

## First Loss Costly To Soccer Team

A&M's 1962-63 Soccer Team suffered its first defeat of the season Sunday and it was a costly one. The Aggies lost the state championship to International of San Antonio, 4-2, in Houston's Memorial Park.

The Ags were able to put on a late surge in the first half and tie the contest at 2-2 when the teams took a break. But a penalty shot put the Alamo City club in front in the second period and the younger A&M team could never catch up.

With International leading, 2-0, in the first half, Carlos Valarezo recovered the ball from the foul line and scored the Aggies' first point. Inside right forward Rodrigo Palacios booted in the score

that tied things up.

Another A&M goal in the first period was rubbed out by an off-sides penalty.

Center halfback Ewald Koegle of International scored two of the champions' goals. He got the first one in the game on a 20-foot corner shot. His second came on a 12-foot penalty shot early in the second half.

Skip Rutherford and Robert Ferruzzi connected for the other San Antonio points.

International players received a championship trophy and medals from Texas State Soccer Association President G. H. Chatrou and the Aggies were given runnerup medals.

Maroon quarterback Bill Uzzell heads earthward with the help of Jerry Nichols (25) after gaining five yards over left tackle in the first quarter of the Maroon-White spring grid game. Jim Stabler (45) and Jerry Kachtik (37) look on. The intra-squad contest marked the end of spring football training for the Cadet gridders as the White team emerged with a 6-3 triumph.

## Ag Thinclads Lead Stragglers As Dyes & Co. Take 3rd Win

Jerry Dyes and his powerful teammates from Abilene Christian College walked off with their third consecutive San Angelo Relays title Saturday, leaving the Aggies to head a pack of stragglers.

ACC netted 60 points — 13 and one-third of them Dyes'. A&M had 30½, Texas 26, SMU 24, Texas Tech 19½ and North Texas State 16 in the university division.

THE AGS HAD three first places in the meet with John Collins topping the high jumpers, Danny Roberts in the shot put, and a 3:14.9 winning mile relay effort.

Collins, the versatile sophomore from Liberty, jumped 6-2. ACC's James Neeley and A&M's Don Deaver cleared 6-0 but Neeley earned second place on fewer misses.

A 23-10½ was only good enough for third in the broad jump for Collins as Dyes sailed a record 24-10½ and North Texas State's Donald Fox hopped 24-1¼.

ROBERTS LOBBED the steel sphere 56-11. He copped a second place for A&M in the discus throw with a 159-¼ toss. ACC's Roger Orrell had the best discus throw at 159-2½. Aggie soph David Glover took fourth in the discus with 150-7.

R. E. Merritt, George Tedford, Jerry Anderson and Ted Nelson were teamed up on the mile relay effort.

Dyes was the high point man in the meet and voted most valuable for the third straight meet this season. Besides his record broad jump, he set a new mark of 248-11¼ in the javelin throw, ran a leg on the winning 440-yard relay effort, and took fourth in the shot put.

## A&M Golfers Beat Raiders

Coach Henry Ransom's title-defending Aggie golfers got off to a good SWC start Saturday with a 4-2 win over a visiting Texas Tech squad.

The Cadets took both team matches and shared the doubles honors. Mike Higgins, a senior squadman from Tomball, and Harry Hoskins, one-year letterman senior from Fort Worth, turned in a pair of three-under 67's for medalist honors.

Saturday results:

Bruce Dobie of Texas Tech defeated Eugene Byrd, 3 and 2; Higgins beat Richard Yates, 2 and 1; Johnston-Higgins defeated Dobie-Yates, 2 up.

Houston Brewer of Tech defeated Eugene Byrd, 1 up; Hoskins defeated Gary Littlejohn, 5 and 4; Byrd-Hoskins defeated Brewer-Littlejohn, 4 and 3.

A&M's golfers go to Fayetteville, Ark. Monday, for a match with the Razorback squad.

## Netters Top TCU In League Opener

It took a drawn-out No. 1 doubles match for Coach Omar Smith's varsity tennis team to finally end up on top of TCU, 4-2, in the SWC opener for A&M Saturday.

More than 50 spectators watched the College Station matches as Richard Barker and Ricky Williams finally outlasted TCU's Paul Christian and Earl Van Zandt in the deciding match.

The Cadets took three singles and one doubles. In the No. 1 singles match Barker came back from being three set points down to take a 9-7, 6-1 victory.

In the only freshman pair-off of the afternoon, Robert Nichols of A&M clipped Kenny Roach, 6-2, 2-6, 6-4.

## Whites Surprise Strong Maroons

The undermanned Whites out-hustled and out-played the stronger Maroons for four quarters Saturday night and in the process earned a 6-3 victory in the intra-squad football game in Kyle Field.

Junior Danny McIlhany, converted from halfback to quarterback, was the key man in the only touchdown of the tilt. The speedster from Pasadena turned a left end with 6:34 left to play for the six pointer that overcame a 3-0 Maroon lead.

The White drive started on the Maroon 47 when the light-colored jerseys took over after a 10-yard punt by Travis Reagan. McIlhany passed to Tommy Meeks and Mike

Pitman for a pair of first downs to the Maroon 19.

An end sweep by the little player netted 13 yards and another first down on the Maroon 6. Following a four-yard pass to Pitman, McIlhany scooted around left end for the score. The conversion attempt failed when the pass from center went astray.

The Maroon score came on a 40-yard field goal by sophomore Bob Lee with 5:45 left in the third quarter. Lee got his chance after Jerry Pizzitola recovered a White fumble on the 26. The Maroons couldn't move the ball and Lee's fourth boot split the uprights aided by a 15 mile-an-hour wind.

## Baseballers Shutout SMU For Fifth Straight Victory

Coach Tom Chandler used pitchers Ed Singley and Johnny Crain, who gave up one hit each, to shut-out SMU 7-0 in Dallas Saturday afternoon.

It was the fifth straight win for the Ags, leaving them with a 3-0 slate in conference and 8-3 for the season.

LITTLE SECOND baseman Bill Grochett and shortstop Jerry Ballard had four hits apiece to lead the Aggie hitting. One of Ballard's was a double.

Singley, who went seven innings on the mound, went two for four and had a two-base hit. He walked six and struck out nine. Joe Miller went all the way for the Ponies, giving up 17 hits. He walked four and struck out nine.

It was a Ballard single in the third that got things rolling for A&M. He went to third on a single by third baseman Bill Hancock and scored as SMU shortstop Bob Smith bobbled Frank Stark's

grounder. Then Robert McAdams singled to score Hancock.

THE AGS PICKED up two unearned runs in the sixth after two were away, with Ballard and Stark scoring on a McAdams single and a hit by DeWayne Stewart.

Grochett singled in the seventh and got around on a wild pitch and a Ballard single. A base ball, two singles, two stolen bases and an error gave the Aggies two final runs in the top of eighth.

## Freshmen Win Doubleheader From Rangers

A&M's Fish baseballers took four hours of batting practice Saturday afternoon in handing a pair of drubbings to the charity-minded Ranger Junior College Rangers.

The Rangers committed 18 errors in losing the doubleheader by scores of 11-0 and 12-1. The junior college crew garnered only one hit off Steve Hillhouse in the first game and managed a meager four from Ed Eichman in the second tilt.

Meanwhile, the Cadets smashed five doubles, a triple and five home runs off three Ranger hurlers. Shortstop Lance Cobb led the parade with a pair of four-baggers and a double while right fielder Allan Koonce chipped in a brace of roundtrippers.

The double win put the frosh record at 3-1 and left the Rangers without a decision in three games.

**Result: Ford-built cars demonstrate outstanding durability in competitions like the Daytona 500**

Results of recent competitive events prove dramatically the durability and reliability of today's Ford-built cars. Our cars swept the first five places in the Daytona 500 for example. More important to you—Ford-built entries had the highest ratio of finishers in this grueling test of stamina! Less than half—just 23—of the 50 starters finished; 13 of them were Ford-built!

Competitions such as the Daytona 500 are car killers. Piston rings can fail, transmissions can be demolished and engines blow up under these maximum efforts. It's a grinding demand for total performance and Ford-built cars proved they could take it better than any of the others.

Quite an eye-opener for car buyers. And conclusive proof that superior engineering at Ford Motor Company has produced more rugged engines and transmissions, sturdier bodies and frames and better all-round durability for today's Ford-built automobiles.
