### Music To Dance To

Two-year-old Terri Tillman, like most little girls, can't help dancing when the band starts to play. Terri, daughter of Mr. and Mrs. Brad Tillman, finds the brick streets of Savannah's historic Factors Walk just the place to try out a few steps to the music of the Savannah High School band during an art festival. # New Peace Corps Quiz To Be Given

A new, and much shorter, Peace Corps placement test will be administered Saturday at 8 a.m. in the Bryan Post Office, according to Daniel Russell of the Department of Agricultural Economics and Rural Sociology, A&M coordinator for the Corps.

The test consists of half-hour sections on general aptitude and modern language aptitude. All applicants who have any knowledge of French or Spanish must remain to take the appropriate language achievement test of one hour duration.

THE TEST IS non-competitive. Applicants who took the longer test administered earlier do not need to take the new one.

Increasing emphasis on aptitude for a foreign language for all volunteers serving where English is not the main tongue has greatly increased the need for the language aptitude and achievement tests,

said Dr. Edward R. Henry, director of the Peace Corp's selection division.

THE NEW TEST should be taken by all new Peace Corps applicants for one of the 4,000 openings in 44 countries. Training begins in June, July and August.

Russell said that pre-registration for the two-hour test was not required. Information about the exam or the Peace Corps is available from the College Placement Office in the YMCA Building or Room 317 in the Agriculture Building. A strong demand continues for volunteers, Russell said.

### B&U Storage Open

The storage section of the Department of Building and Utilities is now open through the noon hour, it was announced Tuesday. New hours for the section are 8 a.m.-5 p.m.

# Student Housing Needed On May 3-4

Housing is needed for many of the 1,200 high school students who will attend the 1963 Texas Industrial Arts Student Fair here May 3-4.

James L. Boone Jr. of the Department of Industrial Education said it would be necessary to house some of the visitors in dormitories. Boone has appealed to members of the Corps to allow these students to stay with them.

He said the students must be paired with cadets except in the unoccupied rooms where they will be bunked together.

Students who have extra beds are asked to contact their first sergeant.
