ecuador.

Most of the players on the bench also are Latin Americans except for a few Turks and two Anglos, Don Turner of Bay City and Larry Brown of Hawaii.

WHEN TURNER and Brown go into a game, they play at a disadvantage. First is lack of experience, and second is the language barrier. In the heat of play, the Latins will often take the path of least linguistic resistance and shout encouragement and directions in Spanish. But los Anglos no hablan espanol, which leaves out Turner and Brown.

When a man says "no" to life insurance, one of three things will happen . . .

1. He will buy it later and pay a higher rate for it because he will be older.
2. He will never buy, and his family (or his old age) may pay for it in sacrifices.
3. He will wait too long, and find money alone will not buy life insurance for him.

Would you be sorry today . . . if you had bought more life insurance 10 years ago. Don't delay, see

A sports cartoon appearing in Wednesday's edition of the Dallas Morning News drew more laughs than originally intended.

Counting on a Texas win over Baylor Tuesday night, the News cartoonist Bill McClanahan drew a picture showing Bevo atop a throne with two crowns on his head representing the Longhorns' twin SWC title in football and basketball. The caption described the Steers as the first team in 39 years in SWC history to go undefeated and untied to win both championships in one school year.

Unfortunately, for the News and the Longhorns, the Bears refused to play dead and whipped the Orange 55-48. But, aside from the fact that the paper jumped the gun, their information was slightly off due to the tie between Rice and Texas in football.

However, we found no quarrel with the little figure by the throne that implied the Aggies are going to win the baseball title. We just hope they are more correct in this than they were in the other information.

Mike Beaumont, junior from Port Neches, will compete in the Amateur Athletic Union Junior National Gymnastics Championship in Dallas Saturday.

Vice president of the A&M Gymnastics Club, he will enter the steel ring, rope climb and parallel bars events. Beaumont will be competing against 150 gymnasts from 20 states. The meet is open to all amateur athletes who have not placed in junior national competition.

The A&M bowling team travels to Arlington State College this weekend for the monthly meeting of the Texas Inter-collegiate Bowling Conference.

Representing the Aggies will be Bob Korose, Ray Snow, Tony Servello, Larry Glisan, Sidney (Button) Webb and John Tinney.

The Cadets are currently in second place one and a half games behind the Texas Longhorns. Other schools in the league are Sam Houston State, Arlington State, San Antonio College and TCU.
