

Iowa Researcher Joins Biology Staff

Dr. Willard A. Taber, a microbiologist and author of 40 publications, will join the A&M Department of Biology faculty in September as an associate professor. The appointment was announced by Dr. J. G. Mackin, department head.

A native of Iowa, Taber has served since 1955 as senior research officer at the Prairie Regional Laboratory of the National Research Council, Saskatoon, Sask., Canada.

He completed undergraduate studies in botany at the State University of Iowa in 1949. Two years later he received the M.S. degree from Iowa U. Rutgers University in 1954.

Taber will fill a position vacated by Dr. Norris P. Wood, who is going to the University of Rhode Island after eight years at A&M.

University of Texas. In 1955 he received the M.A. degree from the university with a major in bacteriology.

McCullough has taught in the Houston Independent School System for six years and for two years has been head of a science department.

He graduated from the University of Texas in 1955 and later completed the M.A. degree at Stephen F. Austin State College.

★★★
Dr. I. W. Rupel and Dr. I. I. Peters of the Department of Dairy Science, presented papers at a recent dairy short course at Monterrey, Mexico.

Rupel's papers were titled "Good Management Essential for Success in Dairying," "Adequate Forages and Pastures Are the First Step in Proper Feeding," and "Formulation of Dairy Rations."

Peters spoke on "Research Developments in the Manufacture of Cheddar Cheese," "Utilization of Liquid Skim Milk in the Manufacture of Dairy Products," and "Utilization of Dried Skim Milk in the Preparation of Reconstituted Milk."

★★★
The appointment of natives of Corpus Christi and Fredericksburg as instructors on the English faculty was announced Monday by Dr. John Q. Anderson, head of the department.

Appointed effective Sept. 1 are Terry L. Long of Corpus Christi, and Carroll R. Schoenewolf of Fredericksburg.

Long received the master's degree from the University of Houston where he served as a teaching assistant. He received the B. A. degree from the University of Texas in 1959 and has worked as a reporter on the Corpus Christi Caller-Times and newspapers in Beaumont and Galveston.

Schoenewolf received the B.A. degree from Sul Ross State College in 1957 and taught for three years in the high school at Fort Stockton. He served as a teaching assistant while studying for the master's degree at Sul Ross.

A Midget Indeed

Kathy Garner, 11, of Richmond, Va., holds Mae's, an eight-day-old Shetland pony that weighed 21 pounds at birth. The youngster has gained a couple of pounds but Kathy can still carry it around. Marvin L. Garner, Kathy's father, says the usual birth weight of a Shetland is about 50 pounds. (AP Wirephoto)

Learning New Routines

Participants in the annual Square Dance School held in the Memorial Student Center practice new routines. The dancers come from all over the U. S. Many of the "students" are dance instructors back in their home towns.

UNITED STATES SAVINGS BOND
100

TREASURY DEPARTMENT
U.S. SAVINGS BONDS DIVISION

FACTS ABOUT UNITED STATES SAVINGS BONDS

1. They are Government bonds especially designed for individuals and backed by the full faith and credit of the United States of America.
2. They are unexcelled for safety, liquidity, guaranteed interest return, and freedom from market fluctuation.
3. There are two types: Series E and Series H United States Savings Bonds.
4. Series E is an accrual bond. You buy it at 3/4 of its face value. The interest is compounded semi-annually. They range in size from \$25 to \$10,000.
5. Series H pays interest by Government check two times each year. You pay face value for the bond. They come in convenient sizes from \$500 to \$10,000.
6. The interest from both Series E and Series H is not subject to state and local income taxes and personal property tax.
7. Both Series E and H are registered bonds and will be replaced FREE if lost, stolen or destroyed.
8. They are easy to buy. Over-the-counter at most any bank or automatically through the Payroll Savings Plan. Easy to cash too—at your bank.
9. You can exchange E Bonds for Series H any time you wish. No charges for this service.
10. With Series E and H Bonds you pay no commissions and clip no coupons. And they keep on earning interest for you—and building strength for America—as long as you hold them.
