Board Denies Coed Plans

Rumors that a move toward co-education is planned in April were denied this week by all nine members of the A&M System Board of Directors.

The directors said the issue had been discussed informally, but that no definite plans have been made for the next board meeting, scheduled here April 27. Agendas for the meeting have not been compiled.

The rumors indicate that coeds may be admitted into the graduate school next September, with the admission of day student girls to follow soon afterward. Plans for housing coeds on campus have reportedly not been discussed. Any decision by the board on the issue will be final.

Reports Indicate Rogers Pressured

The Battalion learned Monday that basketball coach Bob Rogers did not resign voluntarily. The popular Cadet mentor submitted his resignation last Thursday.

State Shows Big Jump In Tourists

(Special to The Battalion) AUSTIN — Texas received a substantial \$31 million boost in 1962 as the Texas Tourist Industry registered a seven per cent gain, the Texas Highway Department announced Thursday.

Making its annual report on tourist industry, the department said tourists spent \$471 million in Texas during 1962 — \$13 million increase over the previous year.

Texas also showed a gain in total number of tourists, with 9.6 million out-of-state visitors coming to Texas in 1962. This was 1.2 million more than the comparable total for 1961 — an increase of some 14 per cent.

According to two reliable sources in the athletic department, Rogers was told to resign or be fired without recommendations from the school.

News of the resignation was confirmed Friday as Athletic Director Hank Foldberg immediately named former assistant Shelby Metcalf to the head coach position.

A replacement for Metcalf has not been named.

Top Dallas Coach Would Like Job

Basketball coach Archie Porter of Dallas Thomas Jefferson confirmed Wednesday night that he is a top candidate for the assistant coach position vacated by Shelby Metcalf. Speaking to The Battalion's sports staff by telephone, Porter said he would be happy to get the job and hoped an agreement could be reached.

Porter, 38, coached Thomas Jefferson to the state Class 4-A championship in 1962 after a second place finish in 1959. His talented crew placed third in this year's state tournament and had a 35-3 overall record.

Confirmation of Porter's appointment would have to come from Athletic Director Hank Foldberg and the Athletic Council.

Two Top Posts Filled For Fall

Two top student leadership positions for next year were filled Monday night when Howard Head and Russell Huddleston were named leaders of the MSC Council and SCONA IX, respectively. Head is now MSC Council vice president, while Huddleston has worked for SCONA for the past three years.

Chairmen of five MSC Directorate committees were also named Monday. They are the following:

Danny Parker, bridge committee; Alvero Restrepo, Pan American committee; M. R. Miller, Flying Kadets; Terry Griffin, radio committee; and Mike Isle, talent committee.

It's the rich-flavor leaf that does it! Among L&M's choice tobaccos there's more longer-aged, extra-cured leaf than even in some unfiltered cigarettes. And L&M's filter is the modern filter—all white, inside and outside—so only pure white touches your lips. L&M's the filter cigarette for people who really like to smoke.
