

# Jerry's 2 Hearts

## Equal Good Lungs

...he had only one-half of a leg injury put him out of commission.

The 20-year-old Gorman flash had a 48 flat open 440 at the Border Olympics last weekend. He was a member of the mile relay team that took one of A&M's four first places at the Laredo affair.

Thomas attributes Anderson's success to determination and hard work. He said:

"JERRY IS a great competitor—one of those athletes with a big heart. His having only one lung is certainly no handicap to this boy, for he makes up for it with drive."

Jerry was born at Oceanside, Calif., with one good lung (his left), and moved to a farm five miles from Gorman with his parents, Mr. and Mrs. J. B. Anderson at the age of two years.

The family still resides on the 400-acre farm and Jerry got in his very earliest workouts on the dirt roads which parallel the tract.

It was in the fourth grade that Jerry's swiftness and quickness began to blossom. He inevitably won the informal tag races on the playground with his class mates, and as a sixth grader was the only boy his age to win a place on the eighth grade track team. He ran the 50 and 75-yard dashes.

HIS FIRST coach was Jack Davenport, now at Stephenville High School, and later he was tutored by Roy Byrd, now at Goldthwaite.

"I was the only freshman on the Gorman High School team and was lucky enough to be the first runner from Gorman ever to participate in the state meet. In fact, my biggest track thrill is being able to run in the state meet," Jerry said.

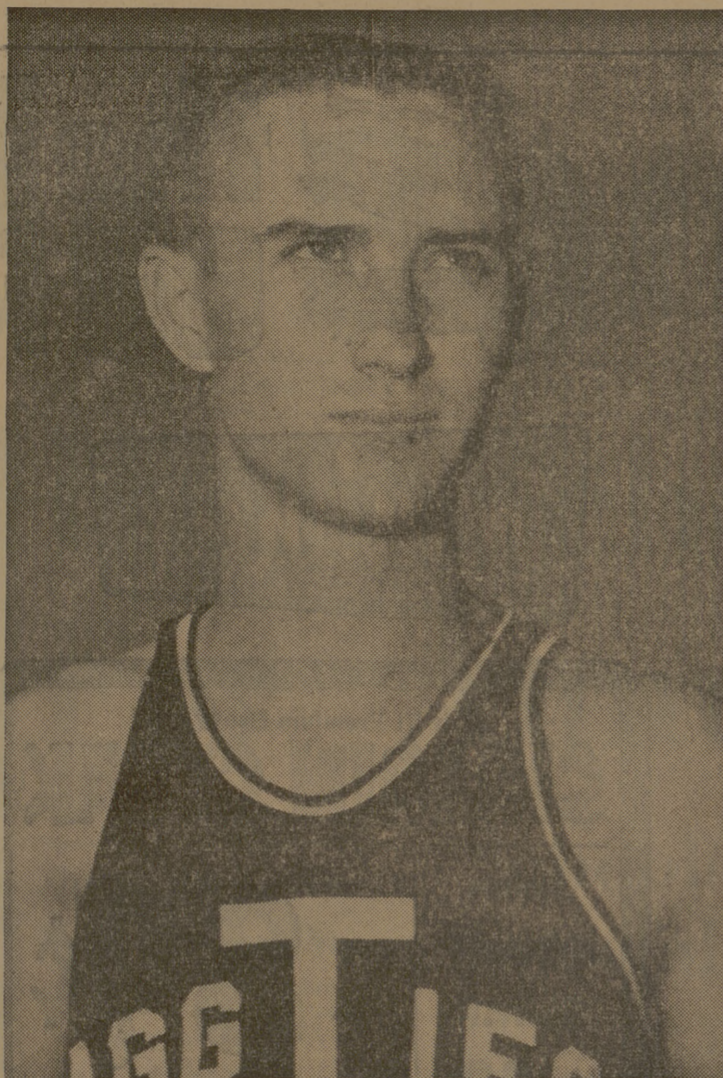

Jerry, who lettered in football his final two years at Gorman, has a younger brother, Larry, who is keeping up the Anderson track tradition. He is a junior at Gorman High, and runs the open 440.

Jerry also has two older sisters who are track fans, Mrs. Pat Marble of Houston and Mrs. James Nash of Fort Worth.

Anderson came to A&M on a half-scholarship in 1960, the only portion of a scholarship Thomas had to offer at that time.

But from here on out it is a safe bet that Jerry will be on a full scholarship.

For although he has only one lung—he has "two hearts."

Third baseman Bill Hancock slashed a two-run double and catcher Bill Puckett slammed a bases-loaded home run to give pitcher Chuck McGuire all the support he needed as the Aggies coasted to a 6-1 victory over the University of Dallas Crusaders.

McGuire was bothered by wildness early in the game as he walked two Crusaders in the first inning but one was thrown out attempting to steal and Third sacker Smitty Duke struck out to end the inning.

DALLAS' JERRY Gramly set the Cadets down in 1-2-3 order in the first two innings before the gate opened in the third. Jack

Singley led off with a double and Puckett walked. McGuire hit a hard liner to third and Singley was doubled off second.

Jerry Ballard lined the second pitch over second base to put runners on first and second with two out. Then Hancock sliced a drive down the rightfield line to score Ballard and Puckett.

The Big D crew threatened in the fourth, loading the bases on two singles and a walk, but failed to score.

THE AGS came back in the fourth with four insurance runs when Puckett hit his four-bagger over the right field fence, scoring DeWayne Steward, Ray Hall and

Hungry for flavor? Tareyton's got it!

"Tareyton's Dual Filter in duas partes divisa est!"

says Lucius (Poppa) Marius, he-man historian and author of *Inside Caesar*. "Homo sapiens today sure appreciates fine flavor," quoth Poppa. "Nota bene the popularity of Dual Filter Tareyton. Reason: flavor—de gustibus you never thought you'd get from any filter cigarette."
