

Keglers Cart Off Top Team Trophy

By JIM BUTLER

A&M's bowling team recaptured the team title they won in 1960 by shooting a near record 2809 in the 13th Annual A&M Invitational Bowling Tournament on the MSC Lanes Sunday.

The old record was 2918 set by the Aggies in 1960. Tony Servello, senior from Anaco, Venezuela, led the Cadets with a 609 series. Ray Snow shot 576 while Skipper Robinson had 562, John Tinney chipped in 555 and Larry Glisan shot 507.

CONSISTENCY was the key as the Ags put together games of 938, 923, 948 for the trophy. Southern Methodist took second place with 2737 and San Antonio College finished third scoring 2732.

A pair of Aggie Fish won the doubles in a close contest with San Antonio and another duo from A&M. Bob Collins tumbled 613

pins and his partner, Jim Milstead, shot 513 for their winning total of 1126.

Bob Perez and Charles Bowles of San Antonio finished second, two pins back, with 1124. Snow and Button Webb of A&M shot 1123 for third.

JOHN MELLGREN a former Aggie now attending St. Mary's College, racked the wood for 617 and the biggest singles trophy. Bill Neitzke of SAC took second with his 611 and Ansel Goldgar of SMU shot 604 for third.

Goldgar, needing a 210 in his final game for top honors in all-events, bombed four consecutive strikes in the last four frames for 213 and a winning total of 1760.

Lamar Tech's Emmett Usey spun off 1757 for runner-up honors. Mellgren, the singles champ, went into his final game with only 171 sticks between him and the all-events title, but was plagued by splits and ended with a 152 and third place.

DON DEAN of Rice accounted for one of the two records set in the tournament with a 275 in the singles competition. Dean had a spare in the fourth and seven pins on his last ball in the tenth frame along with nine strikes.

SAC's Perez challenged Dean's game when he opened his final game with a six-bagger, a spare and a double. His first ball in the tenth went wide for a seven count and a 256, good for second high game.

Third high game of 243 went to SAC's Neitzke.

The other standard set in the three-day meet which started Friday was Ronnie Mullins' high series of 654. The bowlers from West Texas State University combined games of 237, 212, 205 for his record total.

Perez was second with 634 shot in the team event, Mellgren took third with his singles score of 617. Mullins shot his series in the doubles event.

San Antonio College garnered 11 trophies in the tournament while the Aggies were relatively poor hosts taking 10 trophies.

GOOD WINNERS, POOR HOSTS ... shoot 2809 to take team title in own tournament

BOB COLLINS, JIM MILSTEAD ... Aggie Fish win double title

Ags Meet St. Mary's, Illinois In Alamo City During Break

Coach Tom Chandler's baseballers take a break from Southwest Conference competition until after the Easter Holidays and travel to San Antonio for a pair of games with St. Mary's College and the University of Illinois.

The Aggies face the Catholic School Thursday and meet the touring Illini Friday.

A&M has an 8-5 season record and stand 3-2 in conference play. The Aggies are a game and one-half behind TCU, leading the SWC with a 5-1 slate.

Team	W	L	Pct.
Texas Christian	14	2	.875
Texas A&M	8	5	.615
Baylor	5	3	.625
Rice	5	4	.556
Texas	5	4	.556
Southern Methodist	4	10	.286

Team	W	L	Pct.
Texas Christian	5	1	.833
Texas A&M	3	2	.600
Baylor	3	2	.600
Texas	2	2	.500
Rice	2	3	.400
Southern Methodist	0	5	.000

In the conference statistics released Monday, Bill Hancock is the only leader for the Cadets. The junior third-sacker paces the conference in home runs with two.

Baylor's Ronnie Goodwin, who won the batting crown as a sophomore, is the leader in hitting with a .429 average. Billy Hale of Rice

has the only triple. Texas Christian leads the loop in fielding with .974 but shows only .197 at the plate.

Netters Drop One, Then Shutout LSU

Coach Omar Smith's tennis team lost to favored Rice Friday afternoon, dropping to 4-8 in Southwest Conference point standings after two league matches, but came back strong Saturday to blank visiting LSU, 9-0.

The victory over LSU was the Aggie's seven against six losses since season play kicked off. The Rice loss was A&M's first in SWC competition after having defeated TCU the weekend before.

Smith's netters took six singles and three doubles victories Saturday, and dropped only the fourth singles match. The Cadets play again April 20 against Texas in Austin.

Roberts Aims At Records At Dallas Meet Thursday

A&M's man mountain Danny Roberts, who specializes in hefting a 16-pound ball and an 8 3/4 in. discus far enough to hold the reputation of the top weight man in Texas, shoots at two more records in the Dallas Invitational track meet Thursday night.

The junior from Cleveland set a Texas Relays record and a personal high with a heave of 59-feet 3 3/4 inches in the Austin meet last weekend.

The shot put record at the Dallas

competition is 57-2 1/2. Roberts will have to strain little to break the discus standard. The meet record stands at 134-0 while Roberts' best effort this season is 164-8.

The Cadet mile relay team is also challenging a record at the Big D meet. A&M ran a 4:25 in Austin, just six-tenths of a second slower than the record.

Texas, Baylor and SMU compete in A&M's competition in the team meet.

Guess who offered me an executive position with a leading organization, where I'll get good pay, further my education, and enjoy world travel?

My uncle.

In this case, nepotism's a pretty good idea. And the best way to get it is through Air Force ROTC—because the Air Force prefers to commission its officers directly upon graduation. But if you couldn't fit AFROTC into your schedule, you can still apply for Air Force Officer Training School. OTS offers college men and women an opportunity to assume great responsibility. When you complete the three-month course, you'll be commissioned a second lieutenant, and become a part of a vital aspect of our defense effort. As an Air Force officer, you'll be a leader on the Aerospace Team. We welcome your application for OTS now—but the same may not be true next year. So if you're within 210 days of graduation, get full information from the Professor of Air Science.

U. S. Air Force
