Ticket Sales Up For B-CS World Series

BRYAN—Brisk ticket sales were reported this week for the Bryan-College Station semi-pro Baseball World Series set for Labor Day weekend.

The 12-game tournament will pit state champion teams from Arkansas, Louisiana, New Mexico, Dallas-Fort Worth, Houston and Bryan to select a Southwest regional team for the American Amateur Baseball Congress.

The games, scheduled Aug. 30 and 31st and Sept. 1 and 2, will feature semi-pro teams composed of players 19 years and older and many as three ex-professionals per team. Major league scouts are expected to pass out about one-quarter of a million dollars in professional contracts to outstanding tournament players, according to the event chairman, J. C. Watson.

Watson said more than half of the tournament box seats were already sold and choice seats were being rapidly. He urged baseball fans to contact one of the 50 community salesmen handling tickets. Four dollar-family tickets which allow a man, his wife and their children to attend all four days of the tournament also went on sale this week. This family price is half the admission at the gate, Watson pointed out.

Ag Band Gets Gift From Humble Oil

The Aggie Band received a \$1,000 gift from the Humble Oil and Refining Company Monday night. Don Lee, sales promotion manager for Humble's Southwest region presented the check to Col. E. V. Adams, band director, at a special dinner for invited guests.

The banquet featured a showing of "SWC Highlights, 1962," a colorful football movie narrated by Kern Tips.

LEE TOLD the guests Humble received help from Col. Adams in compiling a record album of Southwest Conference songs. The oil company has sponsored radio

and television broadcasts of SWC football for the past 29 seasons.

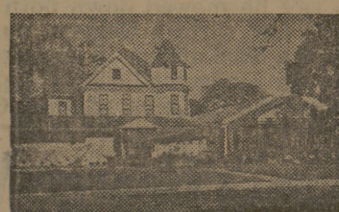

In thanking Lee, Col. Adams said the money would help in acquiring extra pieces of music. The band is supported by funds from the Exchange Store, the Athletic Department and others from the state which must be applied for in advance of the need, he explained.

The Aggie Band will for the first time this season go with the football team for its clashes with Louisiana State in Baton Rouge and Texas Tech in Lubbock. In previous years the marching unit had alternated making the trips.

Plant a crop in deep, rich soil and you plant a crop that will flourish.

Something gives it life. Sun and rain, yes, and certainly rich, abundant soil . . . and yet, something more, something that gives it the ability to seek and use strength.

Someone gives US life . . . nourishing food, warm comfortable shelter, these help certainly. But still . . . something else. Our souls reach far below the surface of everyday existence to find our deeper faith in God's wisdom and power.

We place ourselves at His mercy. We seek Him often in prayer and worship, and "times of refreshing shall come from the presence of the Lord."

Having found this fountain of faith, like the harvest, we point ever heavenward to share with others our discovery.

THE CHURCH FOR ALL • ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
