

Groneman Honored By Kansas State

The head of the Department of Industrial Education, and co-ordinator of the teacher education council, Dr. Chris Groneman, will be one of three alumni cited for meritorious achievement and distinguished service at Kansas State College's 51st annual commencement.

New York City, 1954; editorial board, School Shop Magazine, Ann Arbor, Mich., 1954-59; and editorial board, Industrial Arts and Vocational Education Magazine, Milwaukee, Wis., 1961-63.

The professor is the author of 20 books and publications, four bulletins and reports, and 124 professional magazine articles published since 1934.

The citation, the highest award Kansas State can confer on its graduates, will be made June 2.

Groneman received his BS and MS degrees at Kansas State in 1931 and 1935. He holds a doctor of education degree from Pennsylvania State University and has been at A&M since 1940. He was made head of the Department of Industrial Education in 1949.

He is listed in Who's Who in Education, Leaders in Education, International Who's Who, Who's Who in Industrial Arts Education, and Who's Who in the Southwest.

Groneman is consulting editor for McGraw-Hill Publications in Industrial Arts; editorial chairman, American Vocational Association bulletin "A Guide to Improving Instruction in Industrial Arts," 1953; guest editor, School Shop Newsletter, National Safety Council, 1952-53; editorial committee, "Lighting for Industrial Arts," Better Light, Better Sight Bureau,

Mother's Clubs Hold Meet Here

The annual meeting of the Federation of A&M Mother's Clubs was held Saturday in the Ballroom of the Memorial Student Center.

Guest speaker for the affair was Dr. W. J. Graff, dean of instruction, who spoke on excellence in college work. Graff told the club members they were ambassadors for the goal of excellence at A&M, and stressed their importance to the institution.

The Singing Cadets furnished entertainment for the meeting with a barber shop quartet.

Vet Students Hear Commission Talk

Col. Glen B. Wagon of the 8th U. S. Army Corps Headquarters in Austin was on campus Tuesday to meet with veterinary students.

The officer conferred with students who will qualify for a commission in the Veterinary Corps by January, 1964.

Assistance Grant Given By Gulf Oil

The Department of Petroleum Engineering Monday received a \$1,000 unrestricted assistance grant from the Gulf Oil Corporation.

The check was presented President Earl Rudder and Robert Whiting, petroleum engineering head, by F. L. Carpenter, petroleum engineering advisor of Gulf's domestic production department.

The grant is one of 50 that Gulf distributes annually to selected departments in universities or colleges. Together with other sections of the Gulf program, this will result in the distribution of more than \$1,400,000 to students and institutions of higher education for scholarships and other aid to education purposes in 1963.

Young Republicans First To Support 'Draft Goldwater'

The A&M Young Republicans Club became the first Young Republican Club in Texas to go on record in full support of the "Draft Goldwater" movement, in a meeting Monday night.

A resolution was presented to support Sen. Barry Goldwater, R-Ariz., for the Republican presidential nomination in 1964.

The resolution stated: "Whereas, Senator Barry Goldwater, of Arizona, is the strongest conservative leader of the Republican Party, and has shown the greatest amount of leadership in the fight for free enterprise and individual liberties in the United States,

And, whereas, Senator Goldwater, is the only person capable of leading this country forward to a position of a true world leader, and having its citizens feel confident and self-respected to a degree they have not known in a long time,

And, whereas, Senator Goldwater offers the most logical and sensible political philosophy on national and international affairs.

Be it hereby resolved that the Texas A&M Young Republicans Club go on record in full support of the "Draft Goldwater" movement for the Republican presidential nomination for 1964."

Ag Wives Council Selects New Staff

The Aggie Wives Council has announced the election of officers for next year's term.

The new president will be Mrs. Bonnie Morgan of the Mechanical Engineering Wives Club; the new vice president will be Mrs. Muriel Silcock of the Civil Engineering Wives Club; secretary will be Mrs. Cheryl Ahrens of the Oceanography and Meteorology Wives Club.

Treasurer will be Mrs. Glenda Burke of the Civil Engineering Wives Club and reporter will be Mrs. Raymonda Almond of the Entomology Wives Club.

Carter Selected For Scholarship

James W. Carter of Harlingen, has been awarded a Scottish Rite Foundation scholarship for \$2,200 for graduate study at George Washington University in 1963-64, Department of History head Dr. J. M. Nance has announced.

A senior majoring in history, Carter has been active in student government posts since he enrolled in 1959. He has been an elected member of the Student Senate for four years and has served as parliamentarian and as chairman of the public relations committee.

During the past year Carter was a delegate to SCONA VIII. He has also served for three years on

the student elections commission. Carter was elected this year to Who's Who in American Colleges and Universities and to the national scholastic honor society Phi Kappa Phi.

Long interested in diplomatic affairs, Carter lived in Cairo, Egypt, where his father was on assignment from the State Department as an agricultural specialist, and later for a year in Asuncion, Paraguay.

Carter has passed the written and oral examinations for assignment in the Foreign Service of the United States, which he expects to pursue as a career.

At George Washington University Carter will pursue graduate work in international affairs.

Sigma Xi Society Initiates 37 Here At Annual Banquet

Thirty-seven A&M students were initiated into Sigma Xi Society Wednesday, a national organization for graduate students in science fields.

Aubrey W. Naylor, a Duke University biologist, was featured speaker at the 13th annual initiation and awards banquet held in the Memorial Student Center Ballroom.

New associate members include Lonnie Colvin, a graduate plant sciences major; Don Taylor, a graduate chemical engineering major; Bennett Hardy, also a graduate chemical engineering major; James Schreck, a graduate student in chemistry, and George Doering, a graduate entomology major.

Also initiated were Ronald Pine, a graduate wildlife management student; James Harding, a graduate oceanography student; William DeFacio, a graduate physics major; Stanley Wellso, a graduate agronomy major, Douglas Robinson, also a graduate wildlife management major, and Marion Mayer, a graduate entomology major.

Development Fund Director To Speak At A&M Club Meet

Richard (Buck) Weirus, director of the Development Fund of the

Association of Former Students will be guest speaker at 7 p.m. Wednesday for the Brazos County A&M Club.

The dinner meeting will be held at the clubhouse on Ehlinger Drive and all former students have been invited, Joe Sorrels, club president, said.

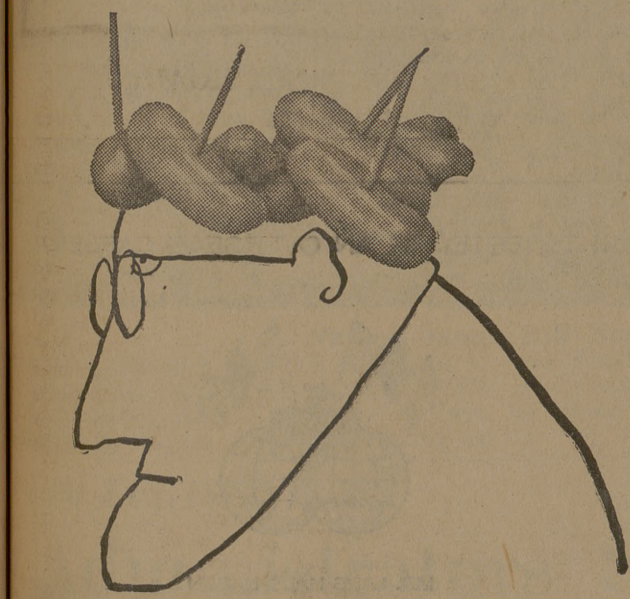

Weirus will outline the Development Fund and its contributions to A&M over the year.

Sorrels said the meeting will consider proposed changes to the club's bylaws and hear a report of the building committee.

Scientific Method Lecture Is Tonight

Sir George Paget Thomson, Nobel Laureate and Master Emeritus of Cambridge University's Corpus Christi College, will give his main lecture, "Some Thoughts on Scientific Method," in Room 146 of the Physics Building at 8 p.m. Tuesday.
